A PHYSICIAN'S TESTIMONY

30 Years a Physician. 12 Years a Sufferer. Tried Regular Remedies. Tried Patent Medicines. Permanently oured by

SANFORD'S RADICAL CURE.

MESSRS. WEFKS & POTTER, —Sirs: I have practised medicine for thirty years, and have been a sufferer myself for twalve years with Catarrh in the nass! passages, fauces and laryuy. I have used everything in the material medical without any permanent relief, until finally I was induced to try a patent medicine (something that we allopathists are very loth to do). I tried — and divers others until I got hold of yours. I followed the directions to the letter, and am happy to say have had a permanent cure. Your RADICAL CURK is certainly a happy combination for the cure of that most unpleasant and dangerous of diseases.

Yours, respectfully,
D. W. GRAY, M. D.,
Of Dr. D. W. Gray & Son, Physicians and
Druggists, Muscatine, Iowa.
MUSCATINE, Iowa, March 27, 1877.

The value of this remedy must not be overlooked

SYMPATHETIC DISEASES, Affections of the Eye, Ear. Throat, Lungs and Bronchiai Tubes which in many cases accompany a severe case of Catarrh. The inflamed and diseased condition of the mucous membrane is the cause of all these troubles; and until the system has been brought properly under the influence of the RADICAL CUIK, perfect freedom from them cannot be reasonably expected.

It is but three years since SANFORD'S RADI

CAL CURE was placed before the public, but in
that short time it has found its way from Maine to
California, and is everywhere acknowledged by

druggists and physicians to be the most successful preparation for the thorough treatment of Catarriever compounded. The fact will be deemed of more importance when it is coupled with the state-ment that within five years over 250 different remedies for Catarrh have been placed on sale, and to day, with one or two exceptions, their names cannot be recalled by the best informed druggist. Advertising may succeed in forcing a few sales, but, unless the remedy possess undenbted specific medical properties, it is absolutely certain to fall into merited obscurity.

Each package of SANFORD'S RADICAL CURE contains Dr. Sanford's Improved Inhaling Tube, with full directions for its use in all cases. Price \$1.00. Sold by all wholesale and retail druggists and dealers throughout the United States and Canadas. WERKS & POTTER, General Agents and Wholesale Druggists, Boston, Mass.
