## VEGETINE

HER OWN WORDS. Baltimore, Md., Feb. 13, 1877.

Dear Sir,—Since several years I have got a some and very painful foot. I had some physicians, but they couldn't cure me. Now I have heard of your Vegetine from a lady who was sick for a long time, and became all well from your Vegetine, and I went and bought me one bottle of Vegetine; and after I had used one bottle, the pain left me, and it began to heel, and then I bought one other bottle, and so I take it yet. I thank God for this remarks and represent and wishing for this remedy and yourself; and wishing every sufferer may pay attention to it. It is a blessing for health Mas. C. #### VEGETINE SAFE AND SURE.

Mr. H. R. Stevens: In 1872 your Vegetine was recommended to me; and yielding to the persuasion of a friend consented to try it. At the time I was suffering from general debility and pervous prostration, superinduced by overwork and irregular habits. Its wonderful strengthening and eura-tive properties seemed to effect my debiliated system from the first dose, and under its perstatent use I rapidly recovered, gaining more than usual health and good feeling. Since then I have not hesitated to give Vegetine my most suqualified endorsement as being a safe, sure and powerful agent in promoting health and restoring the wasted system to new life and energy. Vegetine is the only medicine I use, and as long as I live I never expect to find a better. Yours truly.

#### MAGELINE The Best spring Medicine.

Charlestown. H. R. Stevens.

Dear Sir. - This is to certify that I have used your "Blood Preparation" in my family several years, and think that for Scrofula or Cankerous Humors or Racumatic affections it cannot be excelled; and as a blood purifier and spring medicine it is the best thing I have ever used, and I have used almost every thing. I can cheerfuly recomend it to any one in need of such medicine.

Yours respectfully, Mrs. A. A. DINSMORE, 19 Russle Street.

WHAT IS NEEDED. Boston, Feb 13, 71. H. R. Stevens, Esq.

Dear Sir,-About one year since I found myself in a feeble condition from general debility. Vegetine was strongly recommended to me by a friend who had been much benefited by its use I procured the article, and, after using several bottles, was restored to health, and discontinued its use. I feel quite confident that there is no medicine superior to it for those complaints for which it is especially pre paired, and would cheerfully recommend it to those who feel they need something to restore | brief, were very painful, however, while them to perfect health.
