there is talk in western contemporaries, test. but the people are in a very resentful mood and must politically fly in the face of those whose misrule tends to affect them in a private and public sense. forced to stop competition with the Paci. The schooner Erie Stewart delivered a The Government say that they are fic Syndicate, that Parliament gave this | cargo of 16,000 bushels of wheat to the Company privileges upon which they can allow no infringement. The present difficulty was forseen, but it was treated lightly by the Government. When it was contended that a wrong was being done in committing the railroad interests of the Great North West to the bender mercy of monopolists, Sir John said the idea was absurd, that the pro grees of Manitoba could not be checked by federal interterence. He may learn ere long that his words have had a pro photic maport. Manitoba is greatly agitated. Meetings have been held in various places, the disallowance question discussed, and the action of the Dominion Government indignantly condemned. Reviewing the situation the Winnipeg Sun observes :

"We, as a people, are confronted with of the thousands of settlers who have free people and a law abiding people. But we shall bow our necks to no law that is not just and right. On the con pression, and discharge the responsibilities that rest upon us as the pioneers of civilization and progress in the North West by a determined rally round the panner of liberty."

medern John Falstaff said : "The Gov. hingston road." erament of Manitoba believe they have the right to charter lines down to the boundary, and have done so, and will do so. The Emerson & North Western road will be built. It will go right on, again as a fighter. New this is a misand if the Federal Government disal. take, for no one disputes his profeslow the charter then I intend to call sional character in that line, and he BER." the Legislature tegether and re enact | may not always escape the Court of it, and we will re-court it every time Queen's Bench as be did when he set carn his salt at the law, (in which nearthe Federal Government disallow it." thed the Ferris assault case last year. ly all who venture manage to succeed ject was murdered here by a native Will he be equal to the occasion?
