SWORN EVIDENCE.

The following Cure is probably the most remarkable ever effected by any medical preparation for the treatment of

Gentlemen.— I hereby certify that Thave had Catarrh for ten years, and for the last six years have been a terrible sufferer. I was rendered partially deaf, had buzzing in the head, pains across the temple, dizzy spelis, weak and painful eyes, awollen and ulcerated tonsils, hard and constant couch, severe pain across the chest, and every indication of consumption. My head ached all the time. The matter accumulated so rapidly in my head and throat that I could not keep them free. Frequently at night I would spring out of bed, it seemed to me, at the point of sufficients. I would then have recourse to every means in my power to dislodge the ninees from my throat and head before being able to sleep again. For a period of six years my tonsils were ulcerated and so much inflamed that I could with difficulty swallow. I finally consulted an eminent surgeon in regard to an operation on them, tonsils were nicerated and so much inflamed that I could with difficulty swallow. I finally consulted an eminent surgeon in regard to an operation on them, but at his request postponed it. The constant inflammation and discretion in my throat caused by the poisonous matter dropping down from my head had so irritated and inflamed my lumas that I coughed incessantly.—a deep, hard cough. Meanwhile my system began to show the effects of this disease, so that I lost flesh, graw pale, and showed every symptom of an early death by consumption. When matters had reached this stage, or about six months ago, I began the use of Sanyone's Rapical Cura you Catarre. After using the first bottle I began to improve rapidly. The first dose seemed to clear my head as I had not known it to be for years. It seemed gradually to arrest the discharges. It stopped my cough in three days. By using it as a gargled soon reduced the inflammation and swelling of my tousils, so that they soon ceased to trouble me. The soreness across my chest disappeared, the buzzing noises in my head ceased, my schese of schepoling and of hearing were completely restored, and every symptom of disease that had reduced me to the verge of the grave disappeared by the use of Sanyon's Rapical. Cura you Catarrh. I have been thus explicit because, as a druggist, I have seen a great deal of suffering from Catarrh, and hope to convince many that this is a great remedy.

I am familiar with the treatment of Catarrh as

I am familiar with the treatment of Catarrh as practised by the best physicians, and have consul-ed the most eminent about my case. I have used every kind of romedy and apparatus that have ap-peared during a period of six years past, and have, while following their use, taken great care of my general health, but obtained no relief or encourage-ment from any of them. CHRONIC PLEURISY CURED Messrs. Weeks & Potter: Gentlemen. - Having for many months past suffered with a very lame side, called by my physician Chronic Pleurisy, caused by a former injury and strain, and for which I used many prescriptions and liniments, as well as the so-called rheamatic cures, without the least benefit, my physician recommended one of your Collins' Voltanc Plasters, which, to my great surprise, relieved the pain and soreness almost immediately, and I have been able to attend to my household affairs ever since with perfect case and comfort, whereas, before the application of your lavaluable Plaster, I was scarcely able to do anything. I consider them inestimable, and shall with pleasure recommend them to the afflicted. Yours respectfully. Mass. FRANCES HABRIMAN. Chland, Me., April 21, 1876. THE MONTREAL TEA HOUSE
