The public has the advance opinion of the News for it that Senator Campbell has made out a good case against Government in the matter of public expenditure. It will surprise nobody that the organ and the Senator agree upon this point. Both are high authorities on expenditure. The Senator was Bursar and the proprietor of the organ one of sub-disbursers of a certain fund at seve. ral political junctures in this city. The party of the second part gave evidence in court to that effect. The testimony of the party of the first part was not taken, bursar is chief being conveniently out of the country at the time. Again we say that the mutual opinion of Senato Campbell and the local organ in the matter of political expenditures is entitled to every consideration. They have been yoke fellows in the same party har ness together, and what they don't know about it is not worth telling.

Dr. J. Collis' Brown's Chlorodyne

CHLORODYNE is admitted by the Profession to be the most wonderful and valuable reme-1 HLORODYNE is the best remedy known for Coughs, Consumption, Bronchitts and Asthma CHLORODYNE effectually checks and arrests those too often fatal diseases, Diptheria,

CHLORODYNE acts like a charm in Diarrhoea, and is the only specific in Cholera and CHLORODYNE effectually cuts short all attacks of Epilepsy, Hysteria, Palpitation, and CHLOLRDYNE is the only palliative in Neuralgia, Rheumatism, Gout, Cancer, Toothache Meningitis, &c. From Lord Francis Conyngham, Mount Charles, Donegal, 11th Dec., 1868.

"Lord Francis Conyl.gham, who this time last year bought some of Dr. J. Collis Browne s Chlorodyne from Mr Davenport, and has found it a most wonderful medicine, will be gl have half a dozen bottles sent at once to the above address "Earl Russell communicated to the College of Physicians that he received a despatch from Her Majesty's Consul at Manilla, to the effect that Cholera has been raging fearfully, and that the only remedy of any service was Chlorodyne. -See Lancet, 1st Dec., 1861. CAUTION ... Beware of Piracy and Imitation .

CAUTION .- Vice Chancellor Sir W. Page Wood stated that Dr. J. Collis Browne was undoubt dly the inventor of Chlorodyne, that the story of the defendant, Freeman, was deliberately ntrue, which, he regretted to say, had been sworn to .- See Times, 19th July, 1864. Sold in Bottles at 1s 1 h. 2s 9d., 4s 6d and 11s each. None is genuine without the word, "Dr Collis Browne's Chlorodyne" on the Government Stamp. Overwhelming medical testonony SOLE MANUFACTURER. J.
