THE CONCERT.—On Saturday afternoon the band of "A" Battery had an entertainment in the Drill Shed, and a fair audience was in attendance, who, by their manner and expression, manifested the satisfaction which they experienced.

A MORDENT CHAIRMAN.—Quite a little scene occurred last week while the County Council was in session, when Mr. P. Dawson was called to the chair. He has satiated and felt inclined to decline presiding over the Council while in Committee of the Whole, but once he did assume the chair he ruled with a firmness and severity which were admired as much as they were appreciated.

THE PREACHER COMMENCED by reminding them that they were all soldiers, that the world was their battle field, they belonged to one great army, being marshalled under one captain, and warred, not with one another, but against the evil and temptations which beset all mankind.

THE ALEXANDRIA SEIZED.—From the Brockville Recorder we learn that the side wheel steamer Alexandria was seized there on Friday afternoon on the receipt of a telegram from the Customs authorities at Prescott. It appears that the Captain had left Ogdensburgh during the forenoon, and upon calling at Prescott handed in his report to a man named Buckley, who, it seems, had no authority to take it. The Customs authorities accordingly telegraphed to Brockville, and upon the arrival of the boat at the dock she was seized by officer Simpson. A bond for \$400 was given and she was allowed to depart. We understand this is the third time she has met with the same treatment, once before Ogdensburgh, once at Prescott and the last time on Friday.

HYMNOLGY.—The use of hymns in the Presbyterian Churches was debated in the General Assembly on Saturday. Rev. Mr. Wilson spoke against organs introduced regarding them, and Rev.
