HALL'S VEGETABLE SICILIAN HAIR RENEWER.

This standard article is compounded with the greatest care.

Its effects are as wonderful and satisfactory as ever.

It restores gray or faded hair to its youthful color.

It removes all eruptions, itching and dandruff, and the scalp by its use becomes white and clean.

By its tonic properties it restores the capillary glands to their normal vigor, preventing baldness, and making the hair grow thick and strong.

As a dressing nothing has been found so effectual or desirable.

Dr. A. A. Hayes, State Assayer of Massachusetts, says of it: "I consider it the best preparation for its intended purposes."

BUCKINGHAM'S DYE,
For the Whiskers.

This elegant preparation may be relied on to change the color of the beard from gray or any other undesirable shade, to brown or black, at discretion. It is easily applied, being in one preparation, and quickly and effectually produces a permanent color which will neither rub nor wash off.

Holloway's Pills.

Any dyspeptic sufferer aware of the purifying, regulating, and gentle aperient powers of these Pills, should permit no one to cloud his judgment or to warp his course. With a box of Holloway's Pills, and attention to its accompanying "Directions," he may feel thoroughly satisfied that he can safely and effectually release himself from his miseries without impairing his appetite or distressing his digestion. By aiding natural nutrition, this excellent medicine raises the bodily strength to its extreme limits, and banishes a thousand annoying forms of nervous complaints. An occasional resort to Holloway's remedy will prove highly salutary to all persons whether well or ill, whose digestion is slow or imperfect, usually evidenced by weariness, listlessness, and despondency.

Remember This.

Now is the time of the year for Pneumonia, Lung Fever, Coughs, Colds, and, fatal results of predisposition to Consumption and other Throat and Lung Disease. BOSCHEE'S GERMAN SYRUP has been used in this neighborhood for the past two or three years without a single failure to cure. If you have not used this medicine yourself, go to J. G. King, druggist, and ask him of its wonderful success among his customers. Two doses will relieve the worst case. If you have no faith in any medicine, just buy a sample bottle of Boschee's German Syrup for 10 cents and try it. Regular size bottle 75 cents. Don't neglect a cough to save 75 cents.

Procrastinate Not!

Procrastination is the thief of time! Do not put off till to-morrow what can be done to-day. To-day is ours, to-morrow, we know not what will come. Reader, are you suffering from dyspepsia, biliousness, jaundice, or liver complaint? If so, a safe and speedy cure is within your reach, and the fault is your own if you go on suffering. You never can be vigorous in body, and active in mind while the stomach is out of order. Baxter's Mandrake Bitters have been used by thousands, who have found them a certain cure. Procrastinate not, go to-day to your druggist or store keeper and purchase a bottle.

He Did.

Job went pretty heavily into the boil business, and the venture was a complete success. This reminds us that PUTNAM'S PAINLESS CORN EXTRACTOR is another success, and that it gives more comfort to the world than Job's boils did. Remember the name then, for the little playful corn cometh, and the remedy therefor will gladden the heart. Positively sold by all druggists in Canada, and by J. Geo. King, Heath & Gunn, and by N. C. Polson & Co., agents for Ontario.

To Stablemen.

It is on record that every stable in which HARVELL'S CONDITION POWDERS are used is not only free from the diseases incident to horses, but turns out swifter feet, cleaner coats and sleeker skins than those where the great specifics are ignored. Note it!

In the cure of Consumption there is probably no known medicine equal to the Syrup of Hypophosphites prepared by Mr. James I. Fellows, chemist, St. John, N.B. A number of cases have come under our notice the past year when the results which have followed its use have been astonishing. We write this unsolicited by any one, and advise the afflicted to try it.

This salve is guaranteed to give perfect satisfaction in every case or money refunded. Price 25 cents per box For sale by all druggists.

STOMACH ACHE.—We all know what it is; we acquired a perfect knowledge of the "Pet" in our youth, after a raid on the green apples we were expressly forbidden to touch. Our mother gave us Perry Davis' Pain-Killer then, and strange to say, no other remedy has been discovered to this day to equal it.

WANTED.—A Man and a good team of horses wanted on a bush farm. A good chance will be given. Work can be had from one year to another. Apply to William David, broker, Princess Street, Kingston.

It sets the sluggish liver in motion, very slightly acts on the bowels, giving a sense of health and comfort within 24 hours. It is the best medicine, Tarakacum and Podophyllin is a third used only by J. Pepper, Bedford Laboratory, London, whose name is on every label. Bottles 2s. 9d. and 4s. 6d. Sold by all chemists. A most valuable and essential medicine for India, Australia, the Cape and colonies generally.
