"Canada for the Canadians" was the cry which nelped to win the country for the Tories, and yet the very demagogues who employed the cry are making public purchases abroad. Furniture for the vestibule of the House of Commons is now being imported from England. This is of a pirce with the blame attached to the late Government for building the 'Northern Light' in Canada, and not ob taining a vessel instead from the Clyde. The fact is the Tory war cry we have quoted simply meant the Government of Canada for the Tory leaders, and the public offices for their hungry followers. Only this and nothing more. Canada for ) the Canad ne was prompted by the pat. and pecket, the particu in question being the lar 'Canadi ve seized the reins of power solely trans furtherance of personal and party aggrandisement.
