AN EXCELLENT MEDICINE!

Springfield, O., 1877.

This is to certify that I have used Vegetine manufactured by H. R Stevens, Boston, Mass, for Rhenmatism and General Prostration of the nervous system, with good success. I 16commend Vegetine as an excellent medicine for such complaints.

Yours very truly, W. V. NDEGRIFT.

SAFE AND SURE.

In 1872 your Vegetine was recommended to me; and yielding to the persuasion of a friend I consented to try it. At the time I was suffering from general debility and nervous prostration, superinduced by overwork and irregular habits. Its wonderful strengthening and cura-tive properties seemed to effect my debiliated avatem from the first dose, and under its persistent use I rapidly recovered, gaining more than usual health an good feeling. Since then I have not hesitated to give Vegetine my most unqualified endorsement as being a safe, sure and powerful agent in promoting health and restoring the wasted system to new life and energy. Vegetine is the only medicine I use, and as long as I live I never expect to and a better. Yours truly.
