TICKET SCALPING.

The Petition in Opposition to the Commons' Railway Bill.

(*Globe.*)

Messrs. E. Lichtenhein, Abrahams & Co., and E. R. Steinhardt, and Abrahams & Co., of Toronto, have petitioned Parliament against the bill to suppress railway ticket scalping, supported with suspicious unanimity by all the railways in Canada, and notably the Grand Trunk Railway. The petition against the bill is voluminous. The petitioners complain that the passing of the proposed bill will deprive them and their families of an honest means of livelihood. They deny that the Grand Trunk Railway Company sell tickets in the interests of the public, and then state as follows:

We charge the Grand Trunk Railway Company with discriminating against the people of Canada to such an extent that any person who purchases a ticket in any office in the Dominion is charged over two fold as much as a person buying the same in their ticket offices in the United States to another point in the United States, thereby practising a system of wholesale extortion on the people of Canada, as the following table will prove:

Price of through ticket from Boston to Chicago, second or third class via Montreal, total through rate $13.

Second or third class fare from Boston to Montreal, $8:

Fare from Montreal to Toronto, $6.65.
Fare from Toronto to Detroit, $4.75.
Fare from Detroit to Chicago, $6.
Total local rate, $25.40.

The petition further sets forth that while the Grand Trunk Railway Company carry a person from Boston to Chicago for $13, they charge $14 at their office in Montreal for a ticket from Montreal to Chicago, which is 334 miles nearer. The petitioners admit that they sell tickets at the rates than the railway companies, but plead that they could not do so if the Company did not charge the people of Canada 3½c. per mile, first class, for travelling, and the people of the United States only one half that price. The charge that tickets are sold which have been used but not marked is false, because the tickets are marked every few miles. If the ticket scalping business is injurious to the Grand Trunk Railway Company the power of redress is simple, and lies in their own hands without Parliament's consent. They can cure the evil by charging the people of Canada the same rate per mile they charge the people of the United States. After quoting an interesting article giving a popular exposition of ticket scalping as against that by the railway companies, the petitioners conclude with a prayer that Parliament pass an Act compelling the Grand Trunk Railway Company to cease their practices.

HINCHINBROOKE COUNCIL.

The Council-elect met and subscribed to the necessary declaration of qualification of office.

The minutes of the former meeting were read and confirmed.

The Reeve nominated John Giles one of the Auditors.

Joseph Kennedy was appointed the other Auditor.

William Black was appointed Assessor for 1881.

John Goodfellow and George Killins, who were sent to investigate the state of the bridge across Five Depot Creek, laid their report before the Council.

Moved by Mr. McKeever, seconded by Mr. Godfrey, that the Council accept the report and that a copy of it be forwarded to Rathbun & Son adding that if their foreman carried out his pledge the Council will be satisfied, otherwise the Council will hold them responsible.—Carried.

Moved by Mr. Goodfellow, seconded by Mr. McKeever, that the Reeve see that the wild lands in this township in arrears for taxes are sold during the present year.—Carried.

The Clerk was ordered to procure stationery for the use of the Council.

On motion of Mr. Godfrey the petition of Thomas Buckley and others relating to school section No. 7 was granted.

On motion of Mr. Goodfellow the collectors time was extended until the first day of February.

The Council adjourned to meet at Parham on the 17th of February at 10 o'clock a.m.

Zion Church Meetings.

The annual tea meeting which was held at the Zion Methodist Church, Pittsburgh, on the evening of Wednesday, 19th ult., was a decided success, both as regards the financial result, and the enjoyableness of the evening. The chair was competently filled by Mr. A. Chown, of Kingston. The Queen street choir furnished excellent music under Capt. Crawford's leadership. Suitable speeches were delivered by the Revs. Messrs. Flanders, of Kingston, Ellery, of Seeley's Bay, and Pollick, of Battersea. Several gentlemen contributed readings with good effect. The tempting repast provided by the ladies of the neighbourhood was evidently much enjoyed, and at ten o'clock the audience dispensed.

On the evening following the young people's social was held in the same place. A number of adults were present and seemed to enjoy themselves as well as the juveniles. Speeches were given by the Revs. Davies and Howard, resident ministers, and by some of the other gentlemen present. Mr. Robert Trotter, jr., made an excellent chairman. The music, which was supplied by the Zion Church choir, was highly appreciated. The Zion friends have reason to congratulate themselves upon the pleasant and successful style in which these meetings passed off.

Holloway's Ointment and Pills.

None except the uncommonly hardy can hope to escape continued, unsettled, and unusually wet weather without some bodily discomfort or actual disease. Holloway's remedies have won a name and fame previously unknown in medical science, for their ability of successfully contesting with colds, coughs, quinseys, rheumatism, and neuralgia. This formidable list of dangerous and painful affections is completely under the control of these inestimable specifics, which, used according to their accompanying directions, will soon mitigate the tortures, suppress all inflamatory tendencies, and secure the soundest health. The very moderate price charged for these never-failing remedies, places them within the reach of the most humble sufferer, whose ill health by producing poverty exaggerates his personal pangs.

Man's Noblest Work.

This is an age of great work and wonderful inventions. Steam, electricity, water, air, all are made to serve man, but unquestionably the greatest inventions are those which preserve man's health and prolong his life, and among the greatest of these is DR. KING'S NEW DISCOVERY for consumption. Its effects are truly wonderful and hundreds are happy to-day who once looked forward to an early grave. For coughs, colds, bronchitis, asthma, loss of voice, hay fever, hoarseness, croup, or any affection whatever of the throat, chest or lungs, DR. KING'S NEW DISCOVERY will *positively cure*. We can cheerfully recommend it to all, and can unhesitatingly say it is the only *sure cure* for throat and lung affections. Trial bottle ten cents, regular size $1. For sale by all druggists.

EVERYBODY likes "TEABERRY," the new toilet gem to beautify the teeth—to sweeten the mouth and breath—delightfully refreshing. Emphatic testimony of its superior excellence—try it. Price 35c. Sample packages five cents.

GRAND EVENT.

Inauguration of Gen. Garfield to be Conducted with Regal Splendor.

Elaborate preparations are now on foot for the inauguration of the next President of the United States. The names of hundreds of gentlemen of prominence appear in the lists of the very many committees to whom the details of the occasion have been committed. The Finance Committee has succeeded in squeezing from the employees in the various Government Department offices sufficient funds, with the exception of $5,000. To decorate Pennsylvania Avenue alone $10,000 are to be expended. The inaugural ball is said to be of a magnitude, appalling to contemplate, the number of tickets having been fixed at 8,000. The ball will be held in the National Museum building, the hall of which covers a superficial area of two and two-thirds acres. This will give to each of the 8,000 an average of room equal to six square feet. During the afternoon previous to the ball there will be a reception given in the Museum building by General and Mrs. Garfield, Mr. R. B. Hayes and wife, U. S. Grant and wife, and General Sherman will make the presentations. General Hancock has been invited and will probably attend. General Sherman is to act as chief marshal of the street parade and the escort of the President-elect will consist of 20,000 militia and fourteen companies of regulars and marines.

THE ATTENTION of owners of Property and Residences is invited to the pyramid, showing the uniform and substantial growth during the last seventeen of its 27 years of existence of a fire insurance company whose charter limits its business to their class of property—the Agricultural Insurance Company, of Watertown, N. Y. The figures represent the amount set apart at the dates given for the PROTECTION OF POLICY HOLDERS.

Twenty seven years of patient toil has made this the strongest and largest Company doing an exclusive Dwelling Business in the United States, if not in the world. It now issues 40,000 polices a year. No other like Company can show such growth and increase.

The history of this Company proves that a LARGE business, well scattered, managed with prudence, *can be done with a very small profit from each risk*, and afford perfect security, which will grow stronger every year.

While nine tenths of the "Mutual" fire insurance companies, and many of the Stock companies, have failed on account of reckless or extravagant management, or doing too small a business, the OLD AGRICULTURAL, by economy, energy and prudence, has every year added a substantial amount to its Assets, for the indemnity of its patrons, and it now occupies a position in the confidence of the public second to no other Company.

From year to year it spreads the base of its Pyramid and gains strength.

EXTRACT FROM CHARTER.—"*Article 2.* This Company is formed for the purpose of insuring Farmers' Dwellings, Private Residences, Barns and Outbuildings, with their contents, and other property not more hazardous," and is strictly confined to this class of property.

It is a specific remedy for neuralgia, ague, indigestion, fevers of every kind, chest affections, and in wasting diseases, scrofulous tendencies, &c. It sets the sluggish liver in motion, very slightly acts on the bowels, giving a sense of health and comfort within 24 hours. It is the safest medicine. Taraxacum and Podophyllin is a fluid made only by J. Pepper, Bedford Laboratory, London, whose name is on every label. Bottles, 2s. 9d. and 4s. 6d. Sold by all chemists. Dr. J. Collin Browne's Chlorodyne.

THE ORIGINAL AND ONLY GENUINE.

CHLORODYNE is admitted by the Profession to be the most wonderful and valuable remedy ever discovered.

CHLORODYNE is the best known remedy for Coughs, Consumption, Bronchitis and Asthma.

CHLORODYNE effectually checks and arrests those too often fatal diseases, Diphtheria, Fever and Croup, Ague.

CHLORODYNE acts like a charm on Diarrhœa, and is the only specific in Cholera and Dysentery.

CHLORODYNE effectually cuts short all attacks of Epilepsy, Hysteria, Palpitation and Spasms.

CHLORODYNE is the only palliative in Neuralgia, Rheumatism, Gout, Cancer, Toothache, Meningitis, &c.

From W. Vesalius Pettigrew, M.D., formerly Lecturer at St. George's Hospital, London: "I have no hesitation in stating that I have never met with any medicine so efficacious as an Anti-spasmodic and Sedative. I have used it in Consumption, Asthma, Diarrhœa and other diseases, and am perfectly satisfied with the results."

"Earl Russell communicated to the College of Physicians that he received a despatch from Her Majesty's Consul at Manilla to the effect that Cholera has been raging fearfully, and that the only remedy of any service was CHLORODYNE."—See *Lancet*, 1st December, 1864.

CAUTION.—*Beware of Piracy and Imitations.* The public are further cautioned against a forgery of government stamp having come to the knowledge of the Board of Inland Revenue.

CAUTION.—Vice Chancellor Sir Page Wood stated that that Dr. J. COLLIS BROWNE was undoubtedly the inventor of CHLORODYNE, that the story of the defendant, Freeman, was deliberately untrue, which, he regretted to say, had been sworn to.—See *Times*, July 16, 1864.

Sold in bottles at 1s. 1½d., 2s. 9d., 4s. 6d. and 11s each. None is genuine without the words "Dr. *J. Collis Browne's Chlorodyne*" on the Government Stamp. Overwhelming medical testimony accompanies each bottle.
