The Most Inscreating Proceedings for Months - A Series of Rows Investigated -Lawyers on their Ear.

To-day the richest scenes for years occurred at the Police Court. There was a large attendance and the witnes in the various cases were piled, ap parently, one on top of the other. Two legal luminaries were on hand and during the tournament had many hot contests. The Magistrate displayed unlimited patience in listening to the chat-

SAMUEL SELF SHOWING HIMSELF. The resolution passed and gentle reminders sent out by the Civie Fathers have evidently urged Mr. Self. pound keeper, to do his duty, as he had a number of cases for adjudication this

John Gray said his horse was out over night on the commons, but the pound keeper found it on King street knew the equine by the way it carried its tail on one side. The horse had been seen on three successive mornings on King street. That settled the matter and a fine of \$2 and costs were imposed. Mr. Gray handed up a \$5 note and order ed his change, remarking to Mr. Self 'I'll fix you, and don't you forget it. He accused the impounder of equines with being partial, having driven stray cattle to the owners residences instead

Patrick Clark said his horses had been coaming about, but it was because he could not secure pasture for them He was fined an amount equal to that imposed upon the last violator of the city

USE OF ABUSIVE LANGUAGE. Mrs. Maretta Navlor was accused ising abusive and indecent language to Self. He said she had called "drunken old loafer" and declared that he has stolen cows in order to secure money with which to buy whiskey. The indecency of the language was not apparent, but it was held to be abusive. Mr Naylor, a mulatto, whose bald head was covered with a skull cap, testified that Islands. The party spent several hours he had beard his wife say she would bind Mr. Self over to keep the peace, and that she wasn't afraid of any soldier. With a demonstration of the hands the witness said he said nothing "condemmifying" in the remarks. Mrs. Naylor was simply asked if she made use of the words alleged by the prosecution. She said she had not. She wanted to address

the Court, but was not permitted to do

FUN FOR THE SPECTATORS. The case of the day next followed. It will go down to history as one of windlest of wordy combats. Ann Rueberry, a resident of William Street, was charged by Sarah Hamilton with having tended, as the cup was a trust one for used abusive language towards her on the evening of July 24th. Mr. E. H. Smythe appeared for the defendant while Mr. R. Shaw prosecuted. A plea Mr. G. C. Curry, of Picton, has been of "not guilty" was set up and all the witnesses were ordered out of the Court Room. The prosecutrix took the stand The Rev. F. W. and Mrs. Kirkpatrick, and related the story. The language used was to the effect that the witness was a cyprian. When the cross-exami Dr. Schultz has returned to Ottawa nation began there was fun. The two counsels and the witness were at dagger's points. The lawvers were continu Mr. and Mrs. J. McIntyre, and Miss ally objecting. Mr. Smythe said his learned friend" was the originator of the disgraceful rows in connection with the Police Court pleadings, and Mr. Shaw observed that if the Court permitted the use of such expression he would say it was a direct and distinct falsehood. He shouted to his now engaged opponent to "sit down," and judged by compete with the railroads.

> appearances a slugging ENCOUNTER WAS IMMINENT At a critical moment the Magistrate leaned over his desk and quieted the men for a moment. Mr. Smythe demanded of the Magistrate "that that man should not interrupt him." another set to the uptown lawyer said his education, as a "rowdyistic counsel, was being perfected, especially since he had heard the defending lawyer tantalize a witness. The scenes continued

to the end of the chapter. The greatest tongue contest was be. tween Mr. Smythe and Mrs. Hamilton. The latter's nerves were continually "annoved by Mr. Pipe," as she called the counsel for the defence. The disciple of Blackstone bluffed the witness, and the witness bluffed him. She refused to tell where she was married, claiming only that Robert Hamilton, since de ce ased, was her husband. Many other questions of a delicate character she refiremen's demonstration would occur suppression. The Chief is giving the fused to answer. With great voluin Richester After enquiry we an cases his earnest consideration and will bility she told of how she caught Mis.

RETTING FIRE TO MRS. ADAIR'S BARN, and explained the way in which she ex tinguished the blaze. She also demon strated the actions of the offending woman in placing shavings upon the burn ing rags saturated with coal oil. Mr Smythe alleged that the whole story was false, that it was an attempt to desaid "by a designing and wicked woman." It was nearly noon before Mrs. Ham-

hope the public will strengthen his liton left the witness stand, considerably exhausted by her combat with the lawver. The other witnesses in the case were then heard. A distinct denial was The Picton Cricket Club returned to given by the defence to the accusation, Kingston at noon and put up at the and even the prosecutrix's witnesses did Burnett House. They said they had not bear out her statements. One beard spent a most enjoyable time. On their Mrs. Hamilton called a liar, but the other arrival at Syracuse they were given a witness heard nothing of the sort. The reception at the Greeneries. On Wed- charge was dismissed. The Court as nesday they played a team of the On- 1:30 o'clock adjourned until 2:80 p.m.

DOMINION EXPIBITION

ments Made-Outer Attractions Spoken Ot-Kingstonians Heady.

of the Piace. The time for the holding of the Do minion Exhibition is near at hand, but the indications are that the arrangements for it will be fully completed in time. The repairs to the Palace build ings are being pushed forward rapidly. Everything will be made safe and substantial. The new buildings will also be ready for the exhibits when the show opens. An abundant supply of water will be furnished in the tanks on the ground without a doubt. The iron pipes will be attached to the hydrant in the vard of the Warden of the Peniten tiary and from there the water will be forced to the exhibition grounds. The horse ring will be very spacious and the pins, Where do they all go to ?

will serve well for the speeding and That "lightning rod agent" of a Na exhibiting of the equines. There is, in panee contemporary, whose letters you dependent of local arrangements, every judication of a big fair, and no doubt Kingsten will be visited by thousands All who come will be heartily welcomed and the best possible eccommodation THE PERMANENT LOCAL ATTRACTIONS. The Penitentiary, which a writer savs is well worth a trip across the continent to see, will be open to visi tors. In the institution there are over 760 convicts, who go about the works

unmanacled and many of them unguard ed. In the quarries gangs of convicts are employed daily, guarded only by a mere handful of men. The Rockwood Asylum, with its hundreds of inmates the largest Locomotive Works in Canada cotton and wollen mills, car works, foor colleges, the many forts and other old historical landmarks should make thi city one of the most interesting in Can ada to spend a week or more in.

TRAVELLING ARRANGEMENTS. Steamers will ply in all directions, and those who desire a day or more on the water can have a choice of routes unequalled in Canada. Excursions usually leave here every day for a voy age amongst the famed Thousand Islesthe cost being but a triffe-25c, or 50c

ANOTHER ATTRACTION. The mines in the rear of the country

can command a day's visit most pleasantly. The vast ore beds are worth seeing by those who have never had that pleasure. The trip over the rail road is in itself romantic.

THE LOCAL EFFORT BEING MADE. Returning to the Exhibition, we are informed that Kingstonians intend ex hibiting to a considerable extent. The prize list lying before us shows that purses of an unusual character will be offered. Let every man who has any thing to exhibit produce the best ho can and then await results. The farmers of the district should also make efforts to bring in their best grain, horses and cattle. They need not fear being greatly overshadowed by the western agriculturists. The prize lists can be secured from F. Elkington, County Clerk, who attends daily at Mr. Isaac Simpson's office.

THE EVENING'S ATTRACTION. During the fair week there will numberless entertainments and amusements. T. J. Herndon has secured a first-class Company in New York to play in the Opera House during the week. another Company. The annual meeting of the Fruit

19th of September in connection with the Exhibition. vince are expected to be very numerous. Good men have the exhibits Canada to this city will be very low. The propellers and steamers will suc-

MARINE NEWS.

Arrival of Excursionists Cruising on the Miver-The Shortage Question The tug Champion did not get away vesterday, as expected, but to-day

The yacht Guinevevie, of Toronto, which has been cruising for several days among the Thousand Islands, reached

the city to day on her way to the Queen The schr. Watertown, Toledo, 21,000 ush. wheat, and the W. T. Greenwood spirometers and medicines. Physicians Toronto, 19,500 bush, wheat, have ar ived at the Montreal Transportation

The tug Glide reached the city last evening from Oswego with two barges sarrying 1,200 tons coal, and left for Montreal with barges carrying 40,000 bush. wheat. The Magnet took 150 passengers down

ompany's wharf.

the river this morning. They composed Brearley's third excursion party from Detroit. The Magnet resumes her trips to Oswego and Rochester on Sunday The schr. Jessie Scarth, from Toledo,

20,000 bushels of wheat, and the schr W. H. Oades, from the same port, with 0.000 bushels wheat, have arrived at The shortage fever has extended to Montreal. One merchant there declares that the Americans threaten to treat

Canadians, engaged in the barley trade, as they are being treated in the wheat trade. Tit for tat, you know. A writer in the Mail points out that the schr. Emma L. Coyne, by clearing from Chicago for Cape Vincent, and coming to Kingston, evaded a tonnage

tax of \$150. By this arrangement

American vessels have a great advantage over those of Canadian build. A Customs official points out that the shortage allowance is at the rate of one bushel to every thousand, a schedule originally proposed by the forwarders. Patrick Rueberry was charged with a He says that but few vessels run over the special 20 bushel limit; that with-

The Chicago Inter Ocean calls the St. Lawrence "the Robbers' Route, "owing to Several other cases were preceeding the shortage imposition. The thieving originates at the Chicago end of the trip. Think of the O. M. Bond for instance, -784 bushels short, and the mistake traced to the elevator company in that

HARROWSMITH HAPPENINGS. Bosy Harvest-Late Village Improvements-Reflection on the Piety

Regular Correspondence. At this time, jast here, like most other country villages, business seems to be quiet. Harvesting seems to close. ly engage the farmer, and from present indications, crops being generally good, and an active foreign market in prospect he may well smile. It is truly astonishing the number of reapers and mowers disposed of in this place within two months. Dozens upon dezens have passed through our streets on farmers' waggons. In view of the large supply previously in the hands of the farmers. one would naturally enough be led to enquire about them, as folks do about

copy, has made some observations correctly enough touching this burgh and its belongings. If our salies are especially active at work and uncommonly hand some, though not quite as tony as those of Sydenham, we promise not to be a particle jealous, only remarking that there is no mistaking the compliment paid to the Sydenham ladies. Wonder if the "agent" noticed the painting and polishing that the principal houses Harrowamith have undergone. S. Stewart led off in that direction prompt ly followed by his brother and Dr. Day while last but not least in the line of provement has been the touching up o the C. M. parsonage. The present occupant, Rev. Mr. Peck, had hardly got fairly settled when he discovered a lack of light, in the upper apartments of h nouse I mean, and so almost instantly nechanic supplied a dormer window. This, with a new coat of paint, has give a freshness and finish to the building

that really looks like taste and progress But the agent further affirms that some are Methodists and some Presby terians. So far right; but next he is all wrong when he affirms that a large percentage lean towards Joe Bower's This is equivalent to saying that a

large share of our population are in to igious matters indifferentists. Now the very reverse of that is the case, for a more thoroughly church going people according to numbers, cannot be found in Ontario, nor the wide Dominion, and even those that do not belong to the leading sects here have as well under stood and as clearly defined views in theological matters as any people in the land. Harrowsmith has her full quota of theoretical religionists, and is not by any means destitute of practical, every day piety

Don't Cat the Trees

We thought that the cutting away of shade trees ceased last year with the outery then made over this breach of now law on the statute book. But ap parently the outrageous work is being followed up this year, and great sec tions have consequently been cut out of trees for the passage of the wires This work goes on in spite of the manifest duty of the police to prevent They would very promptly report cial line of Navy Flannels suitable for bathing | When you require Dry Goods don't fail to call purposes. In Colored bilks we are showing a | and see the New Goods at the New Store. person for tearing up a sidewalk or disfiguring the City Hall, but the trees also the property as they ought to be The City Hall has also been secured for the pride of the corporation, rarely take their juterest.

The worst sinner however, is the corporation itself. In a spirit of penury it erected its fire slarm circuit upon low poles and consequently the wires The exhibits from the Maritime Fro- strike into the middle of the trees. And the repairer going around year after year does more damage to the looks of the in charge. The fare from all parts of city than three new sets of high poles

every year would balance. Each property holder should take as interest in the tree in front of his place. and when anyone mutilates it have him prosecuted for it The law makes conviction and punishment easy

Austher Notable Visit

Recently in Toronto, at 75 Youve At over 500 physicians and sufferers visited Dr. M. Souvielle, of Paris, and ex Aide having a tow of ten barges, carrying Surgeon of the French army, using his 175,000 bush, of wheat and 1,200 tons of | wonderful instrument, the spirometer for the cure of catarrh, bronchitis, asth ma, and all throat and long diseases The Doctor or one of his surgeous from the International Throat and Lung In stitute, 75 Youge street, Toronto, or 13 Philips Square, Montrea!, offices in Can da, will be at the City Hotel, Kingston, on July 31st, Aug. 1st, 2nd, 3rd, 4th and 5th, and will have with him a supply of
