SWORN EVIDENCE. The following Cure is probably the most remarkable ever effected by any medi-

cal preparation for the treatment of

Gentlemen.—I hereby certify that I have had Catarrh for ten years, and for the last six years have been a terrible sufferer. I was rendered partially deaf, had buzzing in the head, pains across the temple, dizzy spells, weak and painful eyes, awollen and ulcerated tonsils, hard and constant cough, severe pain across the chest, and every indication of consumption. My head ached all the time. The matter accumulated so rapidly in my head and throat that I could not keep them from Frequently at night I would spring out of bed, it seemed to me, at the point of suffocation. I would then have recourse to every means in my power to disloge me, at the point of suffocation. I would then have recourse to every means in my power to dislodge the mucus from my throat and head before being able to sleep again. For a period of aix years my tonsils were nicerated and so much inflamed that I could with difficulty swallow. I finally consulted an eminent surgeon in regard to an operation on them, but at his request postponed it. The constant inflammation and niceration in my throat caused by the pos-onous matter dropping down from my head had so irritated and inflamed my languistant I coughed incessantly.—a deep, hard cough. Meanwhile my system began to show the effects of this disease, so that I lost flesh, grew pale, and showed every symptom of an early death by consumption. When matters had reached this stage, or about six months ago, I began the use of Sanpond's Radical Cura For Catalent. After using the first bottle I began to improve rapidly. The first dose seemed to clear my head as I had not known it to be for years. It seemed gradually to arrest the discharges. It

By using it as a gargle! soon reduced the inflammation and swelling of my tonsils, so that they soon ceased to trouble me. The soreness across my chest disappeared, the buzzing noises in my head ceased, my senses of seeing and of hearing were completely restored, and every symptom of disease that had reduced me to the verge of the grave disappeared by the uso to the verge of the grave disappeared by the use of Sanford's Rapical Cura for Cataball.

I have been thus explicit because, as a druggist, I have seen a great deal of suffering from Cataball, and hope to convince many that this is a great tenedy. I am familiar with the treatment of Catarrh as practised by the best physicians, and have consulted the most eminent about my case. I have used every kind of remedy and apparatus that have appeared during a period of six years past, and have,

while following their use, taken great care of my general health, but obtained no relief or encourage ment from any of them.

Messrs. Weeks & Potter: Gentlemen, - Having for many months past suffered with a very lame side, called by my physician Chronic Pleurity, caused by a tormer injury and strain, and for which I used many prescriptions and liniments, as well as the so-called rheumatic cures, without the least benefit, my physician recommended one of your Collins' Voltaic Plantens, which, to my great surprise, relieved the pain and soreness almost im-mediately, and I have been able to attend to my onschold affairs ever since with perfect easy and comfort, whereas, before the application of your invaluable Plaster, I was scarcely able to do anything. I consider them inestimable, and shall with pleasure recommend them to the afflicted. Yours ORLAND, Me., April 21, 1876.

Do not sorfound these Plasters with the ordinary lasters of the day, that by comparison are absolutely worthless.

Be careful to obtain Collins' Voltage Plaster. a combination of Electric or Voltace Plates with a highly Medicated Plaster, as seen in the above cut. Sold by all Wholesale and Retail Druggists throughout the United States and Canadas, and by WEEKS & POTTER, Proprietors, Boston,
