ANOTHER DEATH. We regret to learn of another death on Amherst Island from small pox-a young woman named Willard. The discase seems to have gained : foothold on the island, and its eradication is not an ersy matter. We hope, H. R. UBIT.IARY. - We regret to notice the the death of another of Pittsburg's oldest settlers, Mr. Benjamin Whitney, who departed this life on Monday last. Mr. Whitney, in his early days, served in the Reyal Navy, and with many others in those days, settled down in the vicinity of Kingston. A number of county parties have licenses extending from the time the Dunkin By-law was quashed until May 1st, the beginning of the license year.

A LITTLE PLAYFUL .- Right in the midst of business the Council halted last evening to indulge in a little playfulness exuberance of spirit, as it were. It occurred when Alderman Gaskin presented the petition of Mr. C. A. Counter, C.O.O., asking for the remission of the rent of the City Hall on the occasion of his lecture, and, on motion, the Council constituted itself an audience and invited Mr. Counter to address them. There was mirth and merriment, but the pathetic speech of Canada's Own Orator left its impression, the debt being unanimously forgiven him.
