VOL. LI.

KINGSTON, CANADA, MONDAY, NOVEMBER 13, 1882.

The sumacs wave their scarlet plumes. With conscious pomp and pride ;

And asters, royal purple dyed. A brilliant pageant, far and wide, The marshy meadows show With golden flowers of every shape,

The gentians lift their azure heads

Their breasts are all aglow. The brakes, where late their feathery

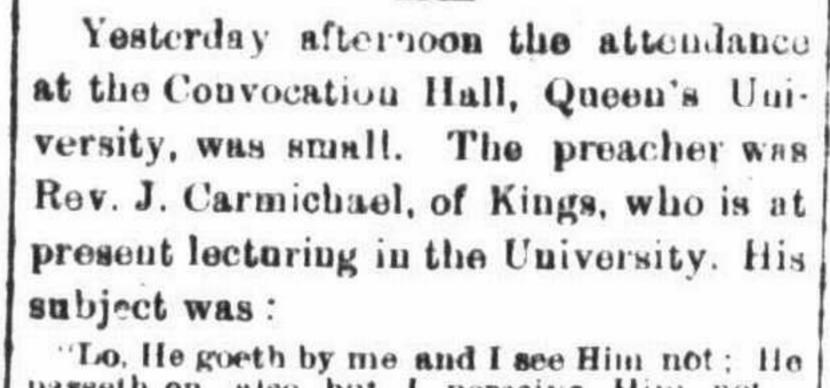

Each passing breeze caressed, With modest russet now are clad, As if in sorrow dressed. Decay and death are in the air;

But nature kind spreads fairest fall, With changing tints the dying wood FURS held in this city. Throws brightest glory over all. Round empty nests the falling leaves Ladies' Astrachan Jackets.

Are fain to weave a beauteous wreath An I round the lone deserted spot, The zephyr sighs with softest breath. At night the moon shines bright and clear The winds now whispering rise and fall The white mists rise with shadowy forms, And calm night reigneth over all.

AN OWNIPRESENT GOD. Clark Wright & Son,

Mev J. Curmichael, the College Preacher, Teils Man tood Was Regarded Centuries Ago, Yesterday afternoon the attendance

passeth on also, but I perceive Him not In this chapter Job replies to the ad does not pervert what is right. Cerright. It is right because God does it. right and good; and if any one of them man could for a single moment maintain that he himself was right if his way redeemed us from the curse of the was in opposition to God. If God should broken law and the bondage of sin and be willing to enter into controversy with corruption. God has been revealed to man He would not be able to answer him or give him any information on one of a thousand subjects brought into very presence of God and shows us our poor creature of a day cannot stand be- kingdom, our crown are not here. God

Job then follows with a magnificent description of the great power of God in the 5th to the 10th verses of the chapter. These mighty saints of ages long States. ago had far more knowledge of God and -B-A-Z-A-A-R of His works and ways than we are wont to believe. The
