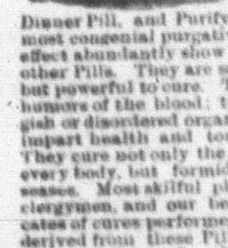
Ayer's Cathartic Pills,

For all the purposes of a Family Physic,

Curing



Costiveness, Jaundice, Dyspepsia, Indigestion, Dysentery, Foul Stomach and Breath, Headache, Erysipelas, Piles, Rheumatism, Eruptions and Skin Diseases, Biliousness, Liver Complaint, Dropsy, Tetter, Tumors and Salt Rheum, Worms, Gout, Neuralgia, as a Dinner Pill, and Purifying the Blood, are the most congenial purgative yet perfected. Their effect abundantly show how much they excel all other Pills. They are safe and pleasant to take, but powerful to cure. They purge out the foul humors of the blood; they stimulate the sluggish or disordered organs into action; and they impart health and tone to the whole being. They cure not only the every day complaints of every body, but formidable and dangerous diseases. Most skilful physicians, most eminent clergymen, and our best citizens, send certificates of cures performed, and of great benefits derived from these Pills. They are the safest and best physic for children, because mild as well as effectual. Being sugar coated, they are easy to take; and being purely vegetable, they are entirely harmless.

HAMMOND V. POWER.

A Separation Granted a Montreal Doctor from His Wife—Their Dis—

The case of Hammond against Power, in which the plaintiff sues for a separation of body, was decided by Judge Papineau in the Montreal Court on Saturday. His Honor granted the separation, each party to pay their own costs. Hammond, a Montreal doctor, returned ... Montreal ... dence ... appeared ... lived in ... very well. After a short ... married Mrs. Power, a widow ... pair appeared ... ed him with drinking and opium ... while it was shown that she has ... tised him for so doing believing in the virtue of hazel oil as a preventative of opium eating, it was shown also that the wife was not a stranger to the intoxicating cup, that her husband's friends had endeavored to help them both to live happily, and that she could not be so induced. In His Honor's charge, he said that the proof offered for the plaintiff rested on the testimony of his mother, who was the principal witness, and of his sisters, and, moreover, it was to be observed that his mother had paid all the expenses connected with the suit. If no other testimony existed than that of Dr. Hammond's mother, it might be expected that her partiality to her son made her evidence unworthy of belief, but there was other evidence, and there was no doubt she had suffered ill-treatment herself from her daughter-in-law. She had shown her devotion not only to her son but to the defendant, whose board she had paid when the defendant had been obliged to leave the western hospital because of her bad temper. This shows she had a noble disposition, and was worthy of belief under oath. As to the plaintiff's abuse of liquor and opium it did not justify the violence of the wife towards her husband. The Court, therefore, pronounced the separation, and fined defendant $1 or 24 hours' imprisonment in default for contempt of Court for having spoken to her husband on the street contrary to the order of the Court. The wife is a woman of extraordinary nerve, and while having a pleasing face, is possessed of splendid physique. She seemed after all to be attached to her husband, as she appealed to him to drop proceeding against her and try over again. This was her breach of the Court's order.

TICHBORNE CLAIMANT.

William Stapleford, of Manchester, Tells What he Knows of the Case.

William Stapleford, of Manchester, England, who, at the time when the famous Tichborne case was being tried, was said to have been wanted by the British authorities, is now in New York. Stapleford was a solicitor in Sydney, and had a partner named Gibbs. Stapleford was acquainted with the genuine heir, and knew of his loss at sea. He went to London and identified the claimant Orton as an imposter, and threatened to expose him, but Orton informed him that his partner Gibbs had conceived the fraud and had taken advantage of the information given him by Stapleford regarding the death of young Tichborne. An attorney named Cubbitt was also implicated, and got Orton into the scheme. A large sum of money was received by the conspirators from Lady Tichborne when the false evidence that Orton was the genuine heir was sent her. More money was obtained and divided after Lady Tichborne identified Orton in London. To save Gibbs, and avoid being mixed up in the matter, Stapleford kept back his evidence, and when the fraud was discovered, and Orton sentenced he did not think it necessary to inculpate his partner. Now Gibbs is dead, and he feels no longer any hesitation in giving the true history of the case.

Procrastinate Not!

Procrastination is the thief of time! Do not put off till to-morrow what can be done to-day. To-day is ours, to-morrow, we know not what will come. Reader, are you suffering from dyspepsia, biliousness, jaundice, or liver complaint? If so, a safe and speedy cure is within your reach, and the fault is your own if you go on suffering. You never can be vigorous in body, and active in mind while the stomach is out of order. Baxter's Mandrake Bitters have been used by thousands, who have found them a certain cure. Procrastinate not, go to-day to your druggist, or store-keeper and purchase a bottle.

Remember This.

Now is the time of the year for Pneumonia, Lung Fever, Coughs, Colds, and fatal results of predisposition to Consumption and other Throat and Lung Disease. Boschee's German Syrup has been used in this neighborhood for the past two or three years without a single failure to cure. If you have not used this medicine yourself, go to J. G. King, druggist, and ask him of its wonderful success among his customers. Two doses will relieve the worst case. If you have no faith in any medicine, just buy a sample bottle of Boschee's German Syrup for 10 cents and try it. Regular size bottle 75 cents. Don't neglect a cough to save 75 cents.

Zopesa and Brazil.

As a result of the new commercial enterprise just assuming importance with Brazil, is the introduction of Zopesa, so justly celebrated where it is known for the cure of all forms of Indigestion. The company have opened a laboratory in Toronto. Zopesa comes to us highly endorsed and recommended, its certainty to relief and cure Dyspepsia and Constipation, makes this remarkable compound a necessity in Canada. The company make sample bottles at the trifling cost of 10 cents, to be had of Heath & Gunn and Henry Wade.

Gentle Purgatives.

In the light of experience, gentle purgatives are the most effective means of purifying the system, and eradicating diseases in any form. Herrick's Sugar-Coated Vegetable Pills verify this; for they sweep away all internal discomforts at once. They are for sale everywhere.

For Canker in the Mouth, Throat and Stomach.—For a wash for the mouth and a gargle for the throat, make a strong mixture of Perry Davis' Pain-Killer in milk and water, sweetened with loaf sugar; and take internally, three times a day, a teaspoonful of the Pain-Killer mixed in a gill of milk and water, sweetened with loaf sugar.

A CHURCH QUESTION.

The Case of A Sunday School Teacher Who Tends Bar During the Week.

St. Paul's Episcopal Church, where Buffalo's wealthiest and most aristocratic citizens meet to pray, will likely have a difficult question of discipline on its hands shortly owing to the fact that one of its most respected Sunday school teachers, a young lady of 16, who has been a regular attendant of the church for nine years and a teacher for three years, is daily found behind her father's bar dispensing the festive lager and other compounds common in a well-ordered bar. To make the matter more complicated the bar-room is one of a kind very common in this city, being large and commodious. On one side is arranged a row of tables where card-playing and beer drinking, &c., may be indulged in ... The young lady who occupies the anomalous position of a moral instructor to the youth of St. Paul and bar tender for her father, on being interviewed, said she tried to do her dual duty, and that it was a lesson "never too old to be taught" in or out of a Sunday school. She said that for three years past she had taught a Sunday school class at St. Paul's on Sundays and tended bar the rest of the time. As she had never been criticised for it she had supposed all along that her co-workers in the church considered it just as legitimate for her to sell beer or whiskey as for them to drink either.

Provisional Appointments.

All competent officers of the active militia, at present holding provisional appointments, are required, in accordance with regulations, to obtain qualifications for the arm of the service to which they belong. Six months from this date will be given such officers to comply with this order, at the expiration of which time should they have neglected or have failed to qualify their names will be removed from the list of officers of the list of the active militia.

The Agony Over.

Walking, the source of so much misery to many, becomes, after using Putnam's Painless Corn Extractor, a service of pleasure. Corns are small in size, but their importance is not to be judged by their size, as anyone fond of a tramp can testify. Try Putnam's Extractor for corns. No discomfort, no caustic application, no blood letting, and yet splendidly efficacious. For sale by J. G. King, Heath & Gunn, and by N. C. Polson & Co., agents for Ontario.

Bucklen's Arnica Salve.—The best salve in the world for cuts, bruises, sores, ulcers, salt rheum, fever sores, tetter, chapped hands, chilblains, corns, and all kinds of skin eruptions. This salve is guaranteed to give perfect satisfaction in every case or money refunded. Price 25 cents per box. For sale by all druggists.

Everybody uses "Teaberry," the new toilet gem to beautify the teeth—to sweeten the mouth and breath—delightfully refreshing. Emphatic testimony of its superior excellence—try it. Price 35c. Sample packages five cents.
