Yesterday morning two Englishmer got off the Royal Mail steamer here, havng some little business to do before proceeding to Montreal, thence to England, they having been as long in this country as it has been agreeable to their feelings. Some time after the boat left Kingston a telegram was received, stating that a passenger had been robbed of \$450, and the suspicion was expressed that the Englishmen aforesaid had the money. Consequently an active search was made all day for them, as they were known to be in the city, but their whereabouts could not be located. tective Mscauley and P.C.
