THEIR STORY They walked beside the summer sea. And watch d the slowly dying sun ; And "U," she sa d, "come back to me, My love, my own, my only one !" But while he kissed her fears away The gentle waters kirsed the shere, And, sadly whispering, seemed to say, He'll come no more! he'll come no more.

In peace beside the winter sea. A white grave glitters in the moon . And waves are freeb, and clouds are free,-And shrill winds pipe a careless tune. One sleeps beneath the dark blue wave. And one upon the lonely shore ;

But joined in love, beyond the grave, They part no more! they part no more!
