Mr. Dalmage caught 100 brook trout in Squires Creek, near Stirling, in one day.

Scarcity of good drinking water is showing its baneful effects in Napanee in the shape of fevers.

Girls with hair of a roseate hue are again fashionable—and still they hate to be called red-haired.

Odessa looks exceedingly dry, the grass being literally burned up, and nearly every one going with barrels to the river for water.

Messrs Gibbard & Son, of Napanee, are making preparations for a fine exhibit of furniture at the Kingston and Lennox exhibitions.

Mr. Frank Empey, an employee in the Napanee brush factory, on Monday had the fingers of one hand badly torn and mutilated in the tenoner.

One day this week a sewing machine dealer from Fredericksburg had a serious runaway in town, by which five new machines were badly smashed.

Judge and Mrs. Wilkinson left Napanee on Monday last for Ottawa, having been called thither suddenly by the death of Mrs. Armstrong, sister-in-law of the judge.

The excavation in the Napanee river, at Petworth, are expected to be completed in about two weeks. This improvement is expected to make the water powers along the river permanent.

A body was found on the beach, near Point Pater, one day last week, supposed to be the captain of one of the crew of the propeller 'Zealand,' wrecked in one of the November gales of last year.

A farmer residing near Shannonville had his trunk burst open on Monday and $23.75 stolen therefrom. A young lad in the farmer's employ, who disappeared afterwards, is supposed to be the thief.

August Flower.

The most miserable beings in the world are those suffering from dyspepsia and liver complaint. More than seventy five per cent of the people in the United States are afflicted with these two diseases, such as sour stomach, sick headache, habitual costiveness, palpitation of the heart, heartburn, weterbrash, gnawing and burning pains at the pit of the stomach, yellow skin, coated tongue and disagreeable taste in the mouth, coming up of food after eating, low spirits, &c. Go to the druggist and get a 75 cent bottle of August Flower or a sample bottle for 10 cents. Try it. Two doses will relieve you.

Sea to It!

Zopessa (from Brazil) will cure the worst case of dyspepsia. A single dose will relieve in a degree that shows its wonderful curative powers and its peculiar action upon the stomach and digestive organs. It is a positive and absolute cure for costiveness and constipation, acting in a remarkable way upon the system, carrying off impurities. As a liver regulator its actions are most remarkable. It tones and stimulates the liver to action, it corrects the acids and regulates the bowels. A few doses will surprise you. Sample bottles 10 cents, at Wade's, or Heath & Gunn's drug stores.

Has Stood the Test.

N. H. Downs' Vegetable Balsamic Elixir has been in use for half a century in the United States and Canada, and the thousands who have used it have never found it to fail, as a certain and speedy cure for coughs, colds, croups, asthma, diseases of the lungs and consumption. The inventor has been blessed by thousands as a benefactor of humanity, and when half a century more shall have gone by his name will still be a household word, while many of the great names now so honored and revered shall be forgotten. The fame of the Elixir, so long ago established, gains wider renown each year, for all who use it spread abroad the news of its efficacy more effectually than any medium of advertising could do.

A Moral Power.

Stove pipes are supposed to move the deepest and most profound desire to swear that it is possible for man to experience. Be that as it may, we venture the opinion that corns produce as many startling exclamations, and the introduction of Putnam's Painless Corn Extractor should be hailed as a moral influence in the world, independent of its power as a reliever of physical suffering. Sold by all druggists in Kingston and by N. C. Folson & Co., agents for Ontario.

True to Her Trust.

Too much cannot be said of the ever-faithful wife and mother, constantly watching and caring for her dear ones, never neglecting a single duty in their behalf. When they are assailed by disease, and the system should have a thorough cleansing, the stomach and bowels regulated, blood purified, malarial poison exterminated, she must know that Electric Bitters are the only sure remedy. They are the best and purest medicine in the world, and only costs fifty cents. Sold by all druggists.

A Great Enterprise.

The Hop Bitters Manufacturing Company is one of Rochester's greatest business enterprises. Their Hop Bitters have reached a sale beyond all precedent, having from their intrinsic value found their way into almost every household in the land.—*Graphic.*

What's in a Name?

The virtue of most of the patent medicines with which the market is flooded lies in the name, but the virtues of Burdock Blood Bitters lie in the fact that they cleanse the blood of impurities and cure dyspepsia, biliousness and indigestion. Price $1.00, trial bottle 10 cents.

Your Face.—A few applications of Bell's Tan and Freckle Lotion will remove Tan, Freckles, Sunburn, Tetter, Pimples, and Roughness of the Skin.

Perfectly harmless. Used by thousands. Price 25 cents per bottle. Try it! For sale at Wade's drug store, cor. King and Brock streets.

New and Recherche.—The most exquisite little toilet gem extant for the teeth and breath is "Teaberry." Sample 5 cents.

"THE LATE W. H. FULLER."

Sympathetic Expressions by His Journalistic Friends. Bright Light Extinguished.

For four years, the late Mr. W. H. Fuller, until the office of the Clerk of the Crown fell on his lot, wielded an able, trenching pen. His physical strength was not equal to his mental vigor, and gave out before it. Therefore, the case of a public office was welcomed, but it seems too late to save the life spring. The deceased will be missed socially by a large circle, and publicly for his ability. To his family the most heartfelt sympathy is extended on all hands.—*Ottawa Free Press.*

Mr. Fuller was one of the ablest writers on the Canadian press, and his services were sought by several leading journals. Three weeks ago he visited Ottawa. The news of his death will be learned with sincere regret by old journalistic confreres, and by not a few gentlemen residing in Ottawa, to whom he was intimately known.—*Ottawa Citizen.*

The late Mr. Fuller was for many years editor of the *British Whig*, a position in which he made a wide reputation as a clever and trenchant writer on the questions of the day. He was of genial temperament, social in his instincts, and had a large circle of friends, many of whom were numbered in this city. He had scarcely entered upon the prime of life and those who knew his capabilities best had pictured a bright future for him. His untimely decease will cast a gloom over the city with which he was most intimately connected.—*Montreal Herald.*

We heartily sympathize with our contemporary (the Whig) in its expressions of deep sorrow. Mr. Fuller was an exceptionally talented and socially popular gentleman. He was, too, young in years and with a bright future before him. A brilliant student of Queen's University and a member of the Bar, he had won more that a provincial reputation as a writer. During the four years he was political editor of the *Whig* he wielded an influence that was recognized by political friends and opponents. He was a trenchant writer, and had the happy faculty of saying the right thing at the right time.—*Belleville Ontario.*

To the Weak, the Worn and the Weary.

FROM THE *Boston Recorder.*

The Peruvian Syrup is one of the few advertised medicines which is worthy of notice, and a personal trial of it for many years has shown us that it possesses all the qualities claimed by its proprietors. As a tonic in cases of impaired health or weakened constitution it has no superior. Unlike most Tonics and Bitters, it is entirely free from alcohol, and therefore its energizing effects are not followed by corresponding reaction. The certificate of Dr. Hayes, State Assayer of Massachusetts, and of Dr. Chilton, the celebrated chemist of New York, agree that there is in its composition no mineral or vegetable poison or objectionable substance whatever. We can most unhesitatingly recommend it to all the weak, the worn, and the weary. We make these remarks voluntarily, and of our own prompting, having richly experienced its benefits." Sold by all druggists.

A General Stampede.

Never was such a rush made for any drug store as is now at J. Geo. King's, Market Square, for a trial bottle of Dr. King's New Discovery for Consumption, coughs and colds. All persons afflicted with asthma, bronchitis, hoarseness, severe coughs, or any affection of the throat and lungs, can get a trial bottle of this great remedy free by calling at above drug store.

Canadian Cholera.

This terrible disease is but little less fatal than real Asiatic cholera, and requires equally prompt treatment. Dr. Fowler's Extract of Wild Strawberry will cure it as well as all other forms of bowel complaints of infants or adults if used in proper time.

A Fact Worth Knowing

With ordinary good grooming, and the occasional use of Sprague's Condition Powders, any horse, no matter what the condition of his health or physique, can be so restored in every relation, as to make him an almost new animal. They are Sold everywhere.

Virtue Acknowledged.

Mrs. Ira Mullholland, Oakville, writes: "For several years I have suffered from oft-recurring billious headaches, dyspepsia, and complaints peculiar to my sex. Since using your Burdock Blood Bitters I am entirely relieved."

Beckler's Arnica Salve.—The best salve, in the world for cuts, bruises, sores, ulcers, salt rheum, fever sores, tetter, chapped hands, chilblains, corns, and all kinds of skin eruptions, and positively cures Piles. This salve is guaranteed to give perfect satisfaction in every case or money refunded. Price 25 cents per box. For sale by J. G. King.

For Cholras, Cholera Morbus, and Cholera Infantum, as well as all Summer Complaints of a similar nature, Perry Davis' Pain-Killer, acts with wonderful rapidity, and Never Fails when taken at the commencement of an attack, and often cures after every other remedy has failed.

As a Family Medicine Dr. Carson's Stomach and Constipation Bitters are rapidly taking the place of pills, they are equally effectual, do not gripe, weaken, or produce nausea and are purely vegetable. In large 8oz. bottles at 50 cents. For sale by all druggists.

Those who are subject to Biliousness Constipation, Dyspepsia, Indigestion or any Kidney Affection, should take the advice of an able physician and use Dr. Carson's Stomach and Constipation Bitters. In large bottles at 50 cents. For sale by all druggists.

Fellows' Syrup of Hypophosphites, by restoring strength to the nerves and muscles of the stomach, cures dyspepsia, which is but the result of loss of nervous strength, followed by muscular relaxation.

Ayer's Hair Vigor

FOR RESTORING GRAY HAIR

TO ITS NATURAL VITALITY AND COLOR

Advancing years, sickness, care, disappointment and hereditary predisposition all turn the hair gray, and either of them incline it to shed prematurely.

Ayer's Hair Vigor by long and extensive use, has proven that it stops the falling of the hair immediately, often restores the growth, and always surely restores its color when faded or gray. It stimulates the nutritive organs to healthy activity, and preserves both the hair and its beauty. Thus brushy, weak or sickly hair becomes glossy, pliable and strengthened; lost hair regrows with lively expression; falling hair is checked and stabilished; thin hair thickens; and faded or gray hairs resume their original color. Its operation is sure and harmless. It cures dandruff, heals all humors, and keeps the scalp cool, clean and soft—a state which conditions disease of the scalp are impossible.

As a dressing for ladies' hair, the Vigor is praised for its grateful and agreeable perfume, and valued for the soft lustre and richness it imparts.

Dr. J. Collis Browne's Chlorodyne.

THE ORIGINAL AND ONLY GENUINE.

CHLORODYNE is admitted by the Profession to be the most wonderful and valuable remedy ever discovered.

CHLORODYNE is the best known remedy for Coughs, Consumption, Bronchitis and Asthma.

CHLORODYNE effectually checks and arrests those too often fatal diseases, Diphtheria, Fever and Croup.

CHLORODYNE acts like a charm on Diarrhœa, and is the only specific in Cholera and Dysentery.

CHLORODYNE effectually cuts short all attacks of Epilepsy, Hysteria, Palpitation, and Spasms.

CHLORODYNE is the only palliative in Neuralgia, Rheumatism, Gout, Cancer, Toothache, Metritis, &c.

From W. Venables Pottigrew, M.D., formerly Lecturer at St. George's Hospital, London:—"I have no hesitation in stating that I have never met with any medicine so efficacious as an Antispasmodic and Sedative. I have used it in Consumption, Asthma, Diarrhœa and other diseases, and not perfectly satisfied with the results."

Earl Russell communicated to the College of Physicians that he received a despatch from Her Majesty's Consul at Manilla to the effect that cholera has been raging fearfully, and that the only remedy of any service was CHLORODYNE.—See *Lancet*, 1st December, 1858.

CAUTION.—*Beware of Piracy and Forgeries.*—The public are further cautioned against buying some so-called "Chlorodyne" that has been sold by certain parties, as the Government stamp having come to the knowledge of the Board of Inland Revenue.

CAUTION.—Vice Chancellor Sir Page Wood stated that Dr. J. Collis Browne was undoubtedly the inventor of CHLORODYNE; that the story of the defendant, Freeman, was deliberately untrue, which he regretted to say, had been sworn to.—See *Times*, July 13, 1864.

Sold in bottles at 1s. 1½d., 2s. 9d., 4s. 6d., and 11s. each. None is genuine without the words "
