APICIAL COST OF STREET WHAT SOME THE ECHOPEAN STATESMEN

RECEIVED FOR THEIR SERVICES.

It has 'gone the rounds' lately that Prince Bismarck's sa'ary from all sources

amounts to but \$13,500 a year, and it is well known that German official salaries are, hir the most part, very moderate, but an exception is found in the pay of ambas adors. The Prince has repeatedly told the Legisla .e that he considers it I the highest in, rtance the representatives of Germany abroad should maintain handsome establishments. The German a attassador to London has, accordingly, atout \$45,000 a year, and one of the doz en firest houses in London, and in other great capitals Germany is represented on a similar scale. It is to be borne in mind too that an ough Prince Bismarck's salary is small, his services have met with recognition in the shape of estates to enable him and his eldest son-for his is one of the cases in which the eldest son will succeed to the realty-to maintain the highest rank. The salaries of the higher English officers have not been raised for a century. Lord Beaconstield has the \$25,000 a year which Mr. Pitt had, while, as every one knows, the parchasing value of monity has heavily declined, and serwants' wage have marly doubled It is safe to say that no man has ever yet been tempted into the path of politics in Eng land for the aske of making money by higher office-holding, though many have goue into the House of Commons with the it is it instely reaping the reward y service in the shape of, a

commissio ership, colonial governorship, etc. First-class diplomatrita receive after some forty years service, a pension of \$10,000 a year. The highest pension allutted to a colonial governor is, fter holding for fifteen years a best-class governorship, \$5,000 a year Unless an ambassador or colomal governor spends freely, there are loud gramblings Lord Monck, in Canada. ated Lord Cowley, in Paris, were found great fault with on this score, and although the home authorities would not actually advert to it, anything like parstmony would be likely to prejudice a by marriage of Prescott, the historian, man's chance of another appointment was attended with distressing circum | Lord Dufferm's open hand was not as un publicity.
