That all teachers now appointed sign an agreement to be governed and abide by the bydaws and rules and regulations of the Board and fulfil the conditions the same; should any teacher refuse to sign such agreement then the appoint ment is null and void; that Colin A. Scott be employed as a Drawing Master for the different schools, 104 hours per week, at a salary of \$300 per annum, as to be Mrs. Dr. C. C. Carridice made an per terms and conditions before menthat Misses Laura Allen, McLaren, Nevva Macdonald, F. A. Asselstine, Mary Davidson and Amuie Givens he employed when required as

occasional teachers. The report was taken up clause by clause. When the clause respecting salaries came up it was naderstood that the amount for each one was to be not less than that placed in the report. This action was to allow the teachers' petition being considered.

There was some discussion on the selection of new teachers, and H. B. Savage asked if the new appointments had been made in order of merit. asked why Miss Nerva Macdonald, a Miss Davidson had not been given a position upon the teaching He believed she had good atthat medical college, and thereby lest tainments and would de credit to the schools. After a little discussion was deemed inadvisable for the Board to discuss the Committee's deliberation in the Board Room. If the report was not satisfactory it could be sent back for reconsideration. Some centended that the teachers should be appointed by merit, others that the ability of a teacher was not confined to their scholastic attainments. The discassion was abandueed and the report ac-

Several of the members spoke approvingly of the report. Good cheices nad been made. There was a feeling that good salaries should be paid. H. B. Savage introduced a metion that in future teachers beappointed according to merit, but after some consideration of the question the motion

extended tour of Canada. Many who met her became truly impressed with the belief that "she" was a man. She or him, or whatever it may be, was appareled in the guise of a stout blonde matren about thirty-five years of age While there was a suggestion of the feminine in her dress there was none at | WORK BOXES. all in her voice or manner, which were decidedly mascul ne. In her tongue, perhaps, could be found the only quality | English & Roman Catholic Prayer Books. which an ill-natured critic could at all liken to the sefter sex, for she was more talkative than a book agent. After leaving this city she was heard of in hingston. Among other schemes she had in view was the establishment of a medical college where the gentler sex talked of thousands of dollars as if they were but a mite of the great wealth she

possessed; but she failed to found

Some months since a female claiming

the great opportunity of MAKING HER NAME IMMORTAL. Mrs. Dr. C. C. Carridice, at last accounts, has invaded Chicago. Here she circles, and managed to pull the wool over the citie of the city. She claimed Ottawa as as her abiding place, but the fabrication was discovered. She put up at the Commercial Hotel, where she at once set out upon her operations with boldness that nonplused her victims. The proprietor, Mr. Dobb, was informed that she had met him at the Palmer House several years age, while he was connected with the latter hetel, and the grounds of an old friendship. He did not remember her, but she assured him \$50,000 was to her credit at the First National Bank and thereupen his recollection became better. He found (it difficult, however, to collect her bill, and after telling some marvelous steries of the great sum et money she was to receive "next week" he compromised for the first week by allowing her special rates. A Mexican lady, a guest at the hotel, seemed to interest her prodigionsly. In changing some Mexican The following were the polling places | money the Doctor contrived to beat the and returning officers appointed for the stranger out of \$5 and was ordered away.
