### DEMO STRATION-

Last evening the workingmen's demonstration to Mr. Mackenzie took place in Adelaide street rink, Toronto, and it was an ovation which had no parallel in the history of the Queen City. The attendance was unprecedented, and the enthusiasm was beyond description. Huudreds, perhaps thousands, could not gain admission, and the crowd was such, that many who forced a passage into the building were unable to hear the speeches. Wherever the Premier has recently appeared he has been greeted with a cordiality and warmth of feeling that must have been gratifying to him; and the meeting last evening seems to have been the climax of his triumphs. There can be no mistak. ing the kind of reaction which prevails in this country - no mistaking the genuine friend of the workingmen-That Mr. Mackenzie is enshrined, in the hearts of the electors there cannot, be any doubt, and when they have an opportunity of giving practical expression to their opinions, they will do it in such a way as to show the Liberal Gov. eroment to be much more popular than
