W. S. DECKER
Dunver, Oct. 1, 28 &

REV. J. H. WIGGIN SAYS: One of the best remedies for Catarra, nay, the best remedy we have found in a lifetime of suffering, is SANFORD'S RADICAL CURE. It is not unplement to take through the mostrie, and there comes with each bottle a small giass tube for use in inhulation. It clears the best and throst so in inhulation. It clears the best and throst so theroughly that, takes each morning on rising, there are no unplement secretious and no disagreesable hacking during the setting day, but as unprecedented clearness of voice and respiratory organs.—Rev. J. H. Wiggin, in Dorchester (Mass.) Beacon.

As through the busy streets I pass Often in sun and rain, I mark some pleasant household group Behind a window pane; The mother is politely blind,

Dear sinless soul of 1 byhood 1

She does not coldly wait

To ask about my bar v account,

(tr. bonds, or real estate;

With small soft face against the pane, And dove-like two the while,

She does not acorn my glance because She never heard her name, Nor query of my social place; Nor questions whence A cases;

She knows me by that nameless sense.

That wisdom sweet and fine,
Which babies have ere time has spoiled There innocunde thvine; a That strange, unerring magnetism Which some k'nd ungle sends!

By which all difficult things preceive

And recog. 'ze their friends:

Whichdraws the pigeous to my hand, Which makes the social sparrows crowd
My friendly widow still: The stlest sympathy which makes
The homeless dog 1 meet
Forget his hungry homesomeness

To faws aboutmy ticet. h! though the will seems fill, sometimes Of darkness and of dust. The soil is not quite desolate Which birds and babies trust;

Made up of grief and gui e. Vhile eyes so shadowless and sweet Smile back to eyes first smile ! LORD AND LADY LOKNE,

ife is not all a v'lderness.

"Our reception was in the true High-"either side, as we approached the house. whole Protestant population will join "Outside stond the Marquis of Lorne, them in this matter." just two years old, a dear, white, fat, far, fittle fellow, with reddish hair but delicate feetures, like both father and little child. He had a black volvet further examples. dress and jacket, with a sporran, scarf and Highland bonnet."

(Globe.)

So wrote Her Majesty in her descripion of a royal visit to Inversity Castle in 1847. An eye-witness of the same inci-"The Queen, on ascending the steps, 'recognised the little Marquis of Lorne, a 'graceful child, at out three years old, in 'Highland costume, when Her Majesty 'stepped down and took the little feilow 'Tork City' York City by the hand, and lifted him up and kiss 'ed him." The "father and mother" mentioned above are the Right Honourable George

John Douglas Campbell, the present Duke of Argyle, and Lady Elizabeth Georgiana Sutherland Leveson-Gower. eldest daughter of the Duke of Satherland, so that, the Marquis of Lorne. whose own name is John George Edward Henry Douglas Sutherland Campbell, comes of most distinguished parentage on both sides. He was born on the 6th of August 1845, and is therefore between two and three years older than the Princess Louise, who was born on the 18th of March, 1848. The Marquis was educated at Eton, St. Andrew's and educated at Eton, St. Andrew's and ato, grasulation of the lists uperation of the Trinity College, Cambridge. He has tachrymal glands, film and weakness of the held since 1866 several high and honourable positions in connection with the Saler is presented to the public with the assur-Slide and a Cana), with two Lift Locks, at, and in 1868 he was see of the eye, seute or chromistical returned to the House of Commons for Plans and Specifications of the works can be Argyleshire. the 2nd day of August next, at cuber of which places printed forms of tender can be obtained. State for India. He has been for some immediate and a permanent cure requires but

part in the proceedings of that venerable and dignified assembly. In January, 1868, the Marquis started with a companion on a tour through part and disinfectant. It is composed of materials of America, and he published an excellent account of his travels and observations in a book entitled, not very appropriately, A Trip to the Tropics." The tour included a brief visit to Hayti and Cobs, and a in the muceous membrane of the gums, and longer sojourn in Jamaica, where the the respective parties whose tenders are not accepted. For the due fulfilment of the contract, satisfactory security will be required by the deposit of money to the amount of five percent on the bulk sum of the centract; of which the sum sent in with the tender will be respecting the conflict and its melancholy results, and the same remark, mutatus mutandis, applies to his reflections on the condition of the United States. did not visit the Western States at all his attention being taken up chiefly with the effect produced by the then recent come sureties for the carrying out of these conditions, as well as for the due performance civil war. He passed through Canada on his return, but spent very little time in the country which he is about to revisit as its Governor-General, Almost the only places he notices in his work are Niagara, Toronto, Kingston, and Ottawa Dominion before him as a field of study and observation. With matured powers and visiting it under such altered circumstances, it may be taken for granted that he will take a deep and abiding interest in everything connected with it—the physical features of the country, as well se its political institutions and the social character of the people. His Lordship's later literary ventures embrace only his comparatively well-known poem, 'Guido and Lita: a Tale of the Riviera," and his more recent "Metrical Version of the Psalms." The poem was on its appearange favourable received by the critica and the general public, and now that its

nathor is about to become so closely cou-nected with Canada, both is and his later work will soon become better known to the public bere. His marriage with Her Royal Highness Princess Louise Careline Alberta, Duchase of Saxony and laughter of the Queen, took place on the 21st of March, 1871. She is the fourth daughter and the sixth child of the Royal Family, and is reputed to be both clever and accomplished, taking as much practical interest in art as her husban! does in literature. As "Lady of Lorne" and the wife of a lineal descendant of the "Mac-Collum More," she has now a proprietary interest in many of the western islands of Scotland as well as a large track on the mainland.

the direct line were prominent persons in their day in the history of Scotland or of Great Britain, and as such their names and achievements have become "household words." We prefer to give instead of any summary of our own of the history of the great Campbell Jamily
