Ayer's Sarsaparilla,

FOR PURIFYING THE BLOOD.

This compound of the vegetable alterative Sarsaparilla, Dock, Stillingia, and Mandrake, with the Iodides of Potash and Iron, makes a most effectual combination for the cure of a series of complaints which are very prevalent and afflicting. It purifies the blood, purges out the lurking humors of the system, that undermine health and settle into troublesome disorders. Eruptions of the skin are the appearance on the surface of humors that should be expelled from the blood. Internal derangements are the determination of those same humors to some internal organ, or organs, whose action they derange, and whose substance they disease and destroy. AYER'S SARSAPARILLA expels these humors from the blood. When they are gone, the disorders they produce disappear, such as *Ulceration of the Liver, Stomach, Kidneys, Lungs, Eruptions and Syphilitic Diseases of the Skin, St. Anthony's Fire, Blue or Erysipelas, Pustules, Blotches, Boils, Tumors, Tetter and Salt Rheum, Scald Head, Ringworm, Ulcers and Sores, Rheumatism, Neuralgia, Pain in the Bones, Side and Head, Female Weakness, Sterility, Leucorrhœa arising from internal ulceration and uterine diseases, Dropsy, Dyspepsia, Emaciation and General Debility.* With their departure health returns.

HUMOR.

A moveable feast—Dining in a hotel car.

Women's sphere—A round of shopping.

A young lady at a ball called her beau an Indian, because he was on her trail on all the time.

"The spring will be backward," predicted Venice, as he was about to apply a red-hot poker to the cat's nose.

Young lady examining some bridal veils: "Can you really recommend this one?" Overzealous shopman: "O yes, Miss! It may be used several times."

"What is the meaning of a backbiter?" asked a gentleman at a Sunday school examination. This was a puzzler. It went down the class until it came to a simple urchin, who said: "Perhaps it's a flea."

"How much is that?" said a mourner in a flower shop pointing to a wreath of immortelles inscribed. "To my mother-in-law." "What you like," replied the florist: "I have had it for years, and no one has ever offered to purchase it."

A story is told of a German shoemaker, who, having made a pair of boots for a gentleman of whose financial integrity he had considerable doubt, made the following reply to him when he called for the articles:—"Der poots ish not quite done, but der boel ish made out."

A thoughtful German observes:—"If the women look at the moon they always see a man in it; if they hear a mouse nibbing after dark it's a man trying to break into the house and they always look under the bed the last thing at night to find a man. Now a man never looks under the bed to find a woman, does he?

Riding in a railroad car. Husband—"You are quite comfortable, dear?" Wife—"Yes, love." Husband—"The cushions are easy and soft, ducky?" Wife—"Yes, darling." Husband—"You don't feel any jolts, pet?" Wife—"No, sweetest." Husband—"And there is no draught on my lamb, is there, angel?" Wife—"No, my owness own." Husband—"Then change places with me."

Sensible Advice.

You are asked every day through the columns of the newspapers and by your druggist to use something for your dyspepsia and liver complaint that you know nothing about, you get discouraged spending money with but little success. Now to give you satisfactory proof that GREEN'S AUGUST FLOWER will cure you of Dyspepsia and Liver Complaint with all its effects, such as Sour Stomach, Sick Headache, Habitual Costiveness, Palpitation of the Heart, Heart-burn, Water-brash, Fullness at the pit of the Stomach, Yellow Skin, Coated Tongue, Indigestion, Swimming of Head, Low Spirits, &c., we ask you to go to J. G. King, druggist, and get a sample bottle of GREEN'S AUGUST FLOWER for 10 cents to try it, or a regular size for 75 cents. Two doses will relieve you.

Holloway's Pills.

This cooling medicine has the happiest effect when the blood is overheated, and a tendency to inflammatory action is set up in the system. One Pill taken shortly before dinner does away with the indigestion, fulness, and flatulency indicative of a weak stomach or disordered liver. A few Pills taken at bedtime act as alteratives and aperients; they not only relieve the bowels, but regulate every organ connected with them; overcome all acrid humors, and encourage a free supply of all the secretions essential to our well-being. Holloway's Pills thoroughly cleanse and perfectly regulate the circulation, and beget a feeling of comfort in hot climates and high temperatures which is most desirable for the preservation of health.

Reminders

Bellmen were appointed in London in 1556, to ring the bells at night and cry, "Take care of your fire and candle, be charitable to the poor, and pray for the dead." We are constantly reminded by circumstances to take care of our health, and preserve in a proper way our bodies. This, alas! is too often neglected. The dyspeptic and bilious are induced to make trial of some drug or patent medicine, which often aggravates the malady. Be sure and provide yourself with Baxter's Mandrake Bitters; they are highly prized by all who have used them, as the most effectual cure for all disorders of the stomach.

Zopess and Brazil.

As a result of the new commercial enterprise just assuming importance with Brazil, is the introduction of ZOPESS, so justly celebrated where it is known for the cure of all forms of Indigestion. The company have opened a laboratory in Toronto. ZOPESS comes to us highly endorsed and recommended, its certainty to relief and cure Dyspepsia and Constipation, makes this remarkable compound a necessity in Canada. The company make sample bottles at the trifling cost of 10 cents, to be had of Heath & Gunn and Henry Wade.

Corns! Corns!

Tender corns, painful corns, soft corns, bleeding corns, hard corns, corns of all kinds and of all sizes, are alike removed in a few days by the use of *Putnam's Painless Corn Extractor*. Never fails to cure, never causes pain, never leaves deep spots that are more annoying than the original discomfort. Give Putnam's Painless Corn Extractor a trial. Beware of substitutes. Sold by all druggists everywhere. And by J. Geo. King, Heath & Gunn, and by N. C. Polson & Co. agents for Ontario.

"THANK HEAVEN FOR THAT," cried a farmer's wife upon seeing her child sleeping peacefully after it had suffered much pain during the night time. STAR RELIEF had conquered the pain and brought on "nature's sweet restorer, balmy sleep." Here is another instance of the value of STAR RELIEF. It saved a child's life and made the mother thankful and happy. STAR RELIEF can be procured at Wade's Drug Store, cor. King & Brock streets. Price 25 cents per bottle.

EVERYBODY uses "TEABERRY," the new toilet gem to beautify the teeth—to sweeten the mouth and breath—delightfully refreshing. Emphatic testimony of its superior excellence—try it. Price 25c. Sample packages five cents.
