And a cricket bag for his hat ; And he looked the brightest and best of

Under his new straw hat. We handed him into the railway train

And we made as though it were dust and

We looked in his innecent face to see The aign of a sorrowful heart: But he only shouldered his bat with glee And wondered when they would start.

And ours was a world behind. Twas not his fluttering heart was cold For the child was loyal and true ;

And the parents leve the love that is old And the children the love that is new.

And we scarcely spoke for the space of an As we drove back through the town. ----

Yesterday was almost as unsatisfactory as Saturday for holiday purposes. and the foundrymen must have felt that It is awfully unwise to agonize under the as between the two dates there was lit tle to choose. The city was very quiet. The only local event to attract was

the launch in the morning, which was witnessed by perhaps 1,000 people. There were several excursions, but projectors anticipated was that on the pictures she is "necklaced" close up to Cleansing Correcting Regulating, ZOPESA | "Maud," which left for Brockville at gives energy and vim to the Brain, Nerves and 7:30 o'clock, and, of course, had a large | the French army, proposed to a peasant number of passengers—about 450. The girl, who, rejected him because he was a trip was immensely enjoyed by all who and get at least one 75 cent Bottle of ZOPESA went upon it. The islands among which the trim little steamer took her sinuous course are now beautifully green, and upon them many are to be seen taking the benefit of fresh air, and enjoying the comforts of a pretty home passed. The girls did much better, 666 and a cozy, cool retreat. The rain, during the afternoon, was unfortunate, but on the whole the showers did not disconcert the excursionists, nor mar

the pleasure which attended the occa. The steamers Hero and Rothsay car. ried about 200 each on a run among tion. the islands, the excellent accommodations of both boats being fully appre-100.000 and fraternising with friends; the balance continued the passage down the river, and returned to their homes at an early hour on the evening profuse in

their praises of what they saw and ex perienced. The complimentary pic nic at Channe. Grove, given for the benefit of the House of Providence, and managed by an energetic Committee of young men, was fair. ly successful. About 800 persons attended it; that number would have been doubled, perhaps trebled, had the weather been more auspicious. As the hour in the afternoon the heavens darkened. great ominous clouds sweeping across the horizon, followed shortly afterwards he was taken to goal. by a downpour of rain. About 700 or The Company have pleasure in announcing or 800 persons had been assembled upon the result of the the boat and Folger & Hanley's wharf. Many of them were kindly given shelter in Folger & Hanley's store house, others that there would be a cessation of the ston for over half a century. He himself 226 for \$386,000 rain, but as it continued, with no promise of a clearance, many returned to here. "Rev. Mr. Warner was a brother 2,346 for \$4,886,165 their homes. About 400 proceeded to Simcoe Island, but half of them declined to alight, Japiter Pluvius being still en. gaged in besprinkling the earth. Half an hour later the sun shone out gloriously, but only for a short time, a daughters, for Milton, there to see old second storm having occurred, driving the few who braved the pic-nic under o'clock was seized with a severe pain difficulties to shelter in Mr. Briggs resi. in the chest and died almost immedence. There were but two races, both diately of heart disease. He was seventy 100 yards' dashes, between James A. Perry and Ed. Hornibrook, and Perry and Stokes, the latter a fleet-footed batteryman. Both contests were very close and exciting, Perry winning each by a few In the first case the prize was a the latter the result of a chailenge, the have taken place, but they were declar

pic-nic, when it is to be hoped that the weather will be more favorable than that of yesterday. Votes of thanks were | vitality from hereditary impulses, or who passed to Mr. Hy. Folger, Mr. T. Hanley, have arrested complete development by Capt. Miller and Mr. Briggs, and those attain robust health, who lie down at night who had contributed to the happiness with a sense of fatigue out of accord with and well being of the pic nicers during the force expended, who rise in the morning the west of recuperation, from the storm. The managers deserve great | the wear and tear of the previous day, will praise for the energetic manner they find WHEELER'S Phosphates and Calisaya against heavy odds.
