REMINDERS.

WEDSESDAY. LESTEN Service at St George's Cathedral at MEGULAR Meetings of Cataraqui Lodge, Kiugston, and St. John's Lodge, Pittsburgh, at 7:30 pm.

LESTER Service at St. Paul's Church at MEETING in connection with Mechanics Institute at 7:30 p.m.

A despatch to-day says Sir John's amendment was lost last night on a division of 117 to 77.

THE ONTARIO TEST VOTE. The loyal Opposition in the local House came very near permitting the final been expected from the known economi- triation' to which he refers actually occal antecedents of the Tory party, the curred during and under his own admithe no-confidence amendment in the pre- nistration to the extent of 400,000 Canasent instance was levelled at the alleged | dians, who sought in the 'States' the emextravagance of the Mowat Cabinet, the ployment which, under Sir John's revenue Bill of Particulars reciting instances | tariff of 15 per cent, was 'denied them at thereof from 1874 to the present time. home; (2) that under the present admied to a fair share of the praises ho is so Canadian depression prevented or cured to exclude all Tory boasting on his behalf. In regard to the economy of his administration, and the alleged extravagance of the present government, it must be remembered that if the money then hearded has been expended, it has been on works of public utility. Not only have many institutions for the public benefit, demanded, many of them, by considerations of humanity, been erected and maintained, but the country developed by material aid judiciously granted to the several railroads which in various parts of the country are opening up and bringing to the front its otherwise unavailable resources. The refund of the people's John's speech, in support of his buncombe money back to themselves for purposes of public utility is surely no reason why the itself. The only consistent thing about Government should be condemned. The either is the glaring inconsistency which people of Ontario are not so unreasonable runs through both. We shall have more as to expect to eat their cake and keep it too They are not so blind as not to know that if they have the money a worth they cannot have as well the cash itself, which is thus profitably invested in their behalf. Better far that the people's It may be, in so far as Russia and Turmoney should thus be expended where it key are themselves concerned, but the will do the most good than that it should populace of England has so for been debe penuriously hoarded so as to give nied a finger in the pie, and so seem de-

'pile' is steadily increasing. All this would held good even if the to indulge in their favourite mass meetcharges formulated by the Ontario Op- ing pastime, but they have not been able position were true, viz., that the surplus to muster in anything like considerable in the Ontario treasury is disappearing. force, and wherever they have attempted That this is not the case, however, is to 'rally' they have been ignominionaly of \$5,000,000, a stubborn but very pleas- feet storm of brickbats. Bradlaugh, one aut fact withal, which Ontario Tories will of the oraters of the peace meeting, was find it extremely difficult to explain severely cudgelled and had to fly in a cab, away. This fact is accompanied by the while Mr. Gladstone has suffered fresh equally undeniable one that all the affairs indignities at the hands of the London of the Province have been conducted by mob, having, while with his wife en route the present Government with a due re- to church, to take refuge from the popugard equally to the public economy and lar violence in the bouse of a friend the public efficiency. Recognizing these Now that the 'cruel war is over' it is racompanion facts as indisputable, the ther strange that the war frenzy in Eng-House by a pronounced majority voted land does not sooner subside. It is aldown the carping resolution of the leader | most a pity that people so evidently spoilof the Opposition, and reaffirmed the ing for a night did not get an opportunity public confidence in the Government by of engaging in the conflict for which they a vote of 46 to 29. The Government of appear to be still as keen. Actual war Hon. Mr. Mowat is as strong in the con would soon have taught many of these fidence of Parliament and the people as unthinking hot-heads that peace is the majority.

THE NON-CONFIDENCE MOTIOK-

If ever a clap-trap resolution was sub-

mitted to any Parliament, that of Sir sears the sensibilities of honour and be John Macdonald in amendment to the gets a sort of hardened courses for the motion to go into Committee of Sup perpetration of farther crims until the tution may be gradually built up until strong ply, richly deserves the appellation. It commission of it becomes habitual and out by declaring that "the welfare easy, so the m re frequently nations intional policy, which by a judicious read- blunted becomes their sense of honour, justment of the tariff will benefit and fos- and the more can they with impunity dister the agricultural, the mining, and the regard those lofty principles of national manufacturing interests of the Domin- rectitude by which it is the just pride of ion." We think that had Sir John been upright governments to be regulated. content with so much of his resolution The history of the international relations and simply resumed his seat without ad- of the United States bids fair (?) to prove ding a single word of elaboration or ex. | the truth of the above statement. In better for himself and party. In that with Great Britain, our American neigh- ity of the villages around Constantinople, dian waters. case everyone would have been left in a delightful condition of uncertainty as to what was meant by the "judicious readjustment" so judiciously hinted at. Furthermore, the word of Sir John, the "foremost statesman," for it that there could be devised an "adjustment" which reaching. Almost every boundary settlewould mutually and equally benefit the farmers, miners, and manufacturers, might have had its intended effect with loss of almost as much territory as could such political birds as could be cas ly be claimed by a victorious enemy at the points of treaty are to be submitted to and do away with Saturday half holi caught with chaff, had he been wise enough | close of a good sized war. All of a piece | Congress. to let well enough alone and not attempt | with this grasping habit has been the reto elaborate his resolution or to enforce cent wholesale repudiation of national it with specious argument. We fancy it obligations in the passage - and that, too, will be readily admitted that if any political over the President's ineffectual veto-of fallacy can be clothed in fallacious dis | the Silver Bill, by which national confes-
