IMPORTANT LETTER
From a Distinguished Physician.

No single disease has entailed more suffering or has been the cause of so many deaths, as the disease known as the "Great Morbidity of the Blood." It is a disease which attacks every vital part, and breaks up the most delicate system of the human body. It is a disease which is not understood by most physicians, and is consequently neglected. It is a disease which is not cured by the ordinary means, and is consequently fatal. It is a disease which is not cured by the ordinary means, and is consequently fatal. It is a disease which is not cured by the ordinary means, and is consequently fatal.

SANFORD'S RADICAL CURE
MAY claim to be one of the few popular remedies receiving the approval of medical men, and being used in their families in preference to any other preparation, and being prescribed by physicians.

UNIVERSAL SATISFACTION.
GENTLEMEN, We have sold Sanford's Radical Cure for nearly one year, and can testify that it has never failed to cure any case of the disease which it is intended to cure. We are not in the habit of recommending it to any one, unless we are satisfied that it will cure them. We are not in the habit of recommending it to any one, unless we are satisfied that it will cure them.

THE HOUSEHOLD.
When I sit in the twilight gloaming
And the busy streets grow still,
I dream of the wide green meadow,
And the house on the hill,
I can see the roses blooming
About the doorway low,
And again my heart is greeting
To the friends of long ago!

REV. MR. STEPHENSON.
(Detroit Free Press.)
Matters in the Central Presbyterian Church have taken an interesting turn. As the result of the Free Press investigation last week, the church officers requested the pastor, Rev. William Stephenson, to resign, and he subsequently sent in a formal resignation, to take effect May 15th, 1878, or sooner, conditioned on the payment of his salary up to that date.

COLLINS' VOLTAGE PLASTER
An Electro-Catalytic Battery combined with a Voltaic Plaster, for the relief of rheumatism, neuralgia, sciatica, &c.

BALSAM AND PINE.
This compound has two great medical qualities, each of which performs its function and thereby produces more relief than any other compound in the history of medicine. It is sold by all Wholesale and Retail Druggists.

Enjoy Life.
What a truly beautiful world we live in! Nature gives us grandeur of mountains, glens and oceans, and thousands of means for enjoyment. We are desired no better when in perfect health; but how often do the majority of people feel like giving it up, discouraged, and worried out with disease, when there is no occasion for this feeling, as every sufferer can easily obtain satisfactory proof that Green's August Flower will make them as free from disease as when born. Dyspepsia and Liver Complaints are the most common causes of five per cent. of such maladies as Biliousness, Indigestion, Sick Headache, Constipation, Nervous Prostration, Dizziness of the Head, Palpitation of the Heart, and other distressing symptoms. Three doses of August Flower will prove its wonderful effect. Sample bottles, 10 cents. Try it. Go to your Druggists, Health & Gunn, or Wade & Cornell.

A CARD.
TO all who are suffering from the error mind, and indolence of body, nervous weakness, early decay, loss of manhood, &c. I will send a receipt that will cure you. FREE OF CHARGE. The great remedy was discovered by a missionary in South America. Send a stamped envelope to the Rev. Joseph T. Man, Station D, Bible House, New York City.

KEP'S COCOA—GRATEFUL AND COMFORTING.
By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well selected Cocoa, Mr. Kepp has provided our breakfast tables with a delicately flavoured beverage which may save us many a heavy dose of "bills." It is the just reward of a man's industry, and well for the health of the family. It is a tonic, and may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are constantly lurking around us ready to attack wherever there is a weak point. We may escape many a fatal attack by keeping our breakfast tables with pure and healthy Cocoa. Sold only in Packet. "Laxative Cocoa." Sold only in Packet. "Laxative Cocoa." Sold only in Packet. Is health worth having? If it is protect it as you would a jewel. It is a jewel that is in many cases as difficult to recover. In this climate, and more particularly at this season of the year, people are liable to take cold and suffer from sore throats, coughs, spitting of blood and pulmonary complaints generally, which if not checked immediately lead to serious consequences. The question arises, what is the quickest and most effective remedy for these ailments? There has been before the public for twenty years, and has always given perfect satisfaction, a certain medicine, sold by all medical dealers at the per box.
