**NEVER-FAILING RELIEF** 

AFFORDED BY SANFORD'S RADICAL CURE.

It is a fact that can be substantiated by the most of any proprietary medicine, that the RADIGAL CURE FOR CATARRH does in every case afford instant and permanent relief. No matter of how long standing, or how severe the disease, the first does gives such evidence of its value in the treatment of Catarrhal affections that confidence is at once felt in its ability to do all that is claimed for it. The testimony of physicians, druggists, and patients is unanimous on this point, and the accumulating evidence is in point of respectability superior to any ever before obtained in favor of a popular remedy. The proprietors, therefore, may justly feel proud of the position this remedy has attained, and believe it worthy of its reputation.

10 YEARS A SUFFERER. From Hon. Theo. P. Bogert, Bristol, R. I.

Mesers. Where & Potter: Gentlemen, — Feeling thoroughly convinced of the efficacy of Barrond's Radical Gure for Catarra, I am induced to drop you a line to say that although I have been sceptical of all the nostrums advertised as "radical cures," I have never found anything that promises such relief and ultimate cure as that of Sakrond's.

I have been afflicted with this dreadful disease for more than ten years, and not until recently could I be induced to persevere with any until I read the letter of Mr. Henry Wells, and can truthfully say that after using five or six bottles I am thoroughly convinced of its curative properties. Hoping that others similarly afflicted like myself will be induced to make the trial, I am, gentlemen, very truly, etc. THEO. P. BOGERT.

BETSY BOBBIT.

Last night as I meandeared out, o meditate apart, Secluded in my parasol,
Deep subjects shock my heart;
The earth—the skies—the prattling brooks, All thunder in my ear,
"Tis matrimony! tie matrimony,

Day with a red shired bunnet on Had down for China started Itr yellow ribdings fluttered o'er, Her head as she departed; She seemed to wink her eye to me, As she had did dissapear, And say "Tis matrix ony Betsy

That is a womens speer."

That is a women's speer." A rustick had broke down his team, mused almost with tears-How can a yoke be borne along By half a pair of steecs; Even this in wrath did nater speak 'Hear! Betsy Bobbet, hear!

Thar is a women's spear." I saw a pair of reses,
Like wedded partness grow.
Sharp thorns did pave their mortal path,
Yet sweetly did they blow;
They seemed to blow these glorious words,

That is a womens speer." Two gentle sheep upon the hills. How sweet the twain did ran; As I meandered gently on, And sot down on a stun ;

They seemed to purmur sheepishly.
"Oh Betsy Bobbet dear,

Tis matrimony-'tis matrimony

That is a womens spear.

Washington, D.C., Feb. 8 -The terrible marine disaster off the Carelina Coast (wrecking of th great steamship 'Metropolis') bas filled our hearts with sorrow. Following so closely upon the loss of the 'Hurou,' it is doubly dreadful, and no one can doubt but there is blame somewhere. The Life Saving Service rendered little or no assistance to the perishing hundreds, and much newspaper comment has been the result. But when we remember the scanty remuneration received by the keepers and men of the Life Saving Stations, wender that more is not accomplished by them ceases; for the most efficient service can scarcely be commanded from keepers for \$200 a year. A better state of things might be brought about if our Republic should adopt the cruelly strict rule of the Chinese nation-that

death punishment in case of such a calamity as those above mentioned. Tuesday evenings are now given by society to President Hayes' receptions, and are only different from those given by Mrs. Hayes on Saturday afternoons, in that evening toilets are very largely worn and the scene accordingly increased in brille n :y. Other costumes appear, however, visiting, dinner and even street dresses being worn by some. Mrs. Hayes has given over her attempt to r. form high society dressing in this gay city, and, has thrown her "plain black siks" to the winds At her last reception she wore crimson silk and velvet garmshed with gold threads, sparkling beads, rich laces and artificial flowers. Her hair she still wears in her own oll style, low in the front and coiled in back, but may a-sume puffs, outle and frizzes. At the State dinner last week she were white sik. This is the second State dinner yet given by the Hayes Administration, and was overy tasty affair. The big table presented a most magnificent appearance. The central ornament w. s. the great silver Hiawatha boat, that Mrs.

Grant perchased at the Centennial, is . used. A long narrow mirror is last lengthwise on the table, and this silver boat placed upon it, filled and trimmed with flowers, moss and vines. The boat was paid for from Mrs. Grant's private purse, and presented to the White House. It cost \$2,500 Its single sail is of frosted silver and the ropes of silver wire. Hiswatha himself sits in the stern, his polished silver oars dipping the shining silver water. The whole, filled with bright blessoms and trimmed with vines

Enjoy ife.

What a truly beautiful world we live Nature gives us grandeur of mounrains, glens and oceans, and thousands of means for enjoyment. We can desire no better when in perfect health; but how often do the majority of people feel like giving it up disheartened, discouraged and worried out with disease, when there is no occasion for this feeling, as every sufferer can easily obtain satisfactory proof that Green's August Flower will make them as free from disease as when born. Dyspepsia and Liver Complaint is the direct cause of seventyfive per cent. of such maladies as Biliousness, Indigestion, Sick Headache, Contiveness, Nervous Prostration, Dizziness of the Head, Palpitation of the Heart, and other distressing symptoms. How to Make Money - A horse dealer resid ng in the vicinity of Keyport, N.J., and who kuys up horses for the New York market purchases Darley's Condition Powders and Arabian Heave Remedy by the dozen and feeds it to his borses; he says it is superior to anything that he has ever used as a condition medicine, that the borses are so much more improved by its use as to sell more readily and command higher prices. Two other horse dealers, one residng at Huntingdon, the other at Glen Cove, L.I., also purchase it by the dozen and for the same purpose; these men, as well as many others similarly engaged, know too well the value and importance of this medicine ever to be without it. ELECTRICITY! THOMAS' EXCELAIOR ELECTRIC

OIL!-WORTH TEN TIMES ITS WEIGHT IN GOLD -Pain cannot stay where it is used It is the cheapest medicine ever made. One dose cures common sore throat. One bottle has cur, ed bronchitis Fifty cents worth has cured an old standing cough. It positively cures estarrh, asthma and croup. Fifty cents worth has cured crick in the back, and the same quantity lame back of eight years standing. The following are extracts from a few of the many letters that have been received from different parts of Canada, which, we think should be sufficient to satisfy the most sceptical : J. Collard, of Sparts, Ont., writes, "Send me six dozen Dr. Thomas' Eclectric Oil, have sold all I had from you and want more new; its cures are truly wonderful. Wm. McGuire, of Franklin, writes, I have sold all the agent left, it acts like a charm-it was slow at first, but taken aplendidly now." H. Cole, of Iona writes, "Please forward 6 dozen Thomas Eclectric Oil, I am nearly out, nothing equals it. It is highly recon mended by those who have used it. J. Bedford, Thamesville, writes, "Send at once a further supply of Eclectric Oil, I have only one bottle left. I never saw anything sell so well and give such general satisfaction 'J.
Thompson. Woodford, writes, "Send me some
more Eelectric Oil. I have sold entirely out. Nothing takes like it." Miller & Reid, Ulverton, P.Q., writes, "The Ecleetric Oil is getting a great reputation here and is daily called for. Send us a further supply without delay." BEWARE OF IMITATIONS -- Ask for Dr. Tho mas' Kelectric Oil. See that the signature of S. N.
