A DARK MYSTERY.

Shot, Strangled, and then Thrown Over the Falls.

On the 15th of June the body of a man was found in the river at the Canada side, a little distance below the Horseshoe Falls, believed to be that of O. F. Rowell, but after events proved that this was not so. It was found that the man whose body was found was unquestionably murdered. The reasons for this conclusion were very convincing. The corpse had been stripped of clothing, and nothing was found upon it except about the face a common white handkerchief firmly tied, and twice about the neck a piece of rope of the size of a clothes line, tightly drawn and knotted at the back. The hanging ends were worn and frayed. The inevitable inference was that a weight had been attached to this rope and

THE BODY SO ANCHORED

in the bottom of the river above until the rope gave way. Over the right ear of the victim was a bullet hole. Upon a *post mortem* examination a 32-calibre ball was found imbedded in the brain. This bullet, the rope, the handkerchief, and some of the hair which remained on the back of the murdered man's head, are in the possession of Dr. McGray, of Drummondville, the Coroner who conducted the investigation. These facts easily picture a frightful tragedy—the victim shot, his body, in the night time, no doubt, taken out upon the river and sunk with the weight of stone or iron. It may be assumed that the deed was

COMMITTED AT THE CANADIAN SIDE,

for the body, when it last broke from its moorings, went over the Canadian fall. Later developments prove almost conclusively that the body found was that of Mr. John Close, a locomotive engineer, for a long time resident in Buffalo, but late of Toronto. On the 18th of last February Mrs. Close received a letter from her husband, dated Hamilton, Ont. It was written in affectionate words, and said that he was coming home to see "wife, child and father." She never heard from him again. Time passed and

HER GRIEF BECAME GREAT.

She could secure no tidings of him. At last she heard of the finding of the body of an unknown man at the Falls, and having obtained a description of the body, is satisfied that the body is that of her lost husband. John Close was about thirty-three years old, a strictly sober and very industrious man, and a loving husband and father. He belonged to the Brotherhood of Locomotive Engineers, to the Order of Free Masons, and to the Oddfellows. Some of these organizations will perhaps assist in the investigation, as the bereaved widow has not the means wherewith to investigate what appears to be the foul and brutal murder of her husband.

Mrs. Van Cott and Guiteau.

A telegram from Milwaukee, Wis., says a recent Washington despatch to the effect that Guiteau based his hopes of marrying a rich widow upon the securement of a Government appointment has caused much talk in the city. While conducting revival meetings here last June Mrs. Sarah Van Cott exhibited several letters written to her by Charles J. Guiteau, prefacing the act with the statement, in substance, that Guiteau was formerly an infidel, who had been converted through her efforts, and that since his conversion he was the smartest and most influential young man in Chicago. The letters were neatly tied together with a perfumed blue ribbon, and were a mixture of ambiguous dissertations upon things spiritual, rhapsodical references to his all-absorbing affection, profound admiration for and inexpressible gratitude to the lady evangelist, who, he said, had saved him. Said one of the ladies who was privileged to read the letters: "Mrs. Van Cott expressed great pride in showing the letters, and seemed highly to esteem the author." The lady says that she knows that Mrs. Van Cott is the wealthy widow the crack-brained fellow thought he could marry. Mrs. Van Cott is at present engaged in revival work in the interior of Wisconsin.

CATHOLIC COLONIZATION.

Progress of the Work of Making Farmers of the Irish—The Arkansas Scheme.

A reporter called on the Rev. Father Donnelly, of St. Michael's Church, to get his views of the Catholic Colonization Association. The reverend gentleman referred the reporter to the Rev. J. M. J. Smyth, pastor of the Greeley county colony, Nebraska.

With regard to the reported Arkansas purchase the Rev. Mr. Smyth said that strictly speaking, it was not a purchase out and out, but that a contract had been made to have 60,000 acres set aside for the colonizing purposes of the society. The Catholic clergy favor this colonization movement. The object is to settle on our prairie lands, the laboring Irish Catholics who crowd New York and other cities, living precariously by their daily labor and having no future before them for their families. Nebraska has been in existence two years, and we have now 150 families from different States of the Union happily located there. Previous to the establishment of the colony there were a number of Irish Catholics settled in the neighborhood. Mr. Smyth said that since he arrived in New York he has sold 2,000 acres of land in small quantities to laboring Irish Catholics, besides having been the means of sending seven or eight families out to purchase improved farms. Many more talk of going. Originally they had 27,000 acres of land; now they have left about 6,000 acres to dispose of in that section. They will, he added, soon have a colony of upward of five hundred families. He regards the present colonizing movement as the nucleus of a very grand and far reaching one, particularly as the clergy generally are supporting it so earnestly. The charge, when on credit, is from $1.25 to $5 an acre. Eight years' credit is given. To those who are in a position to pay cash twenty per cent discount is allowed.

Whooping Cough.

FROM P. GUITTE, formerly Proprietor of the *Courier de St. Hyacinthe*, Canada.

"Several months since my daughter, ten years of age, was taken with whooping cough in a very aggravated form, and nothing we could do for her seemed in any way to relieve her suffering. We at length decided to try a bottle of DR. WISTAR'S BALSAM OF WILD CHERRY. In three hours after she commenced using it, she was greatly relieved, and in less than three days was entirely cured, and is now well. I have since recommended the BALSAM to many of my neighbors, who have used it, and in no case have I known it to fail of effecting a speedy cure." 50 cents and $1 a bottle. Sold by dealers generally.

True to Her Trust.

Too much cannot be said of the ever-faithful wife and mother, constantly watching and caring for her dear ones, never neglecting a single duty in their behalf. When they are assailed by disease, and the system should have a thorough cleansing, the stomach and bowels regulated, blood purified, malarial poison exterminated, she must know that Electric Bitters are the only sure remedy. They are the best and purest medicine in the world, and only costs fifty cents. Sold by all druggists.

Given up by Doctors.

"It is possible that Mr. Godfrey is up and at work, and cured by so simple a remedy?"

"I assure you it is true that he is entirely cured, and with nothing but Hop Bitters; and only ten days ago his doctors gave him up and said he must die!"

"Well-a-day! That is remarkable! I will go this day and get some for my poor George—I know hops are good."—*Salem Post.*

One of Many.

"I have used PUTNAM'S PAINLESS CORN EXTRACTOR with very satisfactory results. Have introduced it to several friends, who speak of it in high terms. And if the entire freedom from corns for the past two months, since using the Extractor be an evidence of its properties, it gives me great pleasure to furnish you this information, to make whatever use of it you may deem proper."—WM. SULPHOLINE LOTION.

An External Means of Curing Skin Diseases.

THERE is scarcely any eruption but will yield to "Sulpholine" in a few days, and fade away even if it seems past cure. Ordinary pimples, redness, blotches, scurf and roughness, vanish as if by magic, whilst old, enduring skin disorders, that have plagued the sufferers for years, however deeply rooted they may be, "Sulpholine" will successfully attack them. It destroys the animalcule which cause these unsightly, irritable, painful affections and always produces a clear, healthy, natural condition of the skin. "Sulpholine" Lotion is sold by most Chemists. Bottles, 2s. 9d., made by J. PEPPER & CO., London, Eng.

Sold by chemists everywhere. The name of J. Pepper, Bedford Laboratory, London, must be on the label. There is no Tonic so certain in effect as Pepper's Quinine and Iron. It is strongly recommended to residents in India and the Colonies, and should always be kept ready for use in every case of fever or febrile condition.

TARAXACUM AND PODOPHYLLIN.—Prepared only by J. Pepper, London. This Fluid combination, extracted from medicinal roots, is now used instead of blue pill and calomel for the cure of dyspepsia, biliousness, and all symptoms of congestion of the liver, which are generally pain beneath the shoulders, head-ache, drowsiness, no appetite, furred tongue, disagreeable taste in the morning, giddiness, disturbance of the stomach, and feeling of general depression. It sets the sluggish liver in motion, very slightly acts on the bowels, giving a sense of health and comfort within 24 hours. It is the safest medicine. Taraxacum and Podophyllin is a fluid made only by J. Pepper, Bedford Laboratory, London, whose name is on every label. Bottles, 2s 9d. and 4s. 6d. Sold by all chemists. Dr. J. Collis Browne's Chlorodyne.

THE ORIGINAL AND ONLY GENUINE.

CHLORODYNE is admitted by the Profession to be the most wonderful and valuable remedy ever discovered.

CHLORODYNE is the best known remedy for Coughs, Consumption, Bronchitis and Asthma.

CHLORODYNE effectually checks and arrests those too often fatal diseases, Diphtheria, Fever and Croup, Ague.

CHLORODYNE acts like a charm on Diarrhœa, and is the only specific in Cholera and Dysentery.

CHLORODYNE effectually cuts short all attacks of Epilepsy, Hysteria, Palpitation, and Spasms.

CHLORODYNE is the only palliative in Neuralgia, Rheumatism, Gout, Cancer, Toothache, Meningitis, &c.

From W. Vesalius Pettigrew, M.D., formerly Lecturer at St. George's Hospital, London.—"I have no hesitation in stating that I have never met with any medicine so efficacious as an Antispasmodic and Sedative. I have used it in Consumption, Asthma, Diarrhœa, and other diseases, and am perfectly satisfied with the results."

"Earl Russell communicated to the College of Physicians that he received a despatch from Her Majesty's Consul at Manilla to the effect that cholera has been raging fearfully, and that the only remedy of any service was CHLORODYNE."—See *Lancet*, 1st December, 1878.

CAUTION.—*Beware of Piracy and Imitations.*—The public are further cautioned a forgery of government stamp having come to the knowledge of the Board of Inland Revenue.

CAUTION.—Vice Chancellor Sir Page Wood stated that Dr. J. COLLIS BROWNE was undoubtedly the inventor of CHLORODYNE; that the story of the defendant, Freeman, was deliberately untrue, which, he regretted to say, had been sworn to.—See *Times*, July 10, 1874.

Sold in bottles at 1s. 1½d., 2s. 9d., 4s. 6d., and 11s. each. None is genuine without the words "Dr. J. Collis Browne's Chlorodyne" on the Government Stamp. Overwhelming medical testimony accompanies each bottle.
