Her brother, Moukattan, where he is constructing he is interested in proceedings calculat for agencies like the Times to strain the Charles Reynolds, has been in the peni- formidable earthworks. He has 6,000 ed to amnoy—they certainly cannot in elasticity within which we live and move tentiary, and on Saturday the Sheriff men at Cairo and several thousand jure—the most popular Liberal in the and have our being. On the point | Of Tarrytown was looking for him at camped outside the city close to the city, and, to cap the climax, the Mail that the Canadians do not understand Tarrytown on account of a new there a regiment of black troops, and a large insultingly informs you that you are the Irish, Mr. Huntingdon speaks against him. A quarter of a mile from number of the same troops are within nobodies and powerless to resist the plainly. Irish difficulties, he observes. the house an axe was found covered reach in case of necessity. Arabi has Tory tidal wave. The Ministerial or have not been confined to Ireland. with blood and grey hairs. A shirt, an Italian and four Germans on his gan may have reason to change its mind Femanism hovers all along our borders. so far as the Kingston vote is concerned and sometimes displays itself in at after the election, which public opinion tacks at least more serious than any this farm another shirt was found, toru now says will occur next spring.

Tie Belleville Untario and Otiawil fire should be fought with fire, that S. | Imperia! growth. In concluding Mr. John resorted to improper expedients to Huntingdon remarks: embarrass the Liberals, and now tha own precedents and tactics should be a adopted to compass his defeat. We are of the opinion that the Tories, led ever by the veteran Premier, can be routed without resort to any questionable means without at least a horizonanier such as was employed in June last to elect . majority of supporters of the Federal Government in Optario. Mr. Mowat is a at liberty to readjust two or three encies for no other than a party pur, principle, and still oppose it, the more, so since we believe it to be undecessary. The bluster of the Conservative party is not alarming. It and its organ in 1878 ] were as noisy as they are now. They howled, "Mr. Mowat must go," and yet, he remained in office, by the overwhelming vote of the people, and ruled in a way that must command the support, of the great majority when an appear is made to them.

#### PROGRESS OF THE WAR.

to a standstill in an unexpected way. peated to morrow did occasion require pers by Dr. Edward Eggleston on "Life Soperfect were the preliminary arrange- it. ments for war that neither hitch nor delay was anticipated, and the excellence of the service was still further assured when the Commander in Chief predicted that the campaign would be a short one-that probably within Sty. days he would have stamped out the ward. The Kassassin victory was very brilliant, but Wolseley has been unable to follow it up in consequence of the wretched condition of the transport Bervice; his force, concentrated between Tel-el-Mahoutah and Kassassin, cannot safely advance upon Telel hebir until British front and flank, and to do so bas despatched a contingent of his army to Karaim, eight miles from Tel-el kebir, and a second to Salahieh, turther north. and connected with the railway landing to Zazagig. Arabi in this manceuvr has certainly a very numerous following. as many as four to one under the command of Wolseley; but in discipline, |. Egyptians are very deficient. It is pos Wolseley. Sir Garnet has the war car respondents well in hand, his press censorship is most critical, and we may be t led to surmise results the reverse o those upon which calculations are bein. that attending the seizure of the Suez canal and change in the base of opera tions. Strategy and skill are Wolseley's hope, and so far they have served him.

### A CANDID OPINION.
