MCHATTON, GRANT & BOWRY'S FIRE AND MARINE INSURANCE AGENCY 725 Pine Street, St. Louis, Mo., Feb. 1, 1877. A. A. MELLIER, Washington Av., City.—Dear Mellier: I have for some years been troubled with Catarrh, and for the past two years have suffered Catarrh, and for the past two years have suffered seriously with it. Noticing your advertisement of Sanyono's Remedy (Radical Cure), I decided to try it. I have used only two bottles, and as a result i feel so much relieved that I presume on our personal relations and write this to you and ask that you take some measures to get it more prominently before the public, that others may have such relief as I have. I have recommended it to quite a number of my friends, all of whom have expressed to me their high estimate of its value and good effects with them.

I really think it particularly adapted to wants of St. Louis people, and they all ought to know of it, and those who need itshould try it. I will risk the assertion that 1000 I oz. vials (as a sample) to be given away will sell as many bottles.

Trysome plan. Let the people have it; they need it. I believe I could sell 2000 bottles myself—of course you could largely increase this number. Why not try it? Yours truly, WM. BOWEN.

RHEUMATISM

Masse: Weeks & Potter: Gentlemen, — One year ago I was selzed with a severe attack of Rheumatism in myright hip, to which I was subject. I tried the various liniments and rheumatic cures, but without the least benefit, when my son, a draggist, suggested one of your Colling Voltaic Plastens. The effect was almost immediately well again, and was able to work upon my farm as mual, whereas, before the application of the Plaster, I could do nothing, and every stepgave me pain. A few weeks aince, one year from the first attack, the disease returned, but I am happy to say the eccond Plaster proved as efficacious as the first, and I am now well. My wife wishes me to add that one Plaster has cured her of a very lame back. We think there is nothing in the world of remedies that can compare with the Collins' Voltaic Plastens for Rheumatism and Lame Back, and cheerfully recommend them to the suffering. Yours very respectfully.

ORLAND, ME., June 6, 1876. ROBERT COTTON.

NOT A QUACK NOSTRUM.

Gentlemen.—I hereby certify that for several years past I have used the Voltaio Plasters in my practice, and have never known them to fall in affording speedy relief in those cases for which they are recommended. They are not a quack nostrum, but a remedial agent of great value. Very truly yours.

W. C. COLLINS, M. D. BUCKSPORT, MR., May 27, 1874. PRICE 25 CENTS.

Be careful to obtain Collins' Voltaic Plaster, a combination of Electric and Voltaic Plates, with a highly Medicated Plaster, as seen in the above cut.
