MOWAT WON'T GO.

The Premier of this Province t keystone in the great arch of Confedera tion-cannot feel depressed in conse quence of the elections of yesterday.

Companyou it was thought that the La rout.

the eight strong men who had been \$5,000 daily. chosen to champion the Conservative. The law of our country should be a cause were not forthcoming, and the sufficient protection against crime, but poer trembling Grits plucked up courage people seem by nature to be so con-As time progressed the outlook because stituted that they like best that brighter. The opinion was then enter | which they are prohibited to in tained that perhaps after all the friends dulge in. The liquor traffic is forbidof an honest Administration might at denon Sunday and yet some then con least retain the seats they had.

Last night the News candidly admit ted the improbability of defeating the Grits, but it would be disappointed ! the majorities obtained at the last elec tion were not reduced. The returns pleasantly surprised the Liberals of this city and proved a sad disappoint ment to that element whose leaders think that they only are qualified to act as legislators, and that the rulers of the Province are unsanctified animals with very long cars. Two of the con st suencies which the forms expected to carry will now be represented by advanced Liberals South Lusex and Amherstburg Echo He is a pormulist elected to the Cam nonsin June but for dest. a wretched gerryman lering of the rid ing. Mr. Rayside, M.P.P. for tileugir ry, is a most intelligent man, and will worthily represent the old Stalwart county in the Legislature. We regret ! the defeat of Mr. Lee in West Hastings. but we attribute it to local causes. chiefly to the fact that he was not the best man the party could have put in the field. Simcoe has a capital representative in Mr. Charles Drury, of Crown Hill, well known here as the President of the Arts and Agricultural Society. He is a fluent and polished speaker. The majorities of Mr O Con nor, in South Bruce, and Mr. Masters. in South Waterloo, indicate their popularity and the easy victory they achieved. Mr. McAllister, of North Renfrew, is a Conservative, but he was

Despite the fearful thrashing the To ries have received they would be muconsistent and lacking in nervedid they cease to call for the Governmen's resig nation. The Mail's persistent and in sulting howls of "Mr. Mowat must go" have had very little effect, however. It is singular that donkeys should be at windows, trees, street lamps and fruit tending to the affairs of the country fire the objects of their wanton, lawles. while so many great men are out of oc cupation, but the people say they want that sort of thing and the people are supreme

LIZAU.

SIPPRESSION OF VILE

The purity of youth is to be main. ouse, and agitated by monsters of their mischief. hideous and polluting remembrance is a excuse. dammed spot that will not out.

So writes the Rev Dr. Buckley, in The North American Review, New York. in a very interesting article in commen dation of the Society for the Suppression; of Vice, into whose operations we thin looked in order to understand the mains adopted elsewhere to che k juyemlecriminality of which there is a great increase. In this city the depravity of "our ! boys gives serious concern to those who desire to see the condition of the people improved morally as well as play mically and financially. The offeaces of many are to be directly traced to a lax ity in home discipline, to indifferent teaching and bad example: but despite | be made every year to bring ten or twenty the strictest domestic discipline in some | thousand visitors here. A very strong | English barrister. Arabi's principal cases there is an impurity to counteract which various expedients are suggested even the establishment of Industrial

Schools.

York he was astonished to find that many of his associates had been ruined | tion could have the Fair Grounds open by permicious reading, that some had been | for the week and notwithstanding the arrested for peculation and others for gambling. On investigation he discovered that there was a large business carried on to corrupt and destroy the morals o' the young: that there were 165 bookof the vilest character published in New York and Brooklyn, and 4,000 persons engaged in distributing them. An asso cistion was formed to suppress the tradiits object being to procure the enact ment of good laws against crime an have them vigorously enforce i. general practice has been to order the illicit publications and other articles l letter, precisely as the party advertis ing directs, then to prosecute the deal ers. The result has been astcunding. The plates for one hundred and sixty been perhaps better entertained - Yours. ave obscene books have been seized and destroyed; every photograph gallery and other establishment where obscene pictures or indecent articles were manufactured has been closed and the s ock confiscated; upwards of six bundred and fifty persons have been arrested; nine lotteries, claiming an ag- alt, but give the Little Giant tailor shop down travelled five hundred miles in gregate of \$10,000,000 per annum, have a call.

been closed; more than one hundred policy and gambling places have been suspended; several of the indecent newspapers have been suppressed; over sixty abortiomists have been arrested. and all but a few convicted; some \$63,-931 in fines have been paid into the public treasury; \$50,900 in bail bonds forfeited; and since Jan. 1, 1882, eightyseven persons have been imprisoned. All this, and more, too, has been done at an expense of \$7,000 per annum. raised by private contributions. Ciam biling is the baue of the age. It was stopped in the great metropolis in con-The Government had been so violently | sequence of the opposing action of the assailed and threatened, such were the Public Prosecutor, but little technicali despicable combinations for ned to defeat | ties arose, then professional politicianthe Ministerial candidates, that different stapped between the granblers and jusalter than those recorded were san tice, the latter was not only bin in guinely experted.
