CITY AND VICINITY GOLD in New York et 3 o'clock 100

COUNCIL - The regular meeting of the City Council will be held this evening. and a warm time of it may be expected. BAD BILLS. - Bills of the Consolidated

Bank are in circulation in this city. These bills are, our readers will remember, the same which were stolen some time ago in Montreal, and the payment of which has been stopped. THE HERALD .- The Collegiate Insti

tute Herald, regular number, was issued to-day, as bright and cheery looking as usual. The printer (WHIG) is complimented by the publishers upon the paper's typographical appearance.

PROBABILITIES for the next twenty four hours. For the lower lake region decreasing northwesterly to southwes erly winds, and cloudy to fair weather. Boston, Mass For the St. Lawrence, rising barometer, brisk to high north to west winds, and slougy weather, with areas of snow.

says: The steamer "Shannon," of Picton, arrived here at twelve o'clock, the first arrival this season. She experienced some difficulty in breaking through the ever used and I have used al- new ice, which formed last night, in comng out of Picton harbour.

SCHOOL OF GUNNERY. - Gunner Hooper Port Hope Garrison Artillery, and Gun ner Thomas Hill, Toronto Field Battery, obtained first-class short course certificates at our School of Gunnery, and Gunner Leary, Ottawa Field Battery, has obtained a second class certificate.

THE YOUNG MEN. - This evening there will be a meeting in the interest of young men generally, in the rooms of the Y.M.C.A., called at the instigation of the Executive Committee of the Parent Association, and to be under the management of and be addressed by delegates from that body.

AN INCORREGIBLE. - Charles Wesley Spink, convicted of housebreaking in Spencerville, was on Saturday sentenced to five years in the Penitentiary by Judge McDonald, of Brockville. He was at one time sentenced to death at Cornwall for rape, but had his sentence commuted to tive years in the Penitentiary.

THE THEATRE. - The Rev. Dr. Burns of Halifax, has been lecturing in Montreal, on the "Theatre," and he comes to the conclusion that it is a waste of time, waste of money, that it has dissipating influences on the mind, and that it is injurious to the morals. The Dr. thinks it his duty to speak out on the subject.

Gespel Meetings. - The Rev. Mr. Stephenson, now without a church Detroit, has been invited by a number of men to hold non sectatian services every Sunday, it being held that there is quite a field for such work in that city. The

THE LIQUOR FINES, - The Inspector Licenses seems to be very energetic in his pursuit of those who are infringing the law either by selling without a license or selling after prohibited hours. Al ready the fines amount to a large sum. and it looks as if from this source fully \$1,000 will be received by the time the license year closes.

CREIGHTON'S RAMBLES. Mr. G. W. Creighton will resume his rambles during the ensuing summer. His first run the season will occur on the 24th of May, when a party for Sharbott Lake and the Mississippi will be inaugurated and manpating things; but anticipation is generally pleasant, and in this case particu-

THE MUSE. - The poets are of a complimentary disposition. In a recent issue a poem, written by Dr. Dupuis in 1866, when the author was in war mood, and dedicated to Mr. Evan McColl, appeared in the WHIG The circumstance caused China T House Mr. McColl to unearth a poem written by him under simular circumstances, and published on Saturday, but in doing so Mr. McColl omitted to say that he most respectfully dedicated it to his brother lyrist, Dr. Dupuis, and he now requests us to make the anneancement.

THE FIRE BRIGADE - We believe th Committee on Fire, Water and Gas-or majority of them-will this evening recommend the appointment of Capt. Horsey as Chief Engineer, with Mr. P. Devlin, the present Engineer, as Assistant, each to receive equal salary. We have ne disposition to discuss the expediency of these changes, not having the evidence on which the Committee acted before us, but we see in the recommendation a method of reconciliaz present differences with the least unpleasantness, and that is a consummation devoutly to be wished.

LONDON SHOW. - The usual preliminar editorial circular has been issued by the London Show, Sanger's British Menagerie and Dockrill's Parisian circus, indicating that the general outfit, magnificence and detail of the combination is dicate an uncommon and thoughtful H. & W. J. Crothers were complete, expensive and attractive given, and they are certainly as sensation al as they are unique. Take this for instance: A startling invention, brought from France expressly for the Great London Show-1 monster canalia out which a "Sung lady will be shot 100 feet estehing a single rope 40 feet from the ground. Every one will want to go and

dred. The chair was occupied by Mr. J N. Lapum. The business of the Conevidence. Thus the service of intellect may not satisfy some, while it will be in ed, among them Mr. J.D. Ham, of Newburg; Mr. Bell, Reeve of Camden: Mr. R.T. Walkem, Kingston; Mr. Dennison late Reeve of Portland; Mr. John Mc-Rory, Loughboro, Mr. George Lake, and

as the clear, spiritual influence exerted by the Father. So that in our days, as in the days of the Apostles, those who were convinced that Christ was the Son of God, were so convinced, net by any revelation of flesh and blood, not by the application of ordinary reason, but by the revelation of the Father which is in heayen. The reason of this state of things became manifest. The great mass of men view religious beliefs in the light of their own ordinary experience and ordinary reason. They regard spiritual things in the same light with things which come

after which the meeting dispersed. Elliott 35, McRory 86. On motion, the election of Mr. McRory was made unanimous. Mr. Elliott expressed his determination to use all his influence in favour of the nominee of the Convention. The candidate elect was Warden of Frontenac in 1876, and was Reeve of his township for eleven years. Before the Convention adjourned a resolution was unanimously adopted endersing the nanational policy of the Opposition. that the subscription to the manse fund has reached that amount as to justify the congregation of Chalmer's Church at once, or as soon as found convenient, commencing the erection of the building.

However, in our own day, the number of men in it, the officers having allowed the sceptical was multiplying. As human sciences and human wisdom became more widely disseminated, many people think themselves able to apply themselves to a criticism of gospel history, consequently a larger number look upon Christ only as a prophet, and some even deprive Him of that honour. All was to be expected, since Christ declared to Peter that true faith was not revealed men in Canada who have any sympathy to them by fiesh and blood, or by more (three of his course having been deliver- intellectual evidence or homan reason, responsible for their actions.
