Conster per Orbem Dicor.

Can any one suggest a reason for the omission to publish in the Canada Ga sette the result of the Kingston election . This return is the only one in Ontario (excepting those of the outlying constituencies the elections in connection with which did not take place untiannouncement has not been made. We only a bully can admire, and the enunderstand that it was sent to Ottawa promptly, and its suppression has been particularly noted. We say suppressed because it would long ago have appeared had the Government not a purpose in holding it back.

The Church Committee, who inquired into the conduct of Rev. Mr. Willoughby, has rendered a decision which we fully about the clergyman being sustained. on the contrary evidence has been forth. coming to show that he is innocent of any impropriety, though by his associa. tion with the case he must suffer not a little in feeling and in reputation. The since then he has triumphed over the course pursued by those who attacked best oarsmen the old world and the Mr. Willoughby, and who would blight new could produce. Hanlan is now the the career of a hitherto successful Chris undisputed champion. He would not A military student at Plymouth, tian worker, has not been creditable, to have been such had he retired from his say the least of it. There never was, profession when advised to do so by a seemingly, any ground for the investiga- piqued and disappointed public. tion, and if there had been such it should have been made a matter for consideration by an official board promptly, not at the close of a couple of years and after the minister and his accusers have, meanwhile, been on the most intimate, terms. We congratulate Mr. Willoughby upon the complete vindication of his character.

high office being thus early inspired by man and somewhat impaired in health. He is not physically in condition to position to again fight the battles of his party, it is believed he "would be im. mensely stronger than any other possible candidate." Tilden's ambition, however, is not so strong as that of some of his friends, who press his nomination upon the people with the belief that they will be given an opportunity to avenge a wrong, i.e., the counting in of Rutherford Hayes when Tilden had a pluranity of votes. The New York Sun , does not consider Tilden a candidate. and it be were the State Democracy would not go solid for him. Tammany is in opposition and will remain there. Kelly's wrath is absolutely meatiable

The excuse of the Porte for mactionthat it did not send troops to Egypt because it was convinced that vigorous measures were avoidable—is absurd and untenable. Anarchy reigned, there was murder and rapine and most disgusting ontrage, the Government of the Khe. dive was ignored and the annihilation of the whole European race threatened. and such being the case outside intervention was forced, not optional. Tur key is acting in a mysterious and some what suspicious manner. Arabi s rebel. lion must be suppressed, if nct by the Sublime Porte then by other powers. The Conference has marked out the line, of action to be followed by the former, and also an alternative. Further delay is not justifiable. Every day spent in fruitless diplomacy is helpful to the rebel chief, whose emissaries are busily engaged in spreading discontent and disorder, and rallying to his side the fanatics who are inspired to wage a religious or rather irreligious war. is well to think that the Sultan has not a hand in plotting against the powers with whom he parleys in an air of of fended dignity, but circumstances point in that direction.

Port Hope has a very sensitive Coun. sellor. He went to the Baptist Church on Sanday evening, expecting to see an in regard to the latter body were prothe minister summoned to Court to an done more than to strongly comment pairs. upon certain public events, demoralizcould not be expected so long as those an Architect. to whom the government of public affairs was committed had no disposition practising as contortionists on this to suppress occurrences of a ques. subject, as well as on the Chatham en tionable nature. The charge was, of gine's front wheels. course, dismissed, but the Magistrate felt tempted to say he "regretted that ministers in many instances were the Council is concerned, because they have not frequently much occasion.

MUSCLE AT DISCOUNT.
