THERE is no doubt about it, that Dr. Van Buren's Kidney Cure is the only known remedy that science has bestowed upon mankind that will positively cure kidney diseases. Ask your druggist for it.

A BEAUTIFUL head of hair. There is noth ing more pleasing in the external appearance of women or men than a beautiful head of hair, and it is possible for every person to possess it by using the long and well known Cingalese Hair Restorer. at 50 cents per bottle by all druggists.

PROCEEDINGS DELAYED. - Hon. J. H. Eastern train, this afternoon, the open ing of the Dominion Exhibition was elayed in consequence.

What promues to become a genera revolution in the matter of lighting is an accomplished fact in the lower part of New York, where thousands of electric lamps are in use in newspaper offices,

etc. Preparations were in progress year and a half before the lighting ! came partially practicable. Mr. Edison is the presiding genius in the supply of illumination, which is either supplied directly from the works owned by the Edison Company, or from machinery supplied by them to individual firms who prefer to own their proper sources of supply. At the present time, excluding the mission work. these, many buildings in the area bounded by Spruce, Wall, Nassau and Pearl streets are nightly aglow with the soft, steady, mellow and pleasant light incandescent lamps. It is expected that, in a short time, electric moters instead of steam, will be used in the production of the current in all cases where great power is required.

The Conservative party have been Those who prepared the Manitoba given an opportunity to bring out the eight strong men of whose candidature in the bye elections, the country has heard so much. The vacancies in the Legis lature are South Bruce, South Essex, Glengarry, West Hastings, Muskoka, North Renfrew, East Simcoe and South Waterloo, the Local representatives of which resigned to run for the House of Commons, six of them successfully The Tories in bringing out great guns la our under the impression that they can assistants soon moved all goods that win a majority perhaps all of the seats Liberals don't think they can and opinion will differ until the two political putties test their strength at the polls. tures wiping and a many were required fine Opposition have formulated their ed List night the Biron & platform, but it is a singularly weak company, lording one goods to be one, and not likely to find much favour exhibit however, will still be made : cause Mr. Mowat and his colleagues are disposed to hold office. The membors of the Ontario Government are not becoming rich, they are not selling the ublic trusts for filthy lucre, as some diticians have been known to do, and is because of this that the people are isposed to sustain them. Their reelection is beyond a doubt

A TERRIPLE DISASTER.

Public feeling is again harrowed by news from the Georgian Eay in which a propeller has gone down and in every congregation within the Pr. s. | nearly a hundred persons met a watery bytery towards it, so that the breth in banded, and the Council of Ministers grave.
