Cornwall a number of Highlanders, and ery was done and the better part of the mest egg of the proposed fond.

The revival of Ontario politics has besustained. The fight for the territory and the consequences inevitable. that rightfully belongs to this Pro vace is not in the interest of party but of the whole people. The duty of the electors, therefore, is quite plain.

The telegrams to day from the seat of war are on the one hand assuring, and comfture.

ought to pay their way.

CHRISTIANITY'S GOOD

in the United States over the life of the Dominion elections should occur con late Ralph Waldo Emerson. That deep currently, and now that the result has one easier to write and more eligible theologian, Bishop Huntingdon, of been adverse it is alleged by some that when written. Northern New York, takes the ground he is a Jonah whose casting overboard that Emerson belongs entirely outside | will be a decided benefit to the party the domain of distinctive Christianity . which he presumes to guide. Altogeth principles belonging to universal morali source of great anxiety to our Tory sy, and not distinctively to the gospel friends. or Kingdom of Christ; but yet that he was regarded not only with confidence and admiration but with affection. Not a blemish was ever supposed to disfigure the beauty of his moral life. He was kind to the poor, just to those from whom he differed, patient toward his critics, almost passionless in his purity. and temperate in all things. There upon a journal of free thought exclaims. Dr. Huntington and his associates call, Christianity, what advantages are there in Christianity anyway?" Bishop Huntingdon judges Emerson from a rigid theologian's standpoint, and there fore his estimate is low. But what of his opponents' views? What good thing do they possess that they do not owe to Christianity? What would Emerson ligion of "universal morality" would not have been possible to him for lack | ligion of morality would scarcely be possible in any but a Christian country. because the restraining influence and men reared in centres of Christianity would be quite impossible without the surroundings of Christianity.

INEVITABLE CONSEQUENCES.

A thousand opinions are expressed as | friend. to what Anmirable Seymour and the British Government should have done at and subsequent to the bombardment of Alexandria. It is generally conceded that the former did right in annihilat ing the fortifications when the Arabs were menacingly and defiantly operatevents, and fault is found because ar. | B. Linderman, brought in 22 loaded cars | rangements were not complete before a single ironclad opened fire, to follow up through trip over the line.

army to prevent the anarchy, murder and pillage committed by the Arabs. Of course it is easy to criticise and to Admiral Seymour blundered.
