Sneezing Catarrh, Chronio Ca-

BANFORD'S RADICAL CURE FOR CATARRH is a safe, certain, and permanent cure for Catarrh of every form, and is the most perfect remedy ever devised. It is purely a vegetable distillation, and is applied locally by insuffiction, and constitutionally by inlocally by insuffiction, and constitutionally by internal administration. Locally applied, relief is instantaneous. It soothes, heals, and cleanses the
masal passages of every feeling of heaviness, obstruction, dulness, or dizziness. Constitutionally
administered it repovates the blood, purifies it of
the acid poison with which it is always charged in
securificational testing the stomach, liver, and kidneys,
perfects digestion, makes new blood, and permits
the formation of sound, healthy tissue, and finally
obtains complete control over the disease. The
femarkable curative powers, when all other remeobtains complete control over the disease. The remarkable curative powers, when all other remedies utterly fail, of Sanford's Rapical Cure, are attested by thousands who gratefully recommend it to fellow-sufferers. No statement is made regarding it that cannot be substantiated by the most respectable and reliable references. It is a great and good medicine, and worthy all confidence. Each package contains a Treatise on Catarrh and Dr. Sanford's Improved Inhaling Tube, and full directions for its use in all cases. Price \$1.

Messrs. Weeks & Potter: Gentlemen, - One year Messrs. Weeks & Potter: Gentlemen, — One year ago I was seized with a severe attack of Rheumatism is my right hip, to which I wassubject. I tried the various liniments and rheumatic cures, but without the least benefit, when my son, a druggist, suggested one of your Collins'Voltaic Plastens. The effect was almost magical, for, to my grateful surprise, I was almost immediately well again, and was able to work upon my farm as usual, whereas, before the application of the Plaster, I could do nothing, and every step gave me pain. A few works since, one year from the first attack, the disease returned, but I am happy to say the second Plaster proved as efficacious as the first, and I am now well. My wife wishes me to add that one Plaster has cured her of a very lame back. We think there is nothing in the world of remedies that can compare with the Collins' Voltaio Plasterfully recommend

For some time the circumstances surrounding the robbery were unshronded in mystery, which was eventually overcome by Detective Mackay, who obtained information which led him to believe that Martin Wiberg, who had been engaged in the "Avoca" as ship's carpenter, but had subsequently been discharged, was the culprit. Acting on that information Detective Mackay with Inspector Secretan proceeded to the Tarwin River, where Wiberg had taken up a selection, and arrested him. In his hut they found a quantity of the stolen sovereigns, and the prisoner was then brought to Melbourne. Soom after his arrest he made a statement in which he asserted that he and Elliston, the chief mate of the "Avoca," had effected the robbery and shared the plunder. Believing that his story was true, De tective Mackay proceeded to England to arrest Ellisten. He succeeded in the object of his visit, but Elliston was discharged because of the want of evidence to warrant his being sent to Victoria, and Mackay had to return to Victoria without him.
