### CITY AND VICINITY.

and very warm weather, possibly a few wht showers.

Go to the M. E. Church Sunday School ole nic on Monday afternoon. The boat le even at 2 o'clock. Ticketa 15c.

NHEALTHY ROOM .- When the Police ourt room is crowded its lack of vent ation is very apparent. Even with the loors and windows open the air is very nuhealthy sometimes positively sicken-

FACTORY BURNED. - At Tamworth reveal by fire vesterday. There was he loss is about \$6,000 on building, there. Comfort, eb nachinery, and stock. The hre caught the roof accidentally.

A LARGE AUDIENCE. - Hundreds promenaded in the City Park last evening while the band of "B" Battery rendered a choice programme of music. The most popular piece was "La Mascotte," the eatch ng airs of which are as much ad-

LETTER DROPS - The public will have a dien letter drops in their doors in other not to detain the letter carriers when the free postal delivery is inau gurated. The drops will cost from 1 cont. to \$1 each. "You pays your money and you takes your choice.'

PUT A STOP TO. - The Magistrate has annonuced his determination to put a stop to the disputes between lawyers in his court. They are unnecessary and only retard the progress of cases. The time wastel in banter causes the sessions of the court to be unluly pro

Bo very cheap that we cannot afford to A St Falls Spraken -Col Bain's this port. put prizes in a pound package as the so location at the Thousand Island Park, Tues lay evening, "A Trip to the Gold en Gate, is in a literary sense, a luxury which those who like to hear good speaking should not miss. Those who go on the Congregational excursion can hear the Colonel.

> ANOTHER ANNOUNCEMENT .- The Wil hamsville Canada Methodist Sunday School anticipate an enjoyable time at their annual pic nic at Channel Grove on Thursday next. Beside the usual amusements the intention is to have balloon ascensions on leaving the island and nearing the ferry in the evening.

REMOVED TO KINGSTON .- The Government official who will have charge of the removal of the shoals in the Kingston harbor has arrived, accompanied by his assistant. They will reside here while the work continues. The sheals pic-nic of St. Vincent de Paul Society will be blown up by dynamite. The Engineers have moved their families to hingston.

VIIAL STATISTICS .- During July the following were the vital statistics recorded at the City Registrar's office Births, 16; Marriages, 5; Deaths These returns are very meagre. Unless more attention is paid to registration

the clerk will find it incumbent upon him to summon before the Police Magistrate the offending persons. POLICE COURT, SATURDAY. - James NEW GOODS COMING DAILY TO HAND | Wilson, of Cornwall, and Hugh Donnelly of algebrasburgh, were vesterday over

come by the heat and bad whiskey, find ing a resting place in the police station. Their incarceration and roast in the cells was deemed sufficient punishment. The search warrant case against Isaac David was adjourned.

Irs HER HORBY. - Some days ago women named Haslip, of Oswego, wanted the police to help her find her daughter, who, she said, was in a disorderly house. A police officer went where she directed but failed to find the missing person. Now it turns out that she has no children, but seems possessed of an uncontrollable desire to rescue fallen

CONSULAR AGENCY. - Col. Twitchel. United States Consul here, offered the agency at Napanee to an American, who declined it, not wishing to live in that town. It is understood that Mr. A. L. Morden has received the appointment p trust for Miss Clapp, who will perform the duties. She is fully competent. having conducted most of the work for the late Mr. Detlor.

Lacrosse News .- It is thought that the Maitlands, of foronto, will have match with the Earls on the civic holiday in this city. The Toronto players will be welcomed, and they may depend on not being called "roughs." We are informed that the Belleville papers will be asked to apologise for the slanders of the Earls. The matter has been placed in the hands of Mr. T. H. McGuire, who will commence an action if the amende In fighting a home battle for the transhonorable is not made.

MISCARKIAGE OF MAILS .- This morning many merchants were disappointed in not receiving their letters from Montreal, the bags having passed westward in error. On Thursday a similar circumstance occurred, and last week mails from the East were "lost" for two days. The Post Office Inspector has been asked to investigate the matter, as the miscarriage may involve serious loss and

inconvenience to Kingstonians.

WHAT'S THE NEWS ?

and General Interest Gomip that . Hendable.

City Council meeting on Monday even

The Collector has been paid \$1,000 of the city's taxes. This is going to be a great season for sourkrant. Plenty of cabbage.

The Post Office clerks are having three weeks' holidays this year. You may fret all you like, but you must admit that this is Vennor's cool August.

The public would like to know what Vennor calls cool weather. If this is his cool spell ?

vesterday, printed a fierce article against The Assessor is hard at work figuring

up the value of the real and personal property of this city Some of the merchants are brightening up their store fronts with paint.

More should follow suit. PROBS - Light, variable winds, fair Mrs. Milne, charged with keeping a disorderly house, has had her case ad journed for a week.

The Napanee merchants think that barley will fetch no more than 65c. 70c. this year. The market may open

ed to arrive by the incoming mail steam The proprietors of Ryan & Robinson's circas, when served with seizure, capias, etc., promptly settled up and were al-

lowed to go free. There are upwards of twenty Kingstonians rusticating at Old Orchard

Nine Mile Point. There are many Americans fishing there and enjoying themselves immensely

The cow that dropped into the water at the ferry whar! on Thursday has either strayed or been stolen from Beau pre's vard. It was missed yesterday.

The was a big row in Shaw's yard last evening between a man and wife. They were entangling each other's hair when a policeman appeared and separated Water, vn was also excited on Thurs.

day evening over a night blooming Cereus. The sight occurred at Benjamin Babcock's, and four flowers were John Grant, formerly in the employ

ment of Messrs. Rathbun, has discovered a seemingly rich deposit of phosphate on lot 8, in the 15th concession of The Globe takes back part of what

the sidewalks is steadily rising. Gentlemen of the Council, have pity upon your The estates of the late Hon. E.G. Penny and Andrew Wilson will be offered for sale by auction at Moutreal, on

Wednesday at 11 o'clock. A splendid opportunity for investment is offered. The Eagle in vesterday's issue said "Come to Cape Vincent for pure air and lots of tun." A good many went over by the Maud this afternoon. We hope Dr. Wood has not been fooling our

Mr. John A. McMahon, who has been on an extended trip through the Province of Manitoba, will return to the city on Tuesday or Wednesday next in order to complete the arrangements for the great of which he is President, on the civic holiday.

The yacht lone, from Alexandria Bay, and the yacht Belle, from Ottawa, called here last evening, the latter on her annual cruise.

Mr. H. H. Warner has just arrived at Alexandria Bay. He has abandoned his trip through the lakes, and, it being so late in the season, will not occupy his cottage, but will cruise about with his vacht the Siesta.

There is a feeling that a good regatta can be had here this fall. Many are willing to assist in getting it up, but will not take the initiative. The local vachtsmen are anxious for a brush of their boats with foreign flyers.

The yachts of the New York Yacht Club have started from Glen Cove on their annual cruise, making for New London. Twenty-three schooner yachts, twelve sloops, and ten steam yachts compose the squadron. The crafts total

over 10,000 tons. There is every prospect of an excellent entry for the first class race in the proposed regatta on 25th at Belleville. The Cygnet, of Toronto, will enter, also the Gen. Garfield, of Kingston. The entry of the Aileen and Oriole is certain provided a course with not less than 9 ft. of water is laid out. This can easily

be done on Big Bay. A Common Occurrence

"Eh!" said Mr. McGuffin last evening as he sat reading the WHIG, "a night blooming cereus drew a big crowd! don't have to go far to see such things. All I got to do is to look at Mr. ----nose. I - the best night blooming cereus I ever saw. It don't bloom only once, but all the time. I wish to goodness it would only show up once in three years." After making the above observation the old man continued to read about more serious subjects.

Is the Charge Correct !

Is it true that two shortages at Portsmouth elevator were rectified at Mon treal by finding the cargoes nearly correct, according to the lake bill of lading? portation companies we are met with this charge. We should like to hear a

penial of the report. New Water Supply.

The Locomotive and Engine Company's Directors to day decided to lay a pipe from the harbor to the front of their premise on Ontario stree, and through a hydrant supply the people of that locality who have hitherto drawn water from the slip at the foot of Earl street, soon to be closed in.

MARINE NEWS. for the Sharinge but the Buty Objected to Denth at bouth May-A Steam-

There wasn't enough breeze this morning to blow a skiff across the lake. The prop. Lake Ontario is loading 300 rails for Hamilton. She will have about

The observations taken by Mr The tug towed some vessels to Cape Knight showed the heat to be at 11 p.m. Vincent to report. Here her clearance | 78°. At no time during the night did papers, which were for Oswego, were taken. The tug then left for Hamilton, then Oswego. The matter will be ar-

ranged in a few days. It is not the shortage that Captain complain about, but the duty on shortage The matter has long been venti lated and yet the Hon. Mackenzie Bowell manifests no disposition to apply a remedy. Ten days ago he promised to make a change in the regulations. Upon this decisions depends very much whether Kingston gets much of the fall

grain from Chicago and Toledo. The death is announced at South Bay of one who has long been connected with shipping. We refer to Mr. William Cooper, who, for many years had been a subscriber to the Whie in order to get the harbor and lake news. He was about to undergo the operation of lithotomy by Dr. Fenwick, of Montreal, but on Saturday while reading the paper suddenly expired of heart disease. He was aged 60 years. He and his brother James had been in business as merchants, shippers and farmers at South Bay for many years, and accumulated considerable

means. Neither was married. Pur-ult of Elepore.

A detective from Scotland Yard London, Eng., was in the city to day in pursuit of an eloping party. Both the clopers are married. They were traced to Ottawa and the trail then lost. Subsequently it was learned that they came to Kingston by the Gipsy. that on Thursday evening they left by the mail boat for Toronto. The detec tive baving got on the scent again came here and telegraphed to Toronto in the hope of heading them off.

An Attractive Opening. The lecture at the camp ground Tuesday, which the excursionists by the mand will all attend, is to be a very fine one judging by Col. Bain's reputation as an orator. One paper says that in his addresses in humour he is above Mark Twain ; in oratory equal to Wendell Phillips and in poetic description is unsurpassed. The Congregational Church excursion is, therefore, worth bearing in mind.

Prince Edward Election Protest,

It is stated that Mr. McCuaig will not proceed with the election protest against Dr. Platt. He has been given to under stand that if a new election is held will not be the Conservative candidate. and he is not disposed to put up \$1,000 and go to a good deal of expense and trouble without there being the slightest chance of his being benefitted personally Another Testimental.

P. Fitsgerald, Belleville, at whose ed husband is a Free Methodist mini hotel many of the Kingston excursionster, located in Kapsas. ists stopped on Monday last, says the visitors conducted themselves well. They were quiet and gave not the least

offence. He adds: "I think it is very unfair to stigmatise a whole party as blackguards and ruffians because a few may have been noisy and troublesome." Barresting the Grain

weight. Next week farm labor will be tended by a physician on board. of Frontensc.

A SCORCHING HEAT. Mercury Near the Top of the Thermon ter-The People Suffer Terribly-

The Indications.

"This is the sort of weather,"

marked a perspiring citizen on Thursday, "that makes a fellow feel that he would be uncomfortably dressed with an umbrella and handkerchief." It had been warm all week, but now not breath of wind stirred, and the sun's rays fairly broiled humanity. The air The Dominion Government having ap- became hot and oppressive and men moved about languidly as if is was a the Napanee River work has been be- burden to live. The water in the har bor was placed and warm. Not a sail This morning the dock laborers struck flapped in the breeze, because there was not a breeze to flap it. Men and women hugged the shady side of the streets, but still onfied like steam en gines. From 87° the thermometer mounted up and up, until one would imagine the mercury would reach the top and turn ever. On one instrument which was in a heavy box, the needie

got away up to 90°. It was bot, AND WAS GETTING HOTTER. At a register in the sun the mercury marked 112 °. As the sun declined the heat did not abate, and there was great suffering. Perspiration stood out in little round beads on men's heads, or chased each other down their spinal

HOW THE PEOPLE FELT. Fat men moped their brows and walk ed around in their shirt sleeves, afraid of becoming asphaxiated if they sat down. Thin people groaned and in the evening sat outside. Others talked about the hot spell and grew red in the face as they dilated on the subject. In the Meteorological Observatory the degrees of heat at 11 p.m. were indicated

season. By a slowly retreating process

the thermometer got down to 71°, the

THE HEAT OF YESTERDAY. The temperature yesterday seemed to be cooler, but in reality it was hotter. The thermometer at the Meteor

ological Office registered 87° in the shade-a double shade-on Thursday vesterday 90 ° were attained.

LAST NIGHT AND TO-DAY'S FEELING Last night was but a repetition of the previous one in so far as the heat was concerned. People got out of their houses upon the sidewalks and fanned Early in the evening many felt that the The Dominion Wrecking Company rain prophesied by 'Old Probs' was ever sent from Kingston has been ship face of fair Luna was as red when she ped by mail boat for the job.
