VEGETINE - When the blood becomes lifeless and stagnant, either from change of water or of climate, want of exercise, irregular diet, or from any other cause, the Vegetine will purify the blood, carry off the impurities, and restore the stomach, regulate the bowels, and impart a sense of vigor to the whole body.

VEGETINE For Cancers & Cancerous Humors. THE DOCTORS' CERTIFICATE. READ IT. Ashley, Washington Co., Ill., Jan. 14, 78. Mr. H. R. STEVENS.

VEGETINE. I feel that it is difficult to find a medicine that will cure a cancerous growth, and I have been suffering from a cancerous growth on my right breast, which grew very rapidly, and all my friends had given me up to die, when I heard of your medicine, Vegetine, recommended for Cancer and Cancerous Humors. I commenced to take it, and soon found myself beginning to feel better; my health and spirits began to improve, and in a few days the cancerous growth had almost entirely disappeared. I would kindly recommend you to try it for the benefit of your health, and it is as excellent as a blood purifier.

AN EXTENSIVE PATENT... who has made Patented Consumption a specialty, says that although in the recent and not far distant past the disease was almost entirely confined to the lungs, we have still to confess that medicine is almost powerless, yet in these less overwhelming and in these more chronic, which happily constitute the far greater number of cases, we have been able to add many proofs that much may be done to mitigate, to prevent, to cure, and even to arrest and cure, this most destructive of human maladies. His experience of fifty years leads him to assert that the great remedy, more essential and more effective than any other, is Cod Liver Oil. But who can take it? Robinson's Phosphoric Emulsion contains all the virtues of Cod Liver Oil, in a form and combination most desirable to obtain its fullest effect. Anybody can take it. Prepared by J. H. Robinson, St. John, N. B., and for sale by druggists generally. Price \$1.00 per bottle; six bottles for \$5.00.

Church Pic-Nic. A PIC-NIC will be given in aid of CHRISTIANITY IN THE CITY. LEYBROUKE, half mile north of Cataract. On Wednesday, June 19th. The Street Railway will convey citizens to the picnic grounds and return for 15c. Tickets 15 cents. June 9th.

The Daily British Whig. SATURDAY EVENING, JUNE 15, 1878. CITY AND VICINITY. GOLD in New York at 3 o'clock 100/0.

Crowded Again. - Our columns are so crowded again, that we could not find room today for to-day's proceedings of the County Council and other things of local interest and concern.

Probabilities. - Moderate to fresh southerly to southwesterly winds, increasing cloudiness at night and possibly rain areas or thunder showers to-morrow. St. Lawrence. - Moderate to fresh winds and clear to fair weather.

Exhibition. - On Thursday evening the exhibition of the pupils of the Christian Brothers' School will take place in the City Hall. Trucial Halward will make it an interesting affair. See the programme printed in another column.

Doris vs. the Temporaries' Board. - The Court has given judgment in the above case at Montreal, overruling the technical objections raised to quash the writ of injunction issued in Chancery, and ordering the case to be tried upon its merits.

Stimulated. - The Napanee Beaver says the friends of Queen's University outside of Kingston should be stipulated by the generosity of the limestone city, and there should be little difficulty in securing the balance of the building and endowment fund.

A Grant. - The County Council, at the meeting this morning, passed a resolution granting the County Teachers' Association \$34, for the benefit of its funds. It was pointed out that the money would be expended in a useful way, for the mutual benefit of the Association.

Competitive Examination. - There is to be a competitive examination of the pupils of the Portland School on Saturday next, June 22nd, to be under the auspices of a Committee of Teachers and members of the Council. Prizes will be awarded to the successful and deserving pupil.

The Gentle Shepherd. - This week's cartoon in Grip is a cut on a certain English Church clergyman, who is said on the faith, but who is so gentle, mild and indifferent, that while he lolls or a noisy bank and reads the 'Lives of the Popes,' his flock (represented as sheep) gallop off to Rome.

Strawberry Festival. - In another column we notice from the ladies of St. Paul's Church, announcing their annual strawberry festival for Wednesday, June 26th. This year they add a most popular feature to the evening's entertainment by a promenade concert. The whole will, no doubt, be a most successful affair.

Exonerated. - This morning at the meeting of the County Council, the Printing Committee exonerated the County Clerk from the irregularities of which the Daily News had charged him, the report (going into details about the County printing) holding him not guilty of acting prejudicial to the interests of the ratepayers. In a word the charges of our contemporary seem to have been exploded without having any one.

Pretty Good. - The Belleville people are singing loudly of their great Dominion Day celebration, which is to be so important that people are expected to flock to see it. The Council and the citizens were so liberal, you know, and yet we notice by the bills which arrived here to-day, that for the amusements during the day a charge of 25c. per head is to be made, and for the fireworks in the evening an additional tax of 20c. per head. In Kingston the whole show will be free.

Tamworth Picnic. - The members of the English Church in Tamworth and vicinity, will hold a picnic in Helen's Grove on Thursday, the 27th instant. In addition to the usual games and pastime, there will be an election contest between the friends and supporters of Messrs. McRoy and Shibley. The stake will be a "prize trophy." The two candidates, Sir John Macdonald, H. M. Deroche, M.P.P., Mr. Gonn, Kingston, and other politicians are invited to be present. These religio-political picnics are not the thing, and the sooner the public discontinue them the better.

The Band Competition. - The following Bands will take part in the Montreal Band competition - Governor-General's Foot Guards, Ste. Cecilia's Society, Ottawa College Band, "A" Battery, Kingston, 13th Battalion and Hamilton Orange Band, 7th Battalion Band, London, Ont., Stratford Town Band, Temperance Association Brass Band, Arnprior, Ont., "B" Battery, Independent Band of St. Roches, and Band of Notre Dame de Beesport, from Quebec, Hubbard's Brass Band from Waterloo, Quebec, Bands Nationale, from Longueuil, the City Band, Victoria Rifle Band, Fanfare Jacques Carrier, Hardy's Band, Bands Vieux Marie, and Bands Citizens, of Montreal.

Bro. Richard C. Irvine, W.M. W. Hiram O. Hitchcock, I.P.M. William E. Abbott, S.W. William H. Smith, J.W. Donald Cameron, Treasurer. William G. Woodman, Sec'y. John McCall, Tyler.

The installation will take place on the evening of St. John's Day, the 24th of June. A committee was appointed to make arrangements for an excursion during the coming month.

Our Volunteers. - Next Wednesday the Kingston Field Battery and the Prince Edward and Frontenac Cavalry will go into camp at this place, and perform the annual drill. We presume the camp will be located in the Artillery Park, as usual. - To-morrow at 11 a.m. the 14th Battalion will attend divine service in this Church. The evening service, at 6.30, will be the last in this Church until it is re-opened after the alterations and repairs. For six Sundays the services will be held in the school rooms, which are now being handsomely painted and frescoed.

At a recent Orange concert in Montreal, the County Master, Mr. Grant, said that the Orangemen were tolerant, and in proof of this referred to Mr. Kirwan as disappointed in finding the Orangemen so tolerant. Now, about this visit to Kingston, the True Witness tells something that has not been hitherto made public. Mr. Kirwan was invited, it says, to lecture at Kingston, and he selected for his subject "Irish Soldiers in Foreign Lands." It is a neutral subject, and one to which no one can take exception. The same lecture was given in Montreal, and the Witness wrote it as "impartial." If Mr. Kirwan went to Kingston to lecture on "Orangemen," there would be some reason to threaten disturbance, but even upon such a subject as "Irish Soldiers in Foreign Lands," the Young Britons threatened to interfere. When Mr. Kirwan heard that his presence in Kingston was likely to cause a row, he wrote to the Mayor, expressing his willingness to abandon his visit rather than be the cause of riot or bloodshed. Mr. Kirwan preferred to have the impudent of "coward" flung at him rather than be the cause of trouble. This the Mayor of Kingston can prove. Now, adds the True Witness, let the men from Ontario set in a similar spirit of citizenship.

WIND WAITS. - The Military College will close next week. - Nothing at present appears to be very popular. - The City Council will meet on Monday evening. - The Bay of Quinte Rowing Club has been formed at Belleville. - The Hook and Ladder Company, of Gananoque, intend having an excursion here on July 1st. - Mr. Shaw, of Toronto, is arranging for the Hanlan race at Brockville on Dominion Day. - Dr. R. K. Kilbourn, a graduate of Queen's, has settled at McDonald's Corner, Dalhousie. - There was not a meeting of the yachtmen last evening. It is a pity, since a club should certainly be formed in the city. - The Rev. Wm. Galbraith, of Kingston, is announced to speak before the Presbyterian Congregation, Brockville, to-morrow. - The Lennox Council has authorized the expenditure of \$100 on the Kingston & Napanee Road, in the township of Ernestown. - Mr. Walter Ross, jr., has been appointed Custom House officer, at the port of Picton, in the room of Mr. John S. Clute, who has now been superannuated. - On Saturday, 1st June, a young man named Jackson, of Innisville, employed at Playfair's saw mill, on the K. & P. RR., had three fingers of his left hand taken off by a circular saw in the mill.

TEACHERS' ASSOCIATION. FRIDAY AFTERNOON. The Teachers' Association resumed work yesterday afternoon at two o'clock. A very clear explanation of the proper manner of teaching the subject of grammar. His method of parsing difficult words, and the style in which he explained away all grammatical difficulties, amply proved his great ability in this branch of school work. Prof. Macon lectured on the subject of Botany, and his very elaborate lecture amply repaid all who attended the Association.

COUNTY COURT. ASSISTANT V. DEVERON. - Before a jury - Plaintiff having been convicted before defendant for taking timber off Township road line, the claim against defendant, a mortgage, was set for making a return within the proper time to the Clerk of the Peace for the County of said conviction. Verdict directed by the court for plaintiff, damages \$80. Certificate granted to entitle plaintiff to full costs. The case involves points of law for future adjudication, and the said verdict is subject thereto, and not yet final. Mr. B.M. Britton, Q.C., for plaintiff. Mr. T.L. Snook for defendant. McMillan vs. Calvey. - Before a jury - Plaintiff having engaged by defendant to endeavor to supply them with timber suitable for the roof or four masts wanted by them, plaintiff delivered two masts to the defendants, which, after inspection, was fixed at \$250 each, and paid for. The plaintiff having thereafter delivered two other masts, the question for decision was whether plaintiff was entitled to payment from defendants for the two last delivered logs at their value, (to be fixed by the jury,) or the price of \$225 for both, fixed by defendants, after inspection on delivery, at their full value, and then paid by the defendants to plaintiff as such and received and accepted by him. Verdict for defendant. Mr. T. L. Snook for plaintiff. Mr. G. A. Kirkpatrick for defendant.

McMillan vs. Calvey. - Before a jury - Plaintiff having engaged by defendant to endeavor to supply them with timber suitable for the roof or four masts wanted by them, plaintiff delivered two masts to the defendants, which, after inspection, was fixed at \$250 each, and paid for. The plaintiff having thereafter delivered two other masts, the question for decision was whether plaintiff was entitled to payment from defendants for the two last delivered logs at their value, (to be fixed by the jury,) or the price of \$225 for both, fixed by defendants, after inspection on delivery, at their full value, and then paid by the defendants to plaintiff as such and received and accepted by him. Verdict for defendant. Mr. T. L. Snook for plaintiff. Mr. G. A. Kirkpatrick for defendant.
