THURSDAY EV'NG, OCT.24, 1878. REMINDERS.

CONCRUT in St. Andrew's Hall at S p.m. TENDERS for Supplies of Potatoes received Sale of fine houses on Barrie and Unio treets by Hutcheson at noon,

The new Tory Cabinet ought to be in fallible. There are two Popes in it. But it isn't. Judging from the bad beginning already made Ministers will need all the absolution they can get from among them selves. Certain it is that if they go on a they have begun they will pever get another whitewashing-except it be in base ball sense-from the Canadian peo

In the late electoral battle Hon. all old chums of Sir John in his Pacific Scandal Government, were defeated. Langevin was certainly the worst defeated of the three, since he was first driven from Charlevoix, his former constituency, parliament and Cabinet respectively. to take refuge in Rimouski, where even How have these expectations been so far the great influence of his brother, as realized? In the very creation of the Bishop of the diocese, was unable to save | new Cabinet, instead of increased reprehim from defeat. Now why, under such sentation and influence, there has been circumstances, was Langevin preferred to the scantiest possible recognition of bare Gibbs or Mitchell? There are to our existence! Strong and persistent efforts mind only two possible solutions to this were made by their respective friends conundrum. The first is that, as the and admirers in pressing home upon the safe and stealthy custodian of that \$32,-000 of Pacific Railway money, Langevin Mesers. Ryan and Costigan. All to no other reason is, that he was taken into with the intimation that in the Torv the Cabinet to furnish congenial company | Cabinet there was no place for either. to the Hon. Mackenzie Bowell. Behold how good and how pleasant it is for such men to dwell together in unity.

Wereluctantly pollute our columns with the following revengeful exultation of one Senator Macdonald of British Columbia "No doubt all present had heard the glorious news which had been transmitted by telegram that Mr. Cartwright the greatest blackguard in the House of Commons, had been ignominiously de- as to whether longer to accord support to

a 'speech' supporting the nomination of tion. Without veering round to direct Sir John Macdonald for Victoria, because of his defeat in this city. Of course Sir John Macdonald's contemptucus be-Sir John was no 'blackguard' nor had haviour to the intoxication of too much example of the Turk in butchering the who absconded, is not at the head of the though he had met a worse fate than Mr. | advising the Catholics of Centre Huron Cartwright, having been rejected by twice not to add to that Tory success by voting as heavy an adverse majority. As a for the Tory nominee. Truly a vast courteous gentleman, either in his per- change has already come o'er the the spisonal relations or in debate, in the House or out of it, Hon. Mr. Cartwright needs that perused its columns up to the 17th no defenders or apologists among those who know him. The false, miserable and filthy extract we have quoted, from the Victoria Standard, is quite a sufficient indiestion however of Senator Macdonald's status as a member of the gentlemen's party and for that reason we give him the benefit of the publicity of our columns.

### THE PROVINCES IN THE CABINET

er by means of it we demand that the ex- Catholic vote as Sir John could inveigle periment shall be tried, so, though we do by his sham pretences into supportnot believe in sectional representation in ing him was no doubt very servicethe Cabinet, yet we exact that the Cabi- able in the contest. When a victory net builder shall be consistent in his was assured, however, so decisive as to work. He seems to have laid it down as enable the Chieftain to despise their the basis of his structure that every pro- support and to defy their opposition, he vince shall be represented in the Cabinet, has not been slow in telling them, in acts even going the length of exceeding the far louder than words, that he can dis constitution by making a fourteenth Mi- pense with their further service. Keen nister in order to strengthen Mr. Tilley's disappointment is felt, not only in Ontaweak hands in New Brunswick. Our rio but among Irish Catholic electors position is that the best men should be throughout the whole Dominion. The chosen regardless of the Province they Montreal Post, although according an from. Such an opinion, how- independent support to the Conservative ever, can by no means be tortured to party, expresses unqualified disgust at mean that the best men from the largest | the double dealing of the new Premier and wealthiest province are to be thrust and boldly calls for his matant deposition aside in order to pander to the exorbitant from the leadership. "He has fooled the demands of the smaller ones. But taking Irish Catholics," are the words of, the Post return again after many days. Sir John upon his own chosen ground of and for this and other reasons the organ claims that he should be compelled to "territorial" representation in the Cabinet how does the case stand? In the abdicate in favour of men "whose records first place the ten thousand white men are free from blemish." In the Mackenupon the Pacific slope have the Premier | zie Cabinet the Irish Catholics were perhimself as member for Victoria. Then, sonated by Hon. Senator Scott, a repregoing to the far East, we find five Minis- sentative Catholic-Mr. Anglin-presiding over Parliament as First Commoner. ters accorded to the Maritime Provinces. Hon. Messrs. Tilley, Tupper, Pope (J.C.) Instead of doing so much better under and Macdonald hold the most important | the new regime, they have simply gone portfolios in the Cabinet, including the farther and fared worse. Irish Catholic Conservatives are beginning to realize departments of Finance and Public Works, the "spare man" being Senator Wilmott, without a portfolio. Coming next to Quebec, we have Hon. Messrs. Langevin, Pope (J.H.) Baby. and Masson, whose Departments include the Post Office and Militia. Last and least, Ontario, the Premier Province, is represented by four Ministers, two only city has been regarded as a windfall to of whom, Hon. Messrs. O'Connor and our far Western fellow-colonists; nay Bowell, are selected from her eightyeight elective representatives, the other | it as a providential intervention in their two being Senators Aikens and Campe behalf. It was meet that they should want bell, who cannot actually be said to him and we need not add they are abunrepresent the people of Ontario. The dantly welcome to him. He is the man only Department of these four worth who coaxed them into confederation with mentioning has been bestowed on Mr. | the ten years' promise, now regarded by Bowell, that of the Customs, while the all the common sense in his own party as other three, Receiver General, Secretary | the craziest pledge that ever escaped reckless demagogue, and one utterly and of State, and President of the Council, are among the least important of Cabi- physically impossible of fulfilment. In net offices. While Sir John is boasting at Montreal and elsewhere that in the Grit Province of Ontario an overwhelming Tory majority had been sent to Parhament, he yet requites this handsome behaviour on their part by the most ungrateful conduct in the apportionment of the Cabinet offices. It may be objected that Sir John himself should be included among the Ontario Ministers. What would the electors of Victoria, B D., say to such an absurd proposition He is their member now, to all interests in this regard. If he does no more for Brown Chamberlain, at present Queen's and purposes, and they have the most undoubted right to the dubious honour. and the more probable profit of having lesson the electors of this city lately ad- effect that Mr. Foreythe's services in the him, not merely as their friend at court. but as their representative in the Cabinet Council. With just as much plausibility lance of his duty to his conthis in the matter of the duty to his constituents, the people of Victoria will be
stituents, the people of Victoria will be
stituents, the people of Victoria will be
stituents, the people of Victoria will be
stances of Kingstances councited with his arrest and
ston, first for the free gift of Sir John as
discharge by Chief Langrell, in this city, milar. No matter how this thing is conmidered, the fact remains that Ontario has duty of a representative to those who been rewarded for her new departure send him to Parliament. As Sir John is from Reform to Toryism by the most un- known to have retired from the represengrateful anubbing which it was possible tation of Marquette because of the avow-

griends. All ne have to say in that On-

tario richly deserves the mean rebuff Sir John has administered, By this time the electors of Ontario should have better known their man, and se they were without excuse in supporting him, so they will be without sympathy in enduring him. Every day's developments adds to the justification of the men of Kingston for rejecting the ungrateful double shuffler of Canadian politicians. Our late reection of him will soon be applauded by the whole people of Ontario,

The Irish Canadian secoded from the

Reform party because of an alleged lack

of a fair recognition of the claims of its

creed and nationality by the Mackenzie

Government. To the utmost extent its influence the organ mentioned tributed to the return of Sir John Macdonald to power, not only pinning its faith to that reliable (1) statesman's sleevebut pledging its troth to co-religionists and compatriots that, once Mackenzie was out and Macdonald in, the status of the Irish race in Canada would be practically recognized by due representation in knightly cabinet-maker the claims of man after John A's own heart purpose, however. Both these representative men have been elbowed aside Hon. John O'Connor has, it is true, been admitted to the charmed circle, but to what extent? The empty honour of the Presidency of the Council has been accorded him-s sinecure without much prestige and utterly without patronage, the very thing, by the way, the i.C. has all along been demanding. No wonder that in its last issue our contemporary sat upon the ragged edge of uncertainty the "statesman" who had violated every This gentlemanly gem formed part of promise and disappointed every expectaopposition the Irish Canadian attributes 'ignominionaly defeated,' al- success, and actually goes the length of rit of our contemporary's dream. Who September, or, for that matter, but one short week ago, would have dreamt such an armed neutrality as that it is now assuming. We are not now discussing the alleged griovance on its merits. Were we to do so we should earnestly deprecate representation either of country, creed or locality in our national councils. Looking at matters, however, from the Irish Canadian standpoint there is now no doubt that those who shared its views Just as we do not believe in the Na- and acted upon its advice have been most tional policy, but when men get into pow- egregiously sold.
