CITY COUNCIL - Regular Meeting this evening at eight o'clock. HAMPTON SCHOOL .- Distribution prizes this evening.

#### The College Question.

The Ontario Government has made no evil, in the eyes of the many it is a good sophism from beginning to end. Let us look at it devoid of prejudice favor of localities. A sum of money was paid to Trinity

the Church of England in Canada is to be gradually converted into semi-popery be it so, but keep the proselyting hand out of the public purse. The sound principles of Wesleyan Methodism may be encouraged and enhanced at Victoria College, Coburg, but is it fair to the Episcopal Methodists, the Primitive Methodists, argument may be applied to the Scotch be time enough to excuse, as then only talents for the benefit of the country. Church and Free Church Presbyterians. As | not irrelevant, diatribes against Sectarian testant Establishments.

Queen's College stands in a peculiar If the Professors are anywise sectarian t the detriment to general education, should be divested of that sectarianism, that is, it should cease to be solely 'Kirk of Scotland,' but it should still be susstained and protected as a University, for Ontario is populous enough and wealthy enough to possess more than one. such we presume will be the case when at it. In our opinion, and we believe we Corpus to take the prisoner across the surveys of which are to be commenced imthe scheme of Superior Education is fully speak that of the great mass of the peo- seas, is it settled law that our Sheriffs mediately. Mr. Fleming, with the approval matured and developed. Meanwhile their ple of Ontario, the man who would con- and other officials must obey a mandate so of the Dominion Government, is to take is a communication in to-day's sheet, in fine the means of Superior Education to issued; and if they did not choose to charge of surveying, towards which the Gowhich the claims of Queen's College are one University in one locality, is in reality, punished? At this season of the year, \$2,000. The line will start from Annapolis. more fully advocated, than would be were one of the worst enemies of his country. there seems to arise another difficulty.

THE ELECTION TO-DAY .- This morning at nine o'clock the polls will be open their friend, when he hastens to stifle, if Sphinx to gloat over; but which will ed in the various city and township wards, he can, their kindly feelings towards sufficiently ardent to solve its mysteries, where there is a contested election for Queen's? They know too well to be and we gladly leave it.—Globe. municipal officers. In a great many misled by him, that by Queen's College places no polls are required, the selection | they have during many years lost nothing of good men having been quietly and very and gained much. It has tended to sensibly made on nomination day, and raise the general position of their generally there will be little stir.

JOSEPH HALL

ESTABLISHED 1851.

Manufacture LEFFEL'S CELEBRATED AMERICAN DOUBLE TURBINE WA-TER WHEELS, the most perfect and economical Water Wheel in use.

We are the only manufacturers who can turnish the genuine "Leffel Wheel" in

Springfield, Obio, Dec. 25th, 1868. We take pleasure in inferming the public of Canada, that we have sold and furnished Mr. F. W. Glen, of Oshawa, Ontario, Patteris, Drawings, 'langes, and all other necessary information, to build our celebrated Double Turbine Water Wheel, invented by James 309 Leffel, and known as the "L-ff | Wheel." We have also obligated ourselves to furnish the same facilities for manufacturing to no other parties in Canada. . Without the information we have given Mr. Glen, no one can successfully build our Wheels, and we advise parties in Canada to purchase our Wheels of I no other manufacturer. Mr. Glen's facilities BY the kind permission of Lieutenant- are unsurpassed, and we feel sure that he Colonel Hibbert and Officers, the will build a Wheel that will give perfect

> (Signed,) JAMES LAFFEL & CO WINABERSANTY. Our wheels are warranted to work to entire satisfaction, if prope ly put up, run, and ta, ken care od, - and then if they do not perform to the entire satisfaction of the purchaser, after running 60 days, they may return the

> ways, and refund all jujments made to us thereon. This guarantee will be suictly ad-We call especial attention to our superior Gearing of all kinds for attaching our wheels. made light and adapted to the high speed at which the wheels run. We caution purchas\_ ers against using heavy shafting and gear. We also manufacture all kinds of Saw

wheels to us, and we will pay freight, both

and Flour Mill Machinery, including Steam Engines and Boilers, English and American Gangs, Hand-setting and self-setting Cir-The public will buy them from him, in the cular Saw Rigs, Upright and Oscillating s first place because they are Neatly Finish- Mulay Saw-Rigs, Gearing, Shafting Pullies chines and Jointers, Leather Splitting Ma. of Whips of all kinds, including Tandem, Power Press, Taylor's Cylinder Press, and 1 Blake's Patent Steam Pump.
