"O MISCHIEF! THOU ART SWIFT."-When the love-sick Romeo uttered those words he spoke a truism admitted by everybody. What can be swifter than the treacherous attack of disease in whatever form, whether dyspeptic, bronchical, KINGSTON & PEMBROKE R. R. or consumptive. And the mischief done by these fell foes of health is incalculable. Thanks however, to the genius of science we can subdue them by the use of Scott's Emulsion of Pure Cod Liver Oil and Hypophosphites of Lime add soda. As a medicine for this life destroying disease it tands at the head of the list.

"German Syrup."

No other medicine in the world was ever given such a test of its curative qualities as Boschee's German Syrup. In three years two million four hundred thousand small bottles of this medicine was distributed free of charge by drnggists in this country to those afflicted with Consumption, Asthma, Croup, from Mississippi at 1 and 7 p.m. severe Coughs, Pneumonia and other diseases of the throat and lungs, giving the American people undeniable proof result has been that druggists in every town and village in the United States are recommending it to their customers. Go to your druggist and ask what they know about it. Sample Bottles 10 cents. Regular size 75 cents. Three doses will relieve any case.

All we sak is a fair trial to con-

vince the most skeptical.

Da. Evory.—Dear Sir. I am to day truly thankful that you have brought to my notice your very simple and efficacious "Diamond Catarrh Remedy." For many years I have suffered from the Catarrh—the disease being suffered from the Catarrh—the disease being brought on by a too persistent effort in singing. I had laid myself "on the shelf," having received no benefit from the various nauseous remedies which I had tried. A few trials of your remedy relieved my head at once, and now after a three months' trial I am able to sing with a clearness and ease that delighted and absolubbed me. I wish you great success and shall not fail to recommend it wherever I see a need of its use. Respectfully yours, Willoughby Ave., Brooklyn, Sept. 13, 1877 References in Kingston on application.

MESSES WEBER & CO. in announcing their success at the World's Fair would call the attention of the Canadian public to the fact that after the most searching examination by Gentlemen eminent for their Musical talent their Pianos have been awarded the above Prizes. These Instruments were not made for the Exhibition, but taken from S' sek, being a fair representation of their Pianos. This should be a proof to Canadians that Canada can produce as good Pianos as the best imported Instruments.
