of 3,323 in a single year. An increase so likely to intervene as Great Britain, of population is generally accepted as an indication of prosperity as a decrease is of decadence and retrogression. How the Queen city, Tory as she is beasted to be, could so advance under Grit rule 's and will likely remain an inexplicable mystery. We suppose we must accept it as one of the idiosyncracies, so to speak, o Cartwright ruio. This reminds us that Kingston has also made rapid advances lately under the same inauspicious regime of Reform Government, a state of thirgs utterly unknown during the palmy days when her own member in Parliament was Premier of the Dominion. That cities, young and old, Toronto, Kingston Belleville, Guelph, Brautford, in face the whole country, should persist in moving on in a career of comparative, and so far as Kingston is concerned, of unprecedented growth, and with the Chieftain out of power, is a fact which will completely baffle even Tory comprehen-

Tory journals affirm that Mr. Mayor America, where they can recount their Government. If this be so we are pretty sure Dr. Tupper will not endorse His Worship, unless, indeed, it he that the Worship, unless, indeed, it be that the | Ireland's liberation) of their Amerilatter contends the tariff is too high, and canised compatriots. Of course no wishes to have that objectionable addi-mention will be made of the crimes Petersburg that the Chinese have massacrtional 2 per cent taken off again. Only for which they have been moderately on such a platform could Mr. Ritchie and punished. All that is sufficiently conthe Dector agree, for it is well remem- doned by the fact that these crimes were bered here that the latter stoutly declared perpetrated in the name of Irish freewhen the tariff was raised by Mr. Cart- dom. Somebody has apostrophised Liwright, that that was only "the entering berty as to the number of crimes of the thin end of the protectionist that have been committed in her wedge," and charged the Government name. The history of Fenianism could with conceding this (the 2) per cent.) to respond to the query with a considerable ought to bave something to say about it. the member for Hamilton, as the first contribution. We have no doubt that instalment of a protectionist policy which was going to ruin the Lewer Provinces ! If now Mayor Ritchie opposes Mr. Jones, of Halifax, on the score of a tariff insufficiently high, and wants the "protectionist wedge" driven home, such a course cannot but result, according to Tupper, in rending to ruin the interests of the Maritime Previnces. We shall fully expect Dr. Tupper to be consistent, and will discourage Mayor Richies opposition to Mr. Jones' return.

LINCOLN ACAIN

thanklessly resented and abused. Rykert would seem not yet to have had sufficient revenge on the people of Lincoln for rejecting himself and defeating tery and School of Gunnery are at all his party. He is likely to prolong, as far times to appear in uniform, in barcacks of as the courts will let him, the vexations camp, or in the streets of the city, the proceedings which have virtually disexception being when plain elother are franchised the county for over two years. worn for boating, athletic exercises, First it will be remembered Rykert was walks, drives or rides in the country, in said to be elected by a narrow majority. evening entertainments of a private and but as it proved an investigation by an official character. By the way, when fraudvlent and illegal means. When this do "A" and "B" Batteries exchange towas established, and he was unseated he cations! Or has that idea been abansought to prove that his Referm opponent, Capt. Neeley, had been as corrupt as himself. This he so far failed in deing that he could not show that Capt. Neelon had been guilty of any corrup-Principal Grant's first and tast lective tion, personally or by connivance, that this winter will be given on the descring would in the least degree vitiate his elecof the 17th instant, in the Civy-Hall, the tion. Then resort was had to a scrutiny, a tedious operation, confirming the fact, late Hon. Joseph Howe of Nova Scollar however, of Capt. Neclon's election and The lecture will be given under the steadily increasing his majority as the winnewing process went on. As a last resort, Rykert then attacked the list used in the contest as invalid, only to receive another set back from the judgment of the Kate Fisher Combination close the court which has decided in favour of the validity of the lists. By those who know him it is not thought that he wil yet surrender his hopeless case and let the rightfully elected member take his seat. With or without his consent, however, it to quite likely the courts will soon put a final period to Rykert's obstructiveness by confirming Capt. Neelon in the seat out of which he has been so long defrauded. We should think the people will owe Rykert a reckoning for their long disfranchisement, and that politically they will trounce him by bouneing him from the constituency should be ever again have the unconsciousble cheek to present himself to the electors whom be has so long deprired of representation in Parliament.
