Amor de Cosmes, or the 'Lorer of the Universe' has nevertbeless again been pitching into the heathen Chinee. Chinaman he said should ever be accord- out of the question, and all concerned ed the rights of a citizen or be employed may as well now settle down to the conon any public works. On this last point yietion that the fight will be a square Amor and his colleague, John A., will be one between the party candidates, with in perfect accord. So decided were Sir the certainty that the inevitable reward John's convictions upon this point in of unity and activity among Reformers 1873 that he fumed and foamed with shall be the achievement of another well-simulated indignation because, as he splendid victory. alleged, it was Mr. Mackenzie's barbarous intention to import Chinamen by the legion to build the Pacific Railway and thus deprive our own Canadian home and | the State Agricultural College cost \$13, sinew of its legitimate employment. Of 000 spiece. course the statement was a whopper, but. the re-election of Sir John for Kingston was the end which was held to justify the

We are glad to see that Mr. Jame Young, of Galt, ex-M.P. for South Wass terloo, has accepted the Liberal numination for North Brant in the oncoming elections for the Local Legislature. The election of Mr. Young may be regarded as assured. Both the Brants are safe and certain for the Mowat Government. The loss sustained by the House of Commons, in the defeat of Mr. Young, will thus prove to be the gain of the Local Monse. Unlike Mr. Morris, of East Toronto, Mr. Young will prove a most valuable acquisition to the Provincial Parliament, and will recall the time when Hon. Mesers. Blake and Mackenzie were died with hydrophobia. Early in Febmembers of the same assembly, and there so materially contributed towards consolidating Reform ascendancy in the Province of Outarto.

Premier Joly's disclaimer of any intention at present to repair to England is a loyal and noble expression of confidence in the honor and impartiality of the British Government. Says his tele- crops.

"We have no right to doubt the jus tice of the Imperial Government. they consent to hear one side they will hear both, and will notify us and then we shall go."

auctioneer was compelled to knock her down at 25 cents, and she was so angry In striking contrast is this with the disloyal abuse of His Excellency in hilged in by Conservatives for referring the case to England, and with the vindetive Tory found a hard-hearted jury in San Francisco. They gave a performance there, haste in hurrying off Mr. Langevin to and the police arrested Mable Stauley. instruct the British authorities as to how they shall decide the case. Everybody the most conspicuous of the can-can dancers.
