## AUDITORS REPORT

To His Worship the Mayor and Aldermen of the City of Kingston GENTLEMEN, - Having completed the Audit of the City Books for the year 1878 (delayed, owing to the Collector's Books not being ready) we beg to report That the calculation of the Tax Rolls prepared by the City Clerk were

without an error. We compared the Collector's Cash Books with the Rolls and found the following amounts received and paid over to the Treasurer as per statement Paid on May 12th, 1879, on account of Taxes for 1874. \$ 281 47

-Paid on May 8th, 1879, on account of Taxes for 1875 ... 806 14 Paid on March 10th, 1879, on account of Taxes for 1876, 522 20 Paid on May 7th, 1879, on account of Taxes for 1876 ... \$1,585 86 (These being the only payments for the above years since the Auditors Report of the 8th of May, 1878.) The payments on account of Taxes for 1877 since last Auditors"

And the payments on account of the year 1878 to ...... 59,451 38 We compared the Collector's Final Return for 1874, and the Interim Returns for 1875, 1876, 1877, 1878, and with the exception of some slight errors found them correct, and the Returns show the following amounts due for the

for the various years on dates, viz: 1874, on 12th May, 1879 ..... 1875, on 8th May, 1879..... 1876, on 8th May, 1879... 1877, on 6th May, 1879 ... 1878, on 2nd April, 1879 .....

With a view to the increased efficiency of the Collector's office, we would respectfully suggest that some alteration be made in the method of paying over the Taxes to the Treasurer. Under the system now in vogue there is no check 3 p.m. Two hours were given for a Jas. McDowell, per N. C. Polson, as on the Collector's daily receipts, which he holds at his will and pays over at roam about the grounds, for which ten sement of No. 415 reduced to \$300; No his pleasure, and we would recommend that a by-law be passed making it necents was charged -a much begrudged 417 confirmed; No. 418 reduced to \$250. cessary for him to pay over his receipts daily, and that under the direction of Patrick Nugent, over-assessment Re the Finance Committee a system be adopted whereby the Treasurer would have a check on the correctness of the Collector's daily returns. Such a check could be easily devised and carried out with little expenditure of time or la-

> offices, which has forcibly struck your Auditors in their investigation of the city's financial affairs. We found all the City Treasurer's Books correct in every particular, and

> We also found that there were warrants for all payments and receipts for said payments when made. The amounts paid to the Treasurer by the Police-Magistrate and City Commissioner correspond with their Cash Books.

We herewith present the following statements prepared in duplicate, viz: No. 1. Showing Sources of Revenue and Ordinary Expenditure for year 1878. No. 2. Detailed Statement of Receipts and Disbursements for year 1878. No. 3. Balance Sheet showing Assets and Labilities of the City of Kingston on 31st December, 1878.

No. 5. Abstract of No 8. No. 6. Statement of Upcollected Taxes for the year 1874. No. 7. Stat to a set to collected lies for the year 1875. No. 8. Statement of Uncooketed Trees for the year 1876. No. 9 Statement of breaklited Taxes for the year 1877. No. 10. Statement of Uncolled : Taxes for the year 1878.

ille Road, which we have audited and found correct, viz: No. 1 Balance March for 1878. No. 2. Statement of Revenue and Expenditure. No. 3. Statement of the Treasurer's Receipts and Disbursements. And in reference to the Books of this Road, we would respectfully recom-

We herewith present the following statements of the Kingston and Phillips-

valued, and the accounts transferred to the City Books. We also audited the Books of the Kingston Collegiate Institute and the Public School Board, and found them correct. We would recommend that an inventory be made of the Real Estate and Miscellaneous Property which appear in our report as assets of the city, and that the same be left in the office of the City Treasurer for future reference.

worthless accounts (which now encumber the City Treasurer's Books and ap pear as assets of the city when there is nothing in them) may be investigated. and we believe that such investigation would result in the Treasurer being authorized to write them off the books altogether. All of which we respectfully submit.

WM. STEWART, Kingston, May 19th, 1879.
