> prosperity, and I held them deeply remonaible for the continued distress of the people. They have sedulously cultivated the war spirit. They have sown the wind and they are REAPING THE WHIRLWIND Cheers) A policy of secret diplomacy -of plans conceted in the dark, and sprung, of a sudden, on the nationhidden contracts pledging the State to vast liabilities - expeditions prepared with studious concealment, while Ministers were giving solemn assurances that no change in action was contemplated (cheers) -the after impossibility of placing any reliance on statements, however explicit, or accepting denials, formal, by the Ministers of the Crownthis is a state of things hitherto unknown to the public life of England, which has

as the main obstacles to the revival of

sapped the foundations of public confidence, and forbids the revival of that prosperity which confidence alone can restore. (Cheers.) No one knows what the Government are about, and therefore where he will bud himself to-morrow. An assurance of peace from the Government carries with it no credit. It is as likely thand notthat it is given at the moment whom a project of war is in pro-

cess of preparation or on the eve of execu-

frontier. They have pledged the nation to preserve what remains of the Ottoman Empire; but it cannot be preserved. It is going to pieces by a process of dissolution which no arm can stay. Turkey is all druggists and countrydeniess at 25 cents. CHAOS, BANKWUPPCY, DISCREAR, MISRUES,

sertion that its people cannot supply the material for competent and upright functionaries, and which appeals to the Turcophile Ambassador at Constantinople to bear witness to its own shame? (Cheers.) Great as are the resources of the British Empire, there is one thing which I imagine is beyond its powerthat is to

CREATE A SEPPLY OF COMPETENT AND UP-RIGHT TURES; and yet, with this confession staring them in the face, one thing which runs through

fixed and obstinate determination of the Perte not to admit the European element which Lord Salisbury had made the basis of his demands. How are you going to reform a Government which has been and is so ailministered that it cannot afford to pay tor the ordinary protection of the lives and property of its subjects, for the uncorrupt administration justice, and the maintenance of unbribed governors? (Chuers.) Sir Henry Layard says, without money there can be and there will be no reform; but where is the money to come from? I have seen augestions and heard rumors of English loans and English guarantees. Do you think the English people are going to advance money on the security of Tur-kish reformal. Why, I don't believe the silliest Jingo in the realm is fool enough for that. (Cheers) Land money to the Turks! Why we have been doing nothing else for the last twenty years. We have aquandered millions upon millions upon them, and their condition is described in the sentences I have read to you. A proposal of this sort is very much like the offer of some ruined scamp who promises to become respect-

pounds.

hear from me are only 'words of irresponsible frivolity,' (A laugh.) If you listen to the voice of sense and of truth, which is audible only once a year, at the Lord Mayor's feast (a laugh) you will learn a very different tale. In the philosophy of the Pangloss of November 3, all is for the best under the best possible administrations. The Treaty of Berlin is the perfection of human reason; The speech, which has by its ability at it is immaculate in its conception and affection and the more ardent the admira-
