Who place later, being generally very good. The Battalion reformed in line on the rear Company, and advanced in double column of Companies, reformed in line to the right on the right wing, advanced to the right of Companies in fours, front formed Companies, changed ranks and advanced by Companies from the right. The skirmishing was then entered upon, and to the casual observer this was the most interesting feature of the day's exercises. The line was prepared for attack, and subsequently pursued the imaginary enemy in a vigorous manner, a perfect fusilade being kept up for a time, ending with the usual exciting chase and cheer of victory. After firing had ceased the battalion changed front, and went through similar ons acti until the covers were called and the

assembly sounded. Cil. Straubenzie then adopted his usual plan of making the young officers exhibit their abilities. He first called out Capt. Power, and gave him command of the Battalion, indicating that he desired certain movements to be made, and leaving the Cap tain to exercise judgment and manipulate the corps in the way that seemed most called at the Oswego police station and with John Pinderas Captain, and Robt.
