gan auxely did not expect Mr. White to publish a summary of his expenditore of moneys for illegal and corrupt purposes? Such has not been the practice in any county and in the case of any candidate. John White has been through which the courts cannot object. In 1878 steamer on these waters. Sir John Macdonald in this city was At Gananoque, which was reached Police Magistrate committed the sismuch they spent.

Referring to a paragraph, appearing in an eastern paper and reflecting upon the Marquis of Lorne's personal appearance. the Ottawa Citizen observes . The fore going is a specimen of Radical vulgarity. which is a disgrace to the purnal indulging in II. Now what has Radica. lism to do with the indiscretions of anv man ! It does not affect one's manners or merals any more than that Toryism which the Citizen is free to characterize as pure, and applaud and defend and champion without stint. should not, however, msimuate that those who believe in a different doc trine are of the common herd and not | to be trusted. If one be impolite or discourteous the whole party with which he may be politically in sympathy should not be insulted, and the journal, which does so brings discredit upon itself, and contemporaries. In both the Liberal and Conservative ranks there are honourable men. We don't believe every Tory is a bad man, and the Citizen will. we presume, admit that there are some Liberals entitled to run at large. Out both sides, though, there are contempticompromising. When these fall from grace must the good go with them? Rather let us in politics as in religion judge every man according to his merits. and forbid that his errors and wrongs should be laid upon the cause he espous Mowat's friends by calling them bailiffs. bummers and blazers.

The Intelligencer hopes the Conservative Convention will make a declaration that the Conservative party will abolish the irresponsibles (the Police Commissioners) if they succeed in the general election. Our contemporary is very complimentary to the Mayors. County Judges and Police Magistrates general. ly. Each of them is supposed to have some merit, some qualificat. in for the office whose functions he discharges and each in turn, in acting as a super visor and governor of the police force. has but one object to achieve, the promotion of the public interests. The Mayor, as Chairman of the Board, is responsible to the Council and the people; the Judge and Pelice Magistrate to the Cominion and Provincial Governments respectively. Belleville as well as l Kingston could have in the past restored the management of the police ; forces to the Courcils, their populations ! not having reached 15,000, but neither 1 took advantage of what was its privilege, and it is a matter for congratulation that it did not. Had either done so its experience would undoubt . edly have been that of an eastern mu nicipality which found the change a, retrogressive act, and one fraught with the most unsatisfactory consequences. Police discipline can best be maintained and justice most effectively administer ed under the existing condition of affairs. A change is not desired but by l Tory demagogues, who call the Local | House a side show, but who are moving t beaven and earth in order to get control of it. The people will think twice be fore they remove the Mowat Government, and install those who would sweep aside the reforms of the past a fifteen years and rule Ontario for the good of the law rather than that of the greatest number.

"The Kingston authorities have or ders from Ottawa to take no notice whatever of shortages, which do no amount to more than one bushel in a thousand, and not'even to require the Captain's affidavit in these cases. Some of our grain shippers and forwarders are talking of addressing a memorial to the Minister of Customs, thanking him for the energy with which he has set about remedying this evil."- Star.

lations respecting one bushel shortages Such, we believe, to have been a local arrangement, which has been covered and at the same time extinguished it an order that authorises the Collec tor of Customs to exempt from duty any deficiency upon the carrier making an affidavit that the cargo has not been shipment and that of delivery. It perhaps fitting that the shippers and ell for his application of a remedy to a Kingston was reached shortly after long felt and grievous evil, but they a.m. should not forget the press, which persistently and vigorously impressed upon che Government the necessity of action | scarfs, fine shirts, flannel shirts, collars, in the premises. Agitation in regard &c., is at Hardy & Murray's.

o the shortage question having been so are encouraged to continue their exposure of imposition by Welland Canal tugmen, to which the Wais was the first to call attention. What about the amounted to \$46.89, is constrained to lished by well known mariners and Chief of Police had ordered the Coulter remark: "If he bribed with what re- capitalists unless a medification occur. girls to leave the city, or suffer arrest. mained of the \$46.89, after he had paid red in the canal charges?
