## IRISH LAND BILL.

**Provisions of the Measure as it Becomes Law. A Comprehensive Act.**

The following are the main heads of the Land Bill as it has finally passed both Houses of Parliament:

SALE OF TENANCIES.

I.—Tenant may sell his tenancy for the best price he can get. Conditions:

1. Sale to one person only.
2. Notice to landlord.
3. Landlord may purchase on receiving notice.
4. Tenant must state consideration.
5. Court may declare sale void.
6. Landlord may object to purchaser.
7. Court may recompense landlord for debt out of the purchase money.
8. Where improvements made by landlord, purchase money apportioned by Court.
9. Landlord may give notice that he has claims on the estate.
10. Where purchase money paid into Court, Court must determine all applications.
11. Tenant who has sold his tenancy shall not be entitled to compensation for disturbance or improvement.
12. Tenant, if holding subject to Ulster tenant right system, may sell in pursuance of that custom or in pursuance of this section; but not both.

DEVOLUTION OF TENANCIES.

II.—When a person receives a tenancy as a bequest, he must be accepted by the landlord as though he were a purchaser.

INCREASE OF RENT.

III.—When landlord demands increase of rent, then

1. Tenancy shall be deemed, if tenant accepts, a tenancy subject to statutory condition for fifteen years.
2. If tenant does not accept tenancy shall be sold and tenant shall receive amount by which Court decides the selling of tenancy to have been depreciated below amount which would have been the selling value if rent were fair rent.
3. If tenant does not accept he is entitled to compensation for disturbance.
4. Tenant in place of accepting or declining such increase may apply to Court to have the rent fixed.
5. When landlord cannot agree with tenant on the subject he may also have access to the Court.

The last clause was an amendment of the Lords. Mr. Gladstone's assent to it provoked the hostility of the Irish party.

INCIDENTS OF TENANCY.

IV.—Tenant shall not be compelled to pay increase of rent unless he violates what are in this Act referred to as statutory conditions, viz.:

1. Punctual payment of rent.
2. No waste.
3. No subdivision or subletting.
4. No act whereby tenancy becomes vested in assignee in bankruptcy.
5. Not refusing landlord right of entry for purpose of mining, cutting, hunting or fishing.
6. Not opening a house for the sale of intoxicating liquors.

COMPENSATION.

V. and VI.—Repealing portion of the Land Bill and Tenant (Ireland) Act of 1870.

INTERVENTION OF COURT.

VII.—1. Court may determine fair rent.

2. Rent thus fixed, called judicial rent, payable first rent day after decision.
3. When rent thus fixed, tenancy to be held under statutory conditions for fifteen years.
4. Court may disallow application under this section when improvements have been made and maintained by the landlord.
5. When application is made, landlord and tenant may agree to fix a specified value for tenancy. Then if tenant wants to sell landlord has right of purchase at that value.
6. Statutory terms not renewed till preceding statutory term has expired.
7. No application for judicial rent may be made till the last twelve months of the current statutory term.
8. No rent payable in respect of improvements made by tenant.
9. Court may take action when it considers the conduct of landlord or of tenant to be unreasonable.

MISCELLANEOUS REGULATIONS.

XII.—1. Time of sale limited to one month after receipt of notice to quit.

2. Court may enlarge time.
3. Court may suspend proceedings taken against tenant, unless for breach of statutory conditions.
4. If notice to quit is served for breach of statutory condition tenant may apply to Court, and if Court thinks adequate satisfaction is made by payment of damages to landlord it may so order.

DETERMINATION OF TENANCIES.

XVII.—Tenancy deemed to have determined when landlord has resumed possession by purchase, or default, or operation of law.

EXISTING LEASES.

XIX.—Existing leases to continue as though this Act had not passed, provided that at their expiration they become subject to its provisions; and if, since the Act of 1870, the Court considers the acceptance of any lease to have been unreasonable it may annul it.

PURCHASE OF ESTATES.

XXIII.—1. Estates may be purchased by the Land Commission to sell to "a competent number of tenants."

2. Sale of Commission to tenant may be in consideration of a fine and of a fee farm rent.
3. Land Commission may advance to tenant sum not exceeding seventy-five per cent. of the price.
4. Commission may indemnify, and such indemnity will be a charge on the consolidated fund.

To this must be added the Lord's amendment, accepted by Mr. Gladstone, that any applicant to the commission who may consider himself aggrieved may appeal to the Court of Appeals in Ireland, with the limitation that the leave of the Court must be asked.

**See to it?**

ZOPESA (from Brazil) will cure the worst case of dyspepsia. A single dose will relieve in a degree that shows its wonderful curative powers and its peculiar action upon the stomach and digestive organs. It is a positive and absolute cure for costiveness and constipation, acting in a remarkable way upon the system, carrying off impurities. As a liver regulator its actions are most remarkable. It tones and stimulates the liver to action, it corrects the acids and regulates the bowels. A few doses will surprise you. Sample bottles 10 cents, at Wade's, or Heath & Gunn's drug stores.

**Tried and True.**

How sad to contemplate the fact, that for the sake of gain, would-be philanthropists have introduced patent medicines and drugs (vile compounds) which are advertised to cure all the ills that flesh is here to. Verily they have their reward. Thousands are annually sent to the graves through the use of such compounds. Baxter's Mandrake Bitters have come before a discerning public, without any loud trumpeting. They have been tried and have not been found wanting. They are daily gaining in public favor, and for dyspepsia, jaundice, and biliousness have no equal.

**A Vexed Clergyman.**

Even the patience of Job would become exhausted were he a preacher and endeavoring to interest his audience while they were keeping up an incessant coughing, making it impossible for him to be heard. Yet how very easy can all this be avoided by simply using Dr. King's New Discovery for consumption, coughs and colds. Trial bottles given away at J. G. King's drug store.

## PRESCOTT ACCIDENT.

**Burial of Howarth, the Engineer. Recovery of the Others Who Were Seriously Injured.**

The victims of the late fatal run off at Prescott seriously wounded are now recovering slowly, Mr. A. King, of the Express Company, being the principal sufferer. The late John Howarth, the driver, who was killed, was buried in Summerstown, Mr. Welch, locomotive foreman, and twenty-four engineers, having gone thither from Montreal to attend the ceremonial. The pocket testament, which Mr. Howarth carried at the time of his death was marked at the 12th chapter of Romans, and seemed almost to fit the occasion—the sacrifice which he made having been to his duty. Although all claims against the company were promptly settled, the owner of the cow that caused the accident has not come forward to assert any claim.

The practice of allowing cows to roam at leisure near railway stations and crossings was never better exemplified than during the progress of the inquest at the depot upon Howarth's body, when several animals strayed upon the track through the company's gates near the station. It appears the law compels the establishing of gates, but does not say whether they shall be kept shut or who is to keep them shut. It is the opinion of railway men that stringent measures should be taken by law to punish those who allow their cattle to stray at large. It seems quite as natural to suppose, however, that depot officials should see that gates in their vicinity leading to the track should be kept shut.

A placard has likely ere this time been posted at Prescott offering a reward to any person who shall give information as to the ownership of the cow that caused the accident, as it is the intention of the company to go to the bottom of the matter.—*Montreal Witness.*

**Burdett-Coutts Bartlett.**

Mr. Ashmead Bartlett certainly seems perfectly happy with his wife, and appears thoroughly to enjoy his altered fortunes. Not very long ago he was private tutor to the sons of Mrs. Barclay, of Eastwick Park—the widow of one of the members of the great firm of Barclay, Denkins & Co., in which Mr. Thrale, the friend of Dr. Johnson, was a partner, and now he finds himself the husband of a peeress in her own right, with an income of £150,000 a year. Of this sum the Baroness has settled £15,000 a year as pocket money on her youthful husband, and he has opened a private banking account at Messrs. Hoars, in Fleet street (which, after "Childs," is the oldest firm in the Metropolis.) He has, also, not only taken the name of Burdett Coutts before that of Bartlett, but after it also, and now he rejoices in the names of William Lehman Ashmead Bartlett Burdett Coutts Bartlett Coutts! The double-barrelled Burdett Coutts is taken pursuant to directions contained in the will (dated 14th March, 1873,) of the most noble Harriet, Duchess of St. Albans, formerly Harriet Coutts, of the Strand, and widow of Thomas Coutts, the maternal grandfather of the present Baroness. With a peeress for a wife, an income of £150,000 a year, £15,000 for pocket money, good health, good looks, and *seven* names, the husband of the Baroness ought to be the happiest of men.

**August Flower.**

The most miserable beings in the world are those suffering from dyspepsia and liver complaint. More than seventy-five per cent of the people in the United States are afflicted with these two diseases, such as sour stomach, sick headache, habitual costiveness, palpitation of the heart, heartburn, waterbrash, gnawing and burning pains at the pit of the stomach, yellow skin, coated tongue and disagreeable taste in the mouth, coming up of food after eating, low spirits, &c. Go to J. G. King and get a 75 cent bottle of AUGUST FLOWER or a sample bottle for 10 cents. Try it. Two doses will relieve you.

**Honor to whom Honor is due.**

Honor the name of Dr. Scott Putnam, inventor of Putnam's Painless Corn Extractor. Many less deserving men have their names enrolled among those considered benefactors of their race. Why not his? Ask those who have used Putnam's Painless Corn Extractor what they think of it. Their thankful hearts cannot sound his praise too high. Safe, sure, and painless. Beware of cheap substitutes. Sold by all druggists in Kingston and by N. C. Polson & Co., agents for Ontario.

**Woman's True Friend.**

A friend in need is a friend indeed. This none can deny, especially when assistance is rendered when one is sorely afflicted with disease, more particularly those complaints and weaknesses so common to our female population. Every woman should know that Electric Bitters are woman's true friend, and will positively restore her to health, even when all other remedies fail. A single trial always proves our assertion. They are pleasant to the taste, and only cost fifty cents a bottle. Sold by all druggists.

**In the Salons of Fashion.**

White teeth are most frequently seen than formerly. This is because our ladies have given the seal of their approbation to SOZODONT, foremost among toilet articles. This superlatively pure and salubrious preparation checks the further decomposition of the teeth, removes impurities which obscure their natural hue, strengthens them and makes the gums as ruddy and hard as coral, and communicates sweetness and rosiness to the mouth.

BUCKLEN'S ARNICA SALVE.—The best salve in the world for cuts, bruises, sores, ulcers, salt rheum, fever sores, tetter, chapped hands, chilblains, corns, and all kinds of skin eruptions, and positively cures Piles. This salve is guaranteed to give perfect satisfaction in every case or money refunded. Price 25 cents per box. For sale by J. G. King.

YOUR FACE.—A few applications of Bell's Tan and Freckle Lotion will remove Tan, Freckles, Sunburn, Tetter, Pimples, and Roughness of the Skin.

Perfectly harmless. Used by thousands. Price 25 cents per bottle. Try it! For sale at Wade's drug store, cor. King and Brock streets.

Dyspepsia can readily be cured by taking according to directions Dr. Carson's Stomach and Constipation Bitters. They greatly aid the digestive powers and tone the whole system. In large 8oz. bottles at 50 cents. For sale by all druggists.

When we reflect that a power of endurance can be imported to the brain, and that weak minds have been restored to strength by Fellow's Compound Syrup of Hypophosphites, we cannot but conclude that the subtle power is really ponderable matter. Persons who study hard should preserve their balance of power by using the Syrup.

For all Liver and Kidney complaints and affections of the Stomach and Bowels use the great Dyspepsia remedy, Dr. Carson's Stomach and Constipation Bitters. In large 8 oz. bottles containing 70 teaspoonful doses at 50 cents a bottle. For sale by all druggists.

## SULPHOLINE LOTION.

**An External Means of Curing Skin Diseases.**

THERE is scarcely any eruption but will yield to "Sulpholine" in a few days, and fade away even if it seems past cure. Ordinary pimples, redness, blotches, scurf and roughness, vanish as if by magic, whilst old enduring skin disorders, that have plagued the sufferers for years, however deeply rooted they may be, "Sulpholine" will successfully attack them. It destroys the animalcule which cause these unsightly, irritable, painful affections, and always produces a clear, healthy, natural condition of the skin. "Sulpholine" Lotion is sold by most Chemists. Bottles, 2s. 9d., made by J. PEPPER & CO., London, Eng.

PEPPER'S QUININE AND IRON TONIC strengthens the nervous and muscular system, improves digestion, animates the spirits, recruits the health. For debilitated health from the effect of hot climates this tonic is invaluable.

PEPPER'S QUININE AND IRON TONIC rouses and develops the nervous energies, enriches the blood, promotes appetite, dispels languor and depression, fortifies the digestive organs. It is a specific remedy for neuralgia, ague, indigestion, fevers of every kind, chest affections, and in wasting diseases, scrofulous tendencies, &c. The whole frame is greatly invigorated by Pepper's Tonic, the mental faculties brightened, the constitution greatly strengthened, and a return to robust health certain. Bottles, 32 doses, 4s 6d. Sold by chemists everywhere. The name of J. Pepper, Bedford Laboratory, London, must be on the label. There is no Tonic so certain in effect as Pepper's Quinine and Iron. It is strongly recommended to residents in India and the Colonies, and should always be kept ready for use in every case of fever or febrile condition.

TARAXACUM AND PODOPHYLLIN.—Prepared only by J. Pepper, London. This Fluid combination, extracted from medicinal roots, is now used instead of blue pill and calomel for the cure of dyspepsia, biliousness, and all symptoms of congestion of the liver, which are generally pain beneath the shoulders, head ache, drowsiness, no appetite, furred tongue, disagreeable taste in the morning, giddiness, disturbance of the stomach, and feeling of general depression. It sets the sluggish liver in motion, very slightly acts on the bowels, giving a sense of health and comfort within 24 hours. It is the safest medicine. Taraxacum and Podophyllin is a fluid made only by J. Pepper, Bedford Laboratory, London, whose name is on every label. Bottles, 2s. 9d. and 4s. 6d. Sold by all chemists. A most valuable and essential medicine for the colonies generally.

LOCKYER'S SULPHUR HAIR RESTORER will darken gray hair, and in a few days completely bring back the natural colour. The effect is superior to that produced by an instantaneous dye, and does not injure the skin.

LOCKYER'S SULPHUR HAIR RESTORER is the best for restoring grey hair to its former colour. It produces a perfectly natural shade and is absolutely harmless. Recommended for destroying scurf and encouraging growth of new hair.

LOCKYER'S SULPHUR HAIR RESTORER.—Never fails in acting on color glands, always restoring and maintaining that which has been lost. No other hair dressing is requisite. Large bottles, 1s 6d. Sold by chemists, hairdressers and perfumers in London and throughout the year. Lockyer's is equal to any of the high-priced preparations.

## Dr. J. Collis Browne's Chlorodyne.

**THE ORIGINAL AND ONLY GENUINE.**

CHLORODYNE is admitted by the Profession to be the most wonderful and valuable remedy ever discovered.

CHLORODYNE is the best known remedy for Coughs, Consumption, Bronchitis and Asthma.

CHLORODYNE effectually checks and arrests those too often fatal diseases, Diphtheria, Fever and Croup, Ague.

CHLORODYNE acts like a charm on Diarrhœa, and is the only specific in Cholera and Dysentery.

CHLORODYNE effectually cuts short all attacks of Epilepsy, Hysteria, Palpitation, and Spasms.

CHLORODYNE is the only palliative in Neuralgia, Rheumatism, Gout, Cancer, Toothache, Meningitis, &c.

From W. Vesalius Pettigrew, M.D., formerly Lecturer at St. George's Hospital, London—"I have no hesitation in stating that I have never met with any medicine so efficacious as an Antispasmodic and Sedative. I have used it in Consumption, Asthma, Diarrhœa and other diseases, and am perfectly satisfied with the results."

"Earl Russell communicated to the College of Physicians that he received a despatch from Her Majesty's Consul at Manilla to the effect that cholera has been raging fearfully, and that the only remedy of any service was CHLORODYNE."—See *Lancet*, 1st December, 1864.

CAUTION.—*Beware of Piracy and Imitations.* The public are further cautioned: a forgery of government stamp having come to the knowledge of the Board of Inland Revenue.

CAUTION.—Vice Chancellor Sir Page Wood stated that Dr. J. COLLIS BROWNE was undoubtedly the inventor of CHLORODYNE; that the story of the defendant, Freeman, was deliberately untrue, which, he regretted to say, had been sworn to.—See *Times*, July 13, 1864.

Sold in bottles at 1s. 1½d., 2s. 9d., 4s. 6d., and 11s. each. None is genuine without the words "Dr. J. Collis Browne's Chlorodyne" on the Government Stamp. Overwhelming medical testimony accompanies each bottle.
