REVENUE PAY.

It never pays to free and grow! When fortune smiles on you, And strikes the braver blow, Your luck is work, And those who shirk Should not lament their doom. But yield the play, And clear the way, That better men have room.

It never pays to wreck the health in drugging after pain, And he who would who think that pill is quackery, should with pain, A humble lot, A cozy cot, Have tempted even kings - For station high, That wealth will buy, Not off contentment brings.

It never pays: A blunt refrain, Well worthy of a song, For age and youth must learn the truth, That nothing pays that's wrong, The good and pure, Always are sure, To bring prolonged success, While what is right, In heaven's sight, Is always sure to bless.
