INT'S FROM EVERY QUARTER, &c.

As everybody anticipated the climaof interest is being reached at the Parl during the session of the S.S. Parliament The various improvements made by the The 'Hastings' took a large excur- Thousand Island Park Association have ontributed not a little to the comfort of isitors and enhanced very materially the natural advantages of the place, which is rio as Oswego is to be abandoned as a at anyrate, so beautiful for situation. I ad lition to all this the programme of the parliament is a bill of fare replete with every attraction, and the promises made therein are being much more than realize ed by the actual performance. Only yesterday the Rev. Mr. Simpson, of Eng land, who has lately been visiting the Chautauqua meeting, rather unexpectedly arrived, and kindly acceded to the pressing invitation of the management to deliver a couple of lectures. One of these was to be presented at 3 30 to-day, and the other is set down for to morrow evening. The subject of one of the lectures of this eloquent preacher is "Village life

in India," a theme which will be sure to prove of interest in his hands. The Rev gentleman is accompanied by Rev. D Potts, of Toronto, and other friends

TUESDAY'S PROGRAMME

Kingston, and 25 that cars at London, I Normal classes in the morning hours re Intario, to be used in ballasting the ceived their prescribed lectures, includ ng a geographical study on Palestine by Prof. H. S. Osborne, of Oxford, Ohio An address on "Normal Class Teachers and where to find them," by Rev. John McEwen, of Ingersoll, Ont., the question if "How to secure attention" was admirably solved by James Hughes, Esq. Public School Inspector of Toronto while Prof. Bennett, of Syracuse University, a gentleman who is always gemal, instructive and improving, treated

of "The Bible as the educator of a good THE AFTERNOON SESSION Was exclusively devoted to the delivery of an able lecture by Prof. R.B. Welch. D.D., of Auburn, N.Y. His subject was Modern Infidelity, or old foes with new (aces " Among many other good things the lecturer said that infidelity was ner ther strong nor consistent. Atheisu made admissions of its weakness, and of ten admitted the superiority of Christian thics, and confessed that the civilization they produced was unsurpassed sides it could not disprove the facts of Christian experience. To do so were like a blind man disputing the powers of perfect vision. Neither could intidelity answer the queries as to what we are o whither we are going. Ralph Walds Emerson, in the the United States, and Strauss, of Germany, were cited as apos tles of Rationalism. He then adverted to what he termed the Know Nothing theory, or Paositiveism revived. chief characteristic of this school would seem to be embodied in the Pipafore philosophy, that "things are not always what thay seem;" that though men and things seemed to exist we had only the possibly delusive evidence of our own senses

NEW APPLICATIONS. Applications for eagagement on teaching staff were received, 'with testimonials, from S. N. 'McCready, Roslin who at the late examination obtained (irade A. certificate and has been teach ing for aix years; and from one of King ston's Model School graduates, Miss English, of Gananoque. They were fyled for consideration next January. MR METCALPE'S HANESS

In consequence of letters received from Mr Metcalfe, Principal of Queen Street in England, Mr. Woods moved that the nspector and Committee of the School all the vacancy temporarily, if such action be required through the Principal's ill ness. This was agreed to ..

WILLIAMSVILLE SCHOOL Mr. Irving, Chairman of Williamsvill school, received an additional grant \$12 to complete improvements now under way. The school will possess the luxury of a new patent improved double action safety swing

PERSENTATIONS.

On motion of Mr. Rogers, the Secre ary was instructed to call the attention of teachers to the rule forbidding present ations to them on the part of pupils except in cases of retirement from the Board's service, and to require its rigid The rules as to hours teaching and restricted recess will also be strictly enforced.

THE MODEL SCHOOL The Chairman presented the special report on Model School changes, recom mending that Mr. Summerby institute a once a class of Senior Fifth Grade, with the scholars lately under his charge, and none others, unless they have passed the entrance examination or one very similar under the City Inspector, that the pupils promoted in July from Messrs. Metcalfe's Wood's and Godwin's classes, to the number of forty five, be formed into a Semon Fourth Grade Class in the same school with fifteen picked additions, to be in structed in subjects suited to the entrance examination test; that the boys of the Junior Fourth Grade be divided between Queen and Cataraqui Schools.

The report was adopted, and in future there will be but one class in each of the senior male departments of the Model School. The teachers will not have their time divided between two classes each, and the scholars will receive full atten tton. The step taken is in the direction bills, and that he should not apply to a of the grouping and centralizing plan lady for a pecuniary loan and then, bewhich the Board is yearly striving to fore he redeems his promise to pay her. adopt, though their efforts are almost neutralized for the want of a large central school, such as some of the modern

towns in Canada have erected THE TEACHING STAFF. One of the special objects of the meet ing was then considered. The report of January last declared the qualification of teachers whose certifi cates expired last month to have vacated their positions, having been engaged until after the holidays only New certifi cates have not been obtained by them, and Miss Gill is the only teacher of the many forfeiting their positions six months ago who has been successful in the late educate his children though, and to that examination. Mr. Horsey moved that end two of them have been placed in the applications from teachers to fill the vacancies till the end of the year be invit ed by advertisement, and that a special meeting of the Board be held to make that his wife is never in need, but will selections Carried.

THE BURGESS SCANDAL.

NEW YORK DEVELOPMENTS IN THE CASE,

The New York World contains the

"A despatch from Toronto yesterday announced that W.G. Murdock, acting for Mr. Widgery, has begun proceedings for the extradition of Cool Burgess. Bur geas' failure to return to Toronto was stated in the despatch to be the reason for the proceedings. Toney Pastor's has been the scene of Burgess' minstrelsy for the past week, and last evening a report er went up there to learn how Mr. Murdock's action was likely to effect Burgess But an afternoon train starting severa hours ahead of the the reporter had carried the minstrel off to Thiladelphi for a week at Fox's Mr. C L. Howard Purgess' agent, was at Pastor's, however and claimed to know all about Burgess affairs, as developed since the Canada fracas. "The proceedings to day,

said, "were merely formal. Mr Mur dock in Public Prosecutor, and what h has done has been merely in the line of School, reporting his illness and detention his duty. There his duty ends, and there the whole matter will drop. Widgery complaint, if made which I doubt was merely formal, too, for he has no idea of prosecuting. In fact, only day before yesterday Cool received a letter in which Widgery sent word that he bore no ill-feeling and wished to gain Cool's friendship again. Cool replied to it that he did not intend to do anything further of a lostile nature, but at the same time would never be friendly with Widgery and hoped that they might never meet In the letter received by Cool, Widger sent assurances that he would never prosecute, and that he should come within the American lines whenever (went to Canada, if there were any min cations that the suit would be pressed "But suppose Widgery sent these as

surances to him merely to entrap him There is no occasion for sharp practice. Cool is ready to return to Toront any day he may be wanted there. He defence is clear and good. In response to a letter from Burgess, pe which he justified himself by allusions to his wife's alleged misconduct, to b

children and to his outraged manhood Mrs Burgess yesterday sent a letter the newspapers, in which she says "His lefty allusion to his 'manhood would wear a less conneal aspect if he had only nerve enough to hit the unarmed man he shoots at and chivalry enough to miss the unprotected woman he strikes at. It is true his role is burlesque, and if he did his recent awkward shooting for an advertisement missing his mark was. suppose, necessary to hit his purpose and since he has adopted the opposite rule in his feminine lights the conclusion seems to be mevitable that a man is in far less danger under his harmless pisted, than a womán is under his vindictivo cudgol "In conclusion I would beg to suggest that, in conformity with the usages of this age and latitude, he suspend all further varouring about his 'manhout until he 'kills his man,' or at least crip ples him; that he is dealing with a peple who will not permit him to implicate with impority a mother in law in a family quarrel, that thapsoincal explosions he newspapers about his "darling child ren will command more respect after than before he pays their overdue board

and malignant allusons to her magmary "The woman is very angry," Mr. How ard said in commenting upon the letter "and what she says must be taken with a great deal of allowance. Probably he anger is made more bitter just now by the failure of an attempt to sue Cool to \$600, to pay her for her care of the chil Before this late trouble Connever thought he had occasion for jeal He says now that he wishes he had thought so, for then the cause of trouble could never have existed, and in a year or two he would have settled down with a competency, as he has long intend ed. Now, he can never have a pleasant home again. He means to care for and convent at Mr. St. Vincent, and the boy is being prepared to enter the naval school at Annapolis. Cool intended always to care for them. .. It will also see
